SECTION 8. SIGNATURES; REGISTRATION. In the event that any officer whose signature, or a facsimile of whose signature, shall appear on any Bond shall cease to be such officer before the delivery of such Bonds, said signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be signed by, such person who,

at the actual time of the execution of such Bonds, shall be the proper officer to sign such Bonds although, at the date of said Bonds, such person may not have been such an officer.

Only such of the Bonds as shall have been endorsed thereon, a certificate of authentication substantially in the form hereinbelow set forth, duly executed by the Bond Registrar and Paying Agent, as authenticating agent, shall be entitled to any benefit or security under this Ordinance. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly and manually executed by the Bond Registrar and Paying Agent, and such certificate of the Bond Registrar and Paying Agent upon any such Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Ordinance. The certificate of authentication on any Bond shall be deemed to have been duly executed if signed by an authorized officer of the Bond Registrar and Paying Agent, but it shall not be necessary that the same officer sign the certificate of authentication of all of the Bonds that may be issued hereunder at any one time.

Any Bonds, upon surrender thereof at the principal corporate trust office of the Bond Registrar and Paying Agent, together with an assignment duly executed by the Bondholder or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar and Paying Agent, may, at the option of the Bondholder, be exchanged for an aggregate principal amount of Bonds equal to the designated amount of the Bond or Bonds so surrendered.

The Bond Registrar and Paying Agent shall make provision for the exchange of Bonds at the principal corporate trust office of the Bond Registrar and Paying Agent.

SECTION 9. NEGOTIABILITY, REGISTRATION AND TRANSFER OF BONDS. The Bond Registrar and Paying Agent shall keep books for the registration of transfers of Bonds as provided in this Ordinance. The transfer of any Bonds may be registered only upon such books and only upon surrender thereof to the Bond Registrar and Paying Agent together with an assignment duly executed by the Bondholder or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar and Paying Agent. Upon any such registration of transfer, the City shall execute, and the Bond Registrar and Paying Agent shall authenticate and deliver in exchange for such Bond, a new Bond or Bonds registered in the name of the transferee, and in an aggregate principal amount equal to the principal amount of such Bond or Bonds so surrendered.

In all cases in which Bonds shall be exchanged, the City shall execute, and the Bond Registrar and Paying Agent shall authenticate and deliver, at the earliest practicable time, Bonds in accordance with the provision of this Ordinance. All Bonds surrendered in any such exchange or registration of transfer shall forthwith be canceled by the Bond Registrar and Paying Agent. The City or the Bond Registrar and Paying Agent may make a charge for every such exchange or registration of transfer of Bonds sufficient to reimburse it for any tax or other governmental charge required to be paid with respect to such exchange or registration of transfer, but no other charge shall be made to any Bondholder for the privilege of exchanging or registering the transfer of Bonds under the provisions of this Ordinance. Neither the City nor the Bond Registrar and

Paying Agent shall be required to make any such exchange or registration of transfer of Bonds during fifteen (15) days immediately preceding any Bond Service Payment Date or, in the case of any proposed redemption of the Bonds then, for the Bonds called for redemption, during the fifteen (15) days preceding the date of the mailing of notice of such redemption and continuing until such redemption date.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or redemption price of any such Bond, and the interest on any such Bonds, shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond including the premium, if any, and interest thereon to the extent of the sum or sums so paid.

SECTION 10. BONDS MUTILATED, DESTROYED, STOLEN OR LOST. In case any Bond shall become mutilated, or be destroyed, stolen or lost, the City may, in its sole discretion, cause to be executed, and the Bond Registrar and Paying Agent shall authenticate and deliver, a new Bond of like date and tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder furnishing the City and the Bond Registrar and Paying Agent proof of his ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the City and the Bond Registrar and Paying Agent may prescribe and paying such expenses as the City and the Bond Registrar and Paying Agent may incur. All Bonds so surrendered shall be canceled by the City. If any of the Bonds shall have matured or be about to mature, instead of issuing a substitute Bond, the City may pay the same, upon being indemnified as aforesaid, and if such Bond is lost, stolen or destroyed, without surrender thereof.

