Subject: 617 mickens Ln

Hi my name is Patricia Bliss, my husband is Jack Zurheide, we have two beautiful daughters, Gabriela, 8 and Alejandra, 6. We also owned 616 Mickens Ln. We have three dogs, Mickens, Malibu and Madrid. We first got our home in Mickens Ln. back in 1999, around the same same time that Sam and Dominic did. They now have Harry, an amazing four year old boy. Their house was always small, even for two people, a lot of back yard space but couldn't nothing with. Now they have a child and room is needed, they always have complied with everything, their home is beautiful in the inside. We need you to allow this family to have their home please, this is a very important Lane and they need to be here to do it.

Sincerely

Jack, Patricia, Mercedes, Mickens, Malibu, Madrid, Gabriela, Alejandra, 616 Mickens L.n
