Hi Eryn,
Per the milestone on page 20 of the attached solicitation, we allow for a CPI increase annually. Based on the Bureau of Labor Statistics, I feel this is an appropriate request –
link: https://stats.bls.gov/regions/southeast/news-release/consumerpriceindex_tampa.htm. Can you

please get with CPD (Major Johnson) and CFR (Chief Ehlers) to make sure they are okay with this. Also, please review the contracts to see if we feel an increase may be needed if we were to accept this.

Thank you for your assistance with this.

Good afternoon Ms. Vogel,

Our company was awarded the contract for RFP #51-20 “Employment Related Healthcare Services” specifically for Fire and Police Pre-employment physicals, annual physicals, and Fitness Evaluations.

I am writing to request an increase in the pricing for the 2nd renewal (1/1/2023) utilizing the current CPI index of 8.3%. Please advise me on what I will need to do to request this increase or if this email will suffice.

I greatly appreciate your time and assistance in this matter. If you have any questions please let me know.