SECTION 11. REDEMPTION PROVISIONS. The terms of this Section 11 shall apply to redemption of the Bonds.

(A) Prior Redemption. The Bonds may be subject to redemption prior to their maturity as shall be fixed by supplemental resolution of the City Council before the Bonds are delivered to the purchasers.

(B) Selection of the Bonds to be Redeemed. The Bonds shall be redeemed only in the principal amount of \$5,000 each and integral multiples thereof. The Issuer shall, at least sixty (60) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar) notify the Bond Registrar of such redemption date and of the principal amount of the Bonds to be redeemed. For purposes of any redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions of the Bonds to be redeemed shall be selected not more than forty-five (45) days prior to the redemption date by the Bond Registrar from the outstanding Bonds of the maturity or maturities designated by the Issuer by such method as the Bond Registrar shall deem fair and appropriate and which may provide for the selection for

redemption of the Bonds or portions of the Bonds in the principal amounts of \$5,000 and integral multiples thereof.

If less than all of the outstanding Bonds of a single maturity are to be redeemed, the Bond Registrar shall promptly notify the Issuer and Paying Agent (if the Bond Registrar is not the Paying Agent for such Bonds) in writing of the Bonds or portions of the Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

(C) Notice of Redemption. Notice of such redemption shall, at least thirty (30) days prior to the redemption date, be filed with the Bond Registrar, and mailed by the Bond Registrar on behalf of the Issuer, first class mail, postage prepaid, to all Holders of Bonds to be redeemed at their addresses as they appear on the registration books hereinbefore provided for on the Record Date, but failure to mail such notice to one or more Holders of Bonds, or any defect therein, shall not affect the validity of the proceedings for such redemption with respect to Holders of Bonds to which notice was duly mailed hereunder and no defect occurred.

Any notice of optional redemption given pursuant to this Section may state that it is conditional upon receipt by the Paying Agent of moneys sufficient to pay the redemption price, plus interest accrued to the redemption date, or upon the satisfaction of any other condition, or that it may be revoked upon the occurrence of any other event, and any conditional notice so given may be revoked at any time before payment of such redemption price and accrued interest if any such condition so specified is not satisfied or if any such other event occurs. Notice of such revocation shall be given by the Paying Agent to affected Holders of Bonds as promptly as practicable upon the failure of such condition or the occurrence of such other event.

So long as the Bonds are registered in the name of Cede & Co., as nominee of DTC (or in the name of any successor securities depository), notices of redemption and notices of revocation of redemption notices shall only be given on behalf of the Issuer to Cede & Co., or any such successor securities depository.

(D) Effect of Notice of Redemption; Payment. Notice having been given in the manner and under the conditions provided under this Section 11, subject to the right of revocation as heretofore described, the Bonds or portions of the Bonds so called for redemption shall, on the redemption date designated in such notice, become and be due and payable at the redemption price provided for redemption of such Bonds or portions of the Bonds on such date. On the date so designated for redemption, moneys for payment of the redemption price being held in separate accounts by the Paying Agent in trust for the registered owners of the Bonds or portions of the Bonds to be redeemed, interest on the Bonds or portions of the Bonds so called for redemption shall cease to accrue, such Bonds and portions of the Bonds shall cease to be entitled to any lien, benefit or security under this Ordinance, and the registered owners of such Bonds or portions of the Bonds shall have no right in respect thereof except to receive payment of the redemption price thereof and to receive the Bonds for any unredeemed portions of such Bonds. All Bonds which have been redeemed shall be canceled by the Bond Registrar and shall not be reissued.

(E) Redemption of Portions of the Bonds. Any Bond which is to be redeemed only in part shall be surrendered at any place of payment specified in the notice of redemption (with due endorsement by, or written instrument of transfer in form satisfactory to, the Bond Registrar duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing) and the Issuer shall execute and the Bond Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds, of the same interest rate and maturity, and of any authorized denomination as requested by the Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bonds so surrendered.

