

MEMORANDUM FOR THE FILE

DATE: April 27, 2013

RE: 3701 Eagle Ave (permit application # 6388)

FROM: Karen DeMaria, Interim Urban Forestry Manager,
City of Key West

An application was received for the trimming of **(1) Mahogany tree**. A site inspection was done on April 25, 2013 and documented the following:

Tree Species: Mahogany (*Swietenia mahagoni*)

Note: A permit application was submitted at the request of the urban forester due to the size of the tree limb that may be removed and the possibility of more than 1/3 of the canopy being reduced. The tree does need a good trim.

Recommendations: Approve the maintenance trimming of the tree.
