RE: Fiscal Year 2015 Concept Paper
Concept Paper Title: Not One More: Police Traffic Services Campaign

Dear Chief Lee,

The Florida Department of Transportation is pleased to inform you that your agency has been selected to receive grant funding for Federal Fiscal Year 2015 which begins on October 1, 2014. Grant awards may not be equivalent to the amount requested in your concept paper, based upon funding levels awarded to the State of Florida for the fiscal year by the National Highway Traffic Safety Administration (NHTSA) and approval of Florida's Highway Safety Plan submitted to NHTSA.

Please contact your assigned Program Manager, Pete Cohen, and he will be happy to assist you with your grant application and its requirements. We look forward to working with you on this project. If you have any questions, please call your program manager at 850-414-4026 or me directly at 850-414-4009.
