REF: Key West City Code
Transferability of Mobile Vendor's License
Sec 18-325

Attention: Mr. Jim Scholl, Key West City Manager

I am writing you today pursuant to Key West Code Sec 18-235 in the hope that you may grant me permission to legally transfer my Mobile Vendor License. I had obtained my license # 11-00020995 at auction on 10/22/10. Since holding my license, I have complied with all city codes and requirements as they pertain to MVL holders, including paying all required annual fees.

Although it was my intention to actively use my vendor's license on the streets of Key West, recent development of painful varicose veins in my legs as well as eye condition known as macular degeneration have forced me to reconsider.

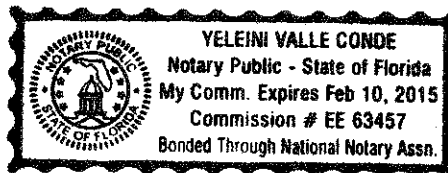

I would like to ask your permission to transfer my license to my daughter, Natasha Matarazzo, a long time resident of Key West. I have spoke with her at length regarding her intentions and plans for the license. I am confident that she will operate the license in a prudent and useful way and in accordance with the City of Key West in its intentions when creating the 25 MVLs.

I very much appreciate your time and consideration regarding this matter. Please contact me should you have any further questions or concerns. Thank you again.