SECTION 12. FORM OF BONDS. The Bonds shall be in substantially the following form, with such omissions, insertions and variations as may be necessary and desirable and authorized or permitted in this Ordinance or in any supplemental resolution of the City Commission adopted prior to the issuance thereof:

[Form of Fully Registered Bond]

Unless this certificate is presented by an authorized representative of The Depository Trust Company to the City or its agent for registration of transfer, exchange or payment, and any certificate issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL since the registered owner hereof, Cede & Co., has an interest herein.

The designation and establishment of the various funds and accounts in and by this Ordinance shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

(C) Books and Records. Books and records of the City shall be kept in which complete and correct entries shall be made, in accordance with generally accepted accounting principles.

At least once a year, on or before June 30 of the year following the close of each fiscal year, the books, records and accounts of the City shall be properly audited by an independent firm of certified public accountants. The results of such audit shall be mailed, upon request, and made available, at all reasonable times, to any Holder or Holders of Bonds or anyone acting for and on behalf of the Holders of such Bonds; provided, however, that any such costs shall be borne by such Holder or Holders as the case may be.

SECTION 18. DEFEASANCE. If, at any time, the City shall have paid, or shall have made provision for payment of, the principal, interest, and redemption premiums, if any, with respect to any Bonds, then, and in that event, the pledge of and lien on the funds pledged in favor of the Holders of such Bonds shall be no longer in effect. For purposes of the preceding sentence, deposit of sufficient cash and/or Federal Securities in irrevocable trust with a banking institution or trust company, for the sole benefit of the Bondholders in respect to which such Federal Securities, the principal and interest received will be sufficient to make timely payment of the principal, interest and redemption premiums, if any, on the outstanding Bonds, shall be considered "provision for payment." Nothing herein shall be deemed to require the City to call any of the outstanding Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, if applicable, or to impair the discretion of the City in determining whether to exercise any such option for early redemption, if applicable.

SECTION 19. DEFAULTS; EVENTS OF DEFAULT AND REMEDIES. Except as provided below, if any of the following events occur, it is hereby defined as and declared to be and to constitute an "Event of Default:"

(A) Default in the due and punctual payment of any interest on the Bonds;

(B) Default in the due and punctual payment of the principal of and premium, if any, on any Bond, at the stated maturity thereof, or upon proceedings for redemption thereof, if applicable;

(C) Default in the performance or observance of any other of the covenants, agreements or conditions on the part of the City contained in this Ordinance or in the Bonds and the continuance thereof for a period of thirty (30) days after written notice to the City given by the Holders of not less than twenty-five percent (25%) of aggregate principal amount of Bonds then outstanding (provided, however, that with respect to any obligation, covenant, agreement or condition which requires performance by a date certain, if the City performs such obligation, covenant, agreement or condition within thirty (30) days of written notice as provided above, the default shall be deemed to be cured);

(D) Failure by the City promptly to remove any execution, garnishment or attachment of such consequence as will materially impair its ability to carry out its obligations hereunder; or

(E) Any act of bankruptcy or the rearrangement, adjustment or readjustment of the obligations of the City under the provisions of any bankruptcy or moratorium laws or similar laws relating to or affecting creditors' rights.

The term "default" shall mean default by the City in the performance or observance of any of the covenants, agreements or conditions on its part contained in this Ordinance, any supplemental resolution or in the Bonds, exclusive of any period of grace required to constitute a default or an "Event of Default" as hereinabove provided.

Any Holder of Bonds issued under the provisions hereof or any trustee acting for the Holders of such Bonds may, either at law or in equity, by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights, including the right to the appointment of a receiver, existing under state or federal law, or granted and contained herein, and may enforce and compel the performance of all duties required herein or by any applicable law to be performed by the City or by any officer thereof.

