Hi Laura,

Thanks for the quick reply. The City's SOV has grown significantly since the last time we looked at it. Unfortunately, we would not respond if the City bid out the property and casualty this year.

Thank you for reaching out and wishing you all the best of luck in your renewal this year. This market is one of the most challenging I have ever seen.

Hi Laura,

Thank you for reaching out. Due to the location of the risk, this would be a stretch for us with the current market conditions. Could you provide some of the details on your property to include TIV and premium to give me a little bit more information before I can make a final determination?

Thanks

Hey Jennifer,

Would Preferred Governmental Insurance Trust be interested in quoting/bidding a Property/Casualty package of Insurance for the City of Key West?

Thank You!
