Subject: Price Quote
Attachments: Master Equipment List-a.xlsx

To whom it may concern,

I got your contact information from the Authorized reseller for the WSCA contract for Shoretel. I am attaching part number that we have received from shoretel that will meet our needs. Can you please provide me a price quote based on the attached? Time is critical for us, as we need to get everything together no later than Tuesday of next week at the latest.

Thank you,

Dave Monroe