The foregoing notwithstanding:

(i) No remedy conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy, but each remedy shall be cumulative and shall be in addition to any other remedy given to the Bondholders hereunder.

(ii) No delay or omission to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised as often as may be deemed expedient.

(iii) No waiver of any default or Event of Default hereunder by the Bondholders shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereon.

(iv) Acceleration of the payment of principal of and interest on the Bonds shall not be a remedy hereunder in the case of an Event of Default.

Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Bondholders under this Ordinance, the Bondholders shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the City and the funds pending such proceedings, with such powers as the court making such appointment shall confer.

On the occurrence of an Event of Default, to the extent such rights may then lawfully be waived, neither the City nor anyone claiming through or under it, shall set up, claim or seek to take advantage of any stay, extension or redemption laws now or hereafter in force, in order to

prevent or hinder the enforcement of this Ordinance, and the City, for itself and all who may claim through or under it, hereby waives, to the extent it may lawfully do so, the benefit of all such laws and all right of redemption to which it may be entitled.

SECTION 20. MODIFICATION OR AMENDMENT. No material modification or amendment of this Ordinance or of any ordinance or resolution amendatory thereof or supplemental thereto may be made without the consent in writing of the Holders of fifty-one percent (51%) or more in principal amount of the Bonds then outstanding; provided, however, that no modification or amendment shall permit a change in the maturity of such Bonds or a reduction in the rate of interest thereon, or in the amount of the principal obligation, or affecting the unconditional promise of the City to levy taxes, in the manner and to the extent provided herein, or to pay the principal of and interest on the Bonds, as the same shall become due, from the sources herein provided, or reduce such percentage of Holders of such Bonds required above for such modifications or amendments without the consent of all the Holders of the Bonds to be affected.

SECTION 21. ARBITRAGE. No use will be made of the proceeds of the Bonds which will cause the same to be "arbitrage bonds" within the meaning of the Code. The City, at all times while the Bonds and the interest thereon are outstanding, will comply with the requirements of Section 103(c) of the Code and applicable rules and regulations of the Internal Revenue Service.

SECTION 22. TAX COVENANT. With respect to any Bonds for which the City intends on the date of issuance thereof for the interest thereon to be excluded from gross income for purposes of federal income taxation:

(A) The City shall not use or permit the use of any proceeds of the Bonds or any other funds of the City, directly or indirectly, to acquire any securities or obligations, and shall not use or permit the use of any amounts received by the City with respect to the Bonds in any manner, and shall not take or permit to be taken any other action or actions, which would cause any such Bonds to be a "private activity bond" within the meaning of Section 141 or an "arbitrage bond" within the meaning of Section 148, or "federally guaranteed" within the meaning of Section 149(b), of the Code, or otherwise cause interest on such Bonds to become subject to federal income taxation.

(B) The City shall, at all times, do and perform all acts and things permitted by law and this Ordinance which are necessary or desirable in order to ensure that interest paid on such Bonds will be excluded from gross income for purposes of federal income taxes and shall take no action that would result in such interest not being so excluded.

(C) The City shall pay or cause to be paid to the United States Government any amounts required by Section 148(f) of the Code and the regulations thereunder (the "Regulations"). In order to ensure compliance with the rebate provisions of Section 148(f) of the Code with respect to any Bonds for which the City intends on the date of issuance thereof to be excluded from gross income for purposes of federal income taxation, the City hereby creates the

"City of Key West, Florida General Obligation Bonds, Series 2025 (Public Safety) Rebate Fund" (the "Rebate Fund") to be held by the City. The Rebate Fund need not be maintained so long as the City timely satisfies its obligation to pay any rebatable earnings to the United States Treasury; however, the City may, as an administrative convenience, maintain and deposit funds in the Rebate Fund from time to time. Moneys in the Rebate Fund (including earnings and deposits therein) shall be held for future payment to the United States Government as required by the Regulations and as set forth in instructions of Bond Counsel delivered to the City upon issuance of such Bonds. Moneys on deposit in the Rebate Fund may be invested in Permitted Investments.

