

DRC Comments  
Engineering Department  
10/28/2021

111 Olivia Street: Frederick Douglass Gym Expansion

- Engineering staff has been managing the project on behalf of the City. All comments have been issued as part of the review process.

927 Catherine Street

- Dimensions of the easement were not provided and cannot be verified.
- A plat and legal description of the easement was not provided. A licensed survey will need to prepare these documents for submission to city staff for review prior to approval.

911 Center Street

- Survey metes and bounds check. No further comments.
