Would you please send a nocv/noh for March 28, 2012 hearing date for Sec. 66-102, delinquent business tax receipt for the years 10/01/2008-09/30/2009; 10/01/2009-09/30/2010; 10/01/2010-09/30/2011; and 10/01/2011-09/30/2012.

By way of this email, this is notification of the delinquent sewer/solid waste account. The notice will include this info for the property owner to come into compliance. "Before any payment can be made for the delinquent business tax receipt, you shall pay all delinquent fines and fees for the sewer/solid waste account. You may contact the Utility Department at (305) 809-3861 to obtain that amount and make payment. The current amount delinquent is \$1,432.62." Barbara