SECTION 23. BOOK-ENTRY ONLY SYSTEM. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or redemption price, if applicable, of any such Bond, and the interest on any such Bonds shall be made only to or upon the order of the registered owner thereto or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond including the premium, if any, and interest thereon to the extent of the sum or sums so paid.

The Issuer has previously executed a blanket letter of representation (the "Letter of Representation") with The Depository Trust Company ("DTC"). It is intended that the Bonds be registered so as to participate in a global book-entry system with DTC as set forth herein and in such Letter of Representation. The Bonds shall be initially issued in the form of a single fully registered Bond of each maturity. Upon initial issuance, the ownership of such Bonds shall be registered by the Bond Registrar and Paying Agent in the name of Cede & Co., as nominee for DTC (including any successor nominee of DTC with respect to the Bonds, "Cede & Co."). With respect to Bonds registered by the Bond Registrar and Paying Agent in the name of Cede & Co., as nominee of DTC, the Issuer and the Bond Registrar and Paying Agent shall have no responsibility or obligation to any broker dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a "Depository Participant") or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds (each such person being herein referred to as an "Indirect Participant"). Without limiting the immediately preceding sentence, the Issuer and the Bond Registrar and Paying Agent shall have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co., or any Depository Participant with respect to the ownership interest in the Bonds, (b) the delivery to any Depository Participant or any Indirect Participant or any other person, other than a registered owner of a Bond as shown in the Bond register, of any notice with respect to the Bonds, including any notice of redemption, if applicable, or (c) the payment to any Depository Participant or Indirect Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of, premium, if any, or interest on, if applicable, the Bonds. No person other than a registered owner of a Bond as shown in the Bond register shall receive a Bond certificate with respect to any Bond. Upon delivery by DTC to the Bond Registrar and Paying Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions hereof with respect to the payment of interest by the mailing of checks or drafts to the registered owners of Bonds appearing as

registered owners in the registration books maintained by the Bond Registrar and Paying Agent at the close of business on a Regular Record Date, the name "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

In the event that (a) the Issuer determines that DTC is incapable of discharging its responsibilities described herein and in the Letter of Representation, (b) the agreement among the Issuer, the Bond Registrar and Paying Agent and DTC evidenced by the Letter of Representation shall be terminated for any reason or (c) the Issuer determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall notify DTC of the availability through DTC of Bond certificates and the Bonds shall no longer be restricted to being registered in the Bond register in the name of Cede & Co., as nominee of DTC, but only in accordance with the Letter of Representation between the Issuer and DTC. At that time, the Issuer may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a universal book entry system, as may be acceptable to the Issuer, or such depository's agent or designee, and if the Issuer does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or changing Bonds designate, in accordance with the provisions hereof. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on, if applicable, such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Letter of Representation.

As long as any Bonds are outstanding in book-entry form, the provisions of this Ordinance inconsistent with such system of book entry registration shall not be applicable to such Bonds, and the Issuer covenants to cause adequate records to be kept with respect to the ownership of any Bonds issued in book-entry form or the beneficial ownership of Bonds issued in the name of a nominee.

SECTION 24. PRELIMINARY OFFICIAL STATEMENT. The preparation and distribution of a Preliminary Official Statement relating to the Bonds is hereby approved and authorized, as is the use thereof in connection with the sale of the Bonds. The form of such Preliminary Official Statement will be approved by supplemental resolution of the City Commission. The distribution of the final Official Statement relating to the Bonds (as it may be amended and supplemented from time to time, the "Official Statement") is hereby authorized, and the execution of such Official Statement by the City Manager and the Finance Director is hereby authorized. The Finance Director of the City is hereby authorized to execute and deliver a certificate of the City which deems such Preliminary Official Statement "final" within the contemplation of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule").

