Nice one bedroom cottage on lush gated and fenced property. Cottage has full kitchen and full bath. French doors to a covered patio area with outside dining area, that leads to an uncovered patio area complete with hot tub. A/C , ceiling fans inside and out on the patio. This property is located two blocks from Duval st. Walking distance to everything. Cottage has cable hi def tv , and wi-fi. I use this property to house my visiting artist for my art gallery, so availability is limited.

and rates before submitting a reservation request.

Be respectful of neighbors . We want you to have fun, but it is not a party spot. The cottage is more for relaxing. That being said duval st is only two blocks away, where you can do plenty of partying if you so desire. We just ask that you come home quietly. Thanks and feel free to call if you have any questions.

David's cottage is ideal. A really nice cozy place with artful touches. Having breakfast outside in the patio was purely joy, and the hot tub was fantastic. We stayed for 2 nights and we did not miss a chance enjoying ourselves in the tub. Location is great as well. Couple blocks from the most popular spots. Street parking is available and it was not hard at all for me to find space.

June 2013

Fantastic! We had lot of fun staying at David's (website hidden) was very relaxing and more importantly it felt like home. David is an amazing host and tries his best to help you in every way. I would recommend this cottage to everyone looking for a space to crash in Keywest.

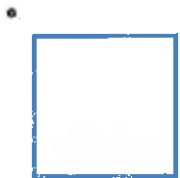

[Richard](#)

Fantastic! Loved the cottage and its location. The hot tub is definitely the icing on the cake. Nothing bad to report on, everything was great. David is a really nice guy as well and very accomodating. Would recommend it to anyone and can't wait to get back.

[Christopher](#)

My fiancée and I stayed in the cottage for 3 nights and enjoyed our experience. It was very comfortable, and it was nice having a private outdoor area with the hot tub. We cooked breakfast in the the kitchen, which is furnished with all of the basics. Would definitely stay again!

[M&M](#)

David's cottage was just perfect. We didn't have a chance to meet him but his friend Veronica helped us with everything. It was really clean, we had kitchen supplies and the location is perfect. The hot tub is a plus, of course! It is a pity we could only stay for a night!

I rented this charming cottage for my son and daughter-in-law for their honeymoon. I wanted them to have the true bohemian Key West experience that have always enjoyed.

They loved it. They said David was friendly and easy to get along with. It was quiet and peaceful. Close to all of the fun places in Key West but it felt like you were in your own little world at the cottage. When they return to Key West again they said they would definitely stay there again.

Thank you David Lassiter! I think my husband and I will try this cottage soon.

Kristi

A friend of mine and I stayed at David's cottage for our first trip to Key West in May 2013 and had a great time! The cottage is one room, which was fine for us (and we didn't spend much time there anyway). It is in a perfect location and close enough to walk to everything. Higgs beach is a short trek, but very doable. Duval St. and all of the restaurants, shops, eateries, and bars by the water are within blocks. This was the perfect location.

David was very friendly and a pleasure with which to work. We had no issues during our stay. The washer/dryer are not in the unit and the kitchen didn't have a couple of items I had hoped for, but most folks don't cook or wash clothes on vacation (I'm a little strange that way).

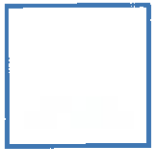

I would highly recommend this cottage and would stay there again if it were available. The price was very fair as well. The hot tub is gorgeous and the covered patio was very relaxing when looking to just be outside and chill out. All of the neighbors were friendly too.

Great place, great location. Book it!

Chay & Caroline

Heaven on Elizabeth Street! If you want the true Key West experience you must stay in David's cottage. The cottage itself was a delight. It was charming and comfortable and the back patio is your own private oasis! We stayed here for a week on our honeymoon and could not have asked for a better experience. In true Key West style, David and Veronica were friendly, helpful and always available if needed for suggestions or advice about where to go and what to do. And what to do was all around us! The Key West Cemetery is only a block away and Duval is a mere two blocks in the other direction. The marina is a beautiful stroll past unique and gorgeous homes for seven blocks. Don't miss Nancy Forrester's Secret Garden when you are passing by. It is worth the \$10 and more! In the evenings, the Sunset Festival was a five minute ride on the bikes that David suggested we rent from Eaton Bikes. Most mornings we biked down to Harpoon Harry's, another suggestion by you know who, to enjoy breakfast and a mimosa. What can I say? The location was ideal. We hope to stay with David the next time we are down, which we also hope is soon!

Stephanie

Staying with David was great! The cottage was exactly as advertised and David was very easy to communicate with. The location is also ideal- close to everything but in a nice quiet residential neighborhood. I wouldn't hesitate to recommend David and his adorable Artist's Cottage!

April

David is a magnificent host! He was helpful and educational. The place was superbly clean!

[Less about the host](#)

- **School:** Chapel hill
- **Work:** Art gallery owner
- **About:** My name is David , I own an art gallery named the ART LOUNGE. After being a long time bartender at some of the best bars in key west, and also being a boat captain. I got into selling art . That led to me opening my own gallery. The artist cottage is on my gated fenced property. I use the artist cottage as a residence for my visiting artist, that paint live in my gallery. I have decided to start to rent it when no artist are in residence. It is a lovely , quiet, safe, friendly, conveniently located in walking distance to everything.
