Your Enquiry: Key West – Thermal Mass Flow Meters
Proposal No.: 210802
Date: 8/02/2021

Dear Ian,

Thank you very much for your inquiry. We are pleased to offer you the following item according to our General Terms and Conditions of Sales.

Scope of delivery:

| Pos.: | Qty: | Description: | Total Price |
|-------|------|--|--------------------|
| 1 | 4 | VACOMASS® Thermal Mass Flow Meters, AL-LED with display and 4-20 mA <ul style="list-style-type: none"> • Thermal dispersion measuring principle, pressure- and • temperature compensated (according to DIN 1343) • Robust stainless steel-/ceramic sensors made of solid material • Housing: aluminum, epoxy coated, IP68 • Accuracy class: Standard Calibration level: 1 (sufficient straight inlet- and outlet pipe run according to DIN ISO 5167-1) • Measurement accuracy (Lab): Standard - better than 2.5% of reading ± 0.2 % of full-scale • Repeatability: better than 0.15% (electronics) • Data transfer: 1 Analog output 4-20 mA • 1 Digital output – impulse – counter • With LED-display to display the current flow rate and summarized air flow | \$15,680 |
| 2 | 4 | VACOMASS® hot tap incretion unit OEIN-F with flange connection, fixed insertion depth and sensor orientation, completely with SS ball valve To be ordered with plumbing | \$4,400 |
| 3 | 1 | Shipping: Estimated sea freight (DDP) for the above-proposed products to Sister Grove RWRRF, TX including packing, custom duties, import duties, not incl. taxes) (items will be shipped with the valves) | \$500 |

Delivery time: 12 - 14 weeks after technical clarification or as agreed

Attachment: Technical Details of the components