SECTION 25. CONTINUING DISCLOSURE. The City hereby covenants and agrees that, in order to assist the original purchaser in complying with the continuing disclosure requirements of the Rule with respect to the Bonds, it will comply with and carry out all of the provisions of a continuing disclosure certificate to be executed by the City prior to the time the City delivers the

Bonds to the underwriters, as it may be amended from time to time in accordance with the terms thereof (the "Continuing Disclosure Certificate"). The form of such agreement will be approved by supplemental resolution of the City Commission. Notwithstanding any other provision of this Ordinance, failure of the City to comply with such agreement shall not be considered an Event of Default hereunder. However, the agreement shall be enforceable by the Bondholders in the event that the City fails to cure a breach thereunder within a reasonable time after written notice from a Bondholder to the City that a breach exists. Any rights of the Bondholders to enforce the provisions of the covenant shall be on behalf of all Bondholders and shall be limited to a right to obtain specific performance of the City's obligations thereunder.

SECTION 26. APPOINTMENT OF BOND REGISTRAR AND PAYING AGENT. The Bond Registrar and Paying Agent will be appointed by supplemental resolution of the City Commission. The form of an agreement between the Bond Registrar and Paying Agent and the City will be approved by supplemental resolution of the City Commission.

SECTION 27. AUTHORIZATIONS. The members of the City Commission of the City and the City's officers, attorneys and other agents and employees, including but not limited to the City Manager, the Finance Director, the Clerk, and the City Attorney, are hereby authorized to perform all acts and things required of them by this Ordinance or desirable or consistent with the requirements hereof for the full, punctual and complete performance of all of the terms, covenants and agreements contained in the Bonds and this Ordinance, and they are hereby authorized to execute and deliver all documents which shall be required by Bond Counsel or the initial purchasers of the Bonds to effectuate the sale of the Bonds to said initial purchasers.

SECTION 28. NO THIRD PARTY BENEFICIARIES. Except as may be expressly described herein or in a supplemental resolution of the City Commission, nothing in this Ordinance, or in the Bonds, expressed or implied, is intended or shall be construed to confer upon anyone of another entity other than the City and the Holders any right, remedy or claim, legal or equitable, under and by reason of this Ordinance or any provision hereof, or of the Bonds, all provisions hereof and thereof being intended to be and being for the sole and exclusive benefit of the City and the Holders from time to time.

SECTION 29. NO PERSONAL LIABILITY. Neither the members of the City Commission of the City, any employees of the City, nor any person executing the Bonds shall be personally liable therefor or be subject to any personal liability or accountability by reason of the issuance thereof.

SECTION 30. REPEAL OF INCONSISTENT INSTRUMENTS. All ordinances, resolutions, or parts thereof, in conflict herewith are hereby repealed to the extent of such conflict

SECTION 31. VALIDATION PROCEEDING. Bond Counsel, together with the City Attorney, is hereby authorized and directed to institute appropriate proceedings in the circuit court, for validation of the Bonds pursuant to Chapter 75, Florida Statutes, and the proper officers of the City are hereby authorized to verify on behalf of the City the pleadings in such proceedings.

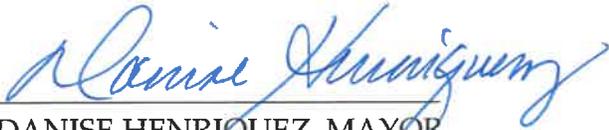

SECTION 32. EFFECTIVE DATE. This Ordinance shall go into effect immediately upon its passage and enactment and authentication by the signatures of the presiding officer and the City Clerk of the City Commission.

MEMORANDUM

Date: January 7, 2025 City Commission meeting

To: The City Commission for the City of Key West

From: Christopher Roe, Esq. City's Bond Counsel

Via: Ron Ramsingh, City Attorney

Subject: Bond Ordinances related to General Obligation Bonds to finance capital improvements for (i) Parks and Recreation, (ii) Transportation, (iii) Police and Fire, and (iv) Adaptation

Sponsors: Ron Ramsingh, City Attorney

Background

General obligation (GO) bonds are secured by the levy of an annual ad valorem tax which is dedicated and set aside solely for payment of the principal and interest due on the bonds each year. The ad valorem tax imposed to repay GO bonds is in addition to general operating millage. Referendum approval is required for the issuance of GO bonds by state law and the City Charter.

