RE: Agreement Extension

To Whom It May Concern,

Beacon Wi-Fi Technologies, LLC would like to extend the agreement to provide Wi-Fi services at Key West Bight Marina and the City Marina @ Garrison Bight per the provision provided in the original agreement, seventh bullet:

At the end of the three (3) year term, this agreement may be extended for an additional two year term based upon the same terms and conditions.

Each venue will pay Beacon Wi-Fi \$199/month for 12 months per year. The total cost for the two year extension will be \$9552 which includes the one month deposit charge outlined in the original agreement.

The extension will begin 1 July 2014.

By signing this letter, both parties agree to all terms.
