My name is Keith Roberts I'm the owner of the endless Summer Grill in Key West. I wanted to send this letter endorsing the management of the Key West Amphitheater. I've been doing all their events now for several years and I have thoroughly enjoyed it especially working with Bill and Kelly And the rest of the staff I can't imagine the Amplitheater without them there! I've been in my own business, all my life, and can appreciate good management! The Amplitheater, along with them is definitely an asset to Key West! They do a great job in organizing and promoting these events there. they are great people to work with and I have enjoyed a personal as well as a business relationship with them. I would like to see everything remain the way it is for years to come! Thank you for your time and reading this Keith Roberts.
