RE: 821 Duval Street Conditional Use and Special Exception Request

Please do not allow this change of use. We live on the corner of Petronia and DuPont Lane, across the street from the parsonage. The church is the community center for our neighborhood.

Please help us preserve our neighborhood. It is where we live, eat, and try to sleep. We don't need another bar.

**Thank you,
Karl and Stephanie Walters**

Subject: wood works conversion

Judith H. Davidson
530 Dupont Lane
Key West, Florida 33040
gokeywest@comcast.net

Carlene,

Please do not allow the conversion of wood works to a bar and lounge. We are on overload for bars in this neighborhood, and this is a residential area as well as a business area. We also have no parking and people pull into our private drives. The church and the neighbors do not need any more problems with this or the noise which prevents our sleep and the use of our outside spaces.

Sincerely,
Judy Davidson