On July 24, 2024, the City Commission adopted the following ordinances providing for referenda to determine whether the electors of the City of Key West approved the issuance of general obligations bonds to finance four categories of capital improvements: Ordinance No. 24-15 (Parks and Recreation), Ordinance No. 24-16 (Transportation), Ordinance No. 24-17 (Police and Fire), and Ordinance No. 2014-18 (Adaptation) (such ordinances are collectively referred to herein as the "Referenda Ordinances"). The Referenda Ordinances approved the respective ballot questions to be presented to the electors in each referendum and scheduled the referenda for November 5, 2024, to be held in conjunction with the general election.

The referenda were held as scheduled by the Supervisor of Elections and issuance of the general obligations for each category of capital improvements was approved by the City electors as follows. Parks and Recreation, 57%; Transportation, 63%; Police and Fire, 60%; and Adaptation, 69%.

The ordinances presented for consideration on January 7, 2025 (the "Bond Ordinances") are the next step toward issuing the elector-approved general obligation bonds. The Bond Ordinances authorize issuance of the GO bonds, in one or more series, in amounts not to exceed those approved by the Referenda Ordinances and respective ballot questions. They also specify other parameters regarding the bonds and their repayment over time, and provide that the details, terms and conditions of each series of bonds shall be set forth in supplemental resolutions to be adopted by the City Commission in the future. By issuing bonds in separate series, the City is not required to issue the full amount of bonds all at once but may instead issue an initial series to finance initial projects or improvements, then issue additional series later to finance more projects or improvements, subject to the limitation that the total amount of bonds issued in a given improvement category may not exceed the aggregate principal amount for such category approved by the electors at the referenda. The ordinances do not obligate the City Commission to issue bonds in any set amount, and no bonds will be issued without additional City Commission approval by supplemental resolution.

The Bond Ordinances also authorize and direct the City's Bond Counsel, together with the City Attorney, to commence bond validation proceedings. Bond validation is a legal procedure by which a city can seek judicial confirmation of its authority to incur a debt obligation before the bonds are issued. Once the court confirms and validates the bonds, all questions concerning city authority to issue the bonds, the source of revenue pledged to repayment, and the authorizing referendum are resolved with finality, thereby precluding future legal challenges and making the bonds more marketable. Bond validation typically takes between 60 and 120 days to complete following filing of the validation complaint, depending on the court calendaring system. While the bond validation is pending, other steps associated with issuing the bonds can occur. Such steps may include commencing the process for selecting the underwriter(s) and preparing disclosure materials required for public offering of the bonds. Bond Counsel and the City Attorney will initiate the bond validation by filing the complaint following second reading and adoption of the Bond Ordinances.

City Ordinance No. 24-26 took effect on October 11, 2024 and created Section 2-801 in the City Code of Ordinances. Such section requires that any expenditure of funds available from a general obligation bond requires a supermajority vote of the City Commission prior to expenditure, and defines supermajority vote to mean a minimum of a simple majority plus one vote of the quorum present. The Bonds Ordinances therefore require supermajority approval for enactment pursuant to Section 2-801 of the City Code.

Cost

As noted above, no bonds will be issued and therefore no debt incurred until additional steps are completed, including completion of bond validation and thereafter presentation of supplemental resolutions to the City Commission for approval. Costs and expenses associated with the issuance of general obligation bonds, including bond validation, may be paid by the City (or reimbursed to the City) through proceeds of the bonds.

Options:

1. PASS the proposed ordinances which would commence the next steps associated with issuing the general obligation bonds, including bond validation.
2. DENY the proposed ordinance.

Recommendation:

Pass the proposed ordinances.
