This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

~~If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.~~

Kelli,
We feel that the applicant should call Waste Management, as I don't think our staff can keep up with the trash over this 10-hour event.

Steve & Karen,

Regarding trash for the S/V Hindu celebration on March 16, should I have the applicant call Waste Management to handle trash or is this something that Port can/will handle? (See Matt's response below).

Matt is requiring me to ask applicants for their waste plan. Please let me know what you would prefer.

Thank you!
