Re: Application for Variance
Todd and Cynthia Leff, 615R Grinnell Street

Dear Sirs:

We are the directly adjoining neighbors to Todd and Cynthia Leff who have applied for a variance to put a roof over their rear deck. We share a property line across the front of their property. During the past three years of their ownership we have not had any issues with noise from their property. The variance will not negatively impact the neighborhood or my use of my property. I do not have any objection and support the application for the variance.

Sincerely,
