Subject: **24-5927 June 2024 Employee Service Awards**

Introduction

City Manager and Department Head recognition of employees' years of service at monthly City Commission meetings.

Background

Studies show that organizations providing special recognition of service anniversaries experience increase employee morale, engagement, productivity, and commitment. In recognition of dedicated service, full time employees receive awards for their years of service beginning in their fifth year of employment and at each 5-year interval.

Each month Human Resources will provide a list of recipients celebrating milestones and send an invitation to the employee and department head to attend the Commission meeting. Presentations will be made to employees during the morning session of the City Commission meeting. In June 2023, the City Manager tasked the Human Resource Director to update the current Service Award Program.

Procurement

Employee Service Awards funding is secured in Human Resources funding (0011302 5134800).
