Sec. 106-51. - Prohibited.

The outdoor display of merchandise in the historic zoning districts of the city is prohibited unless an exception is granted by the planning board, as provided in section 106-52. Merchandise shall mean any good or product or sample or likeness of any good or product offered for sale by a business. Outdoor display shall mean the placement of merchandise on the exterior of a business structure, including a wall, roof, overhang, entranceway or window, or within a required setback area. For a cart, booth or arcade, outdoor display shall mean the placement of merchandise, either freestanding or by draping it, on the exterior or beyond the vertical plane of the cart, booth or arcade. In no event shall outdoor display be permitted in the public right-of-way. The prohibitions of this section shall not apply to automotive, bicycle and moped rentals and sales and to plant sales and shall not apply to art festivals or other special events duly permitted by the city commission.

(Ord. No. 97-10, § 1(3-16.1(C)(1)), 7-3-1997; Ord. No. 08-04, § 16, 5-20-2008)

Sec. 106-52. - Exceptions.

Exceptions to section 106-51 may be granted by the Planning Board as follows:

(1) Factors favoring the exception are as follows:

- a. The location of the proposed exception, while outdoors, is an interior courtyard of a building or buildings, or is a space specifically designed and permitted for use by outdoor merchants.
- b. The exception (for either the type of merchandise or the type of display) is compatible or in visual harmony with the character of the neighborhood.
- c. The exception's visual incongruity with the historic character of the neighborhood is reduced by substantial setback from public places and rights-of-way.

(2) Factors disfavoring the exception are as follows:

- a. Architecture contributing to the historical fabric or visual character of the neighborhood is obscured by the exception.
- b. The location of the proposed exception abuts, with minimal setback, a street of the historic district, thus the exception is visible from heavily used public places and rights-of-way.
- c. The exception presents a hazard to public safety.

(3) Exceptions to section 106-51 granted by the Planning Board shall be for a term of no more than 60 consecutive months and may be granted subject to terms and conditions

specified by the board in order to protect the architectural heritage and visual character of the district. Applications for exceptions shall be accompanied by a nonrefundable fee of \$100.00 to cover the costs to the city of processing the application and investigating the applicant.

- (4) Exceptions to section 106-51 may be revoked by the Planning Board after notice and hearing on grounds that:
- a. The applicant has failed to comply with terms and conditions specified pursuant to the grant of an exception in this section;
  - b. The exception was granted pursuant to mistaken or misleading information; or
  - c. The exception is not compatible, or in visual harmony, with development of the neighborhood occurring subsequent to grant of the exception.
- (5) The city manager or the planning board, upon written petition by any city resident, may cause issuance of a notice of hearing on revocation of an exception, which notice shall be issued by the city clerk.

(Ord. No. 97-10, § 1(3-16.1(C)(2)), 7-3-1997; Ord. No. 06-09, § 1, 5-2-2006; Ord. No. 08-04, § 17, 5-20-2008)
