

KeysStrong.org (www.KeysStrong.org) has been established through a collaboration of leading Florida Keys civic organizations and charities along with Samuel's House, the Celebration of the Sea Foundation and Entercom Communications. The purpose of the **KeysStrong.org** is to raise money along with critically needed goods, services and labor which are donated **100% DIRECTLY** to support the families and communities in the Florida Keys who have been devastated by Hurricane Irma. All donations are tax deductible. **KeysStrong.org** additionally coordinates volunteers and organizations who want to personally support the efforts now underway to directly assist families and rebuild the Keys communities.

Not-For-Profit 501(c)(3)

KeysStrong.org is managed by **Samuel's House, Inc.** (www.SamuelsHouse.org) which since 1999 has continued to proudly serve as one of Monroe County's leading community service and housing providers delivering a wide range of critically important support for children and families. Samuel's House continues to work tirelessly each and every day to serve the Monroe County community and as a result knows specifically which needs are most critical for our fellow citizens and families. Samuel's House is an active member of the **Monroe County Homeless Services Continuum of Care** and is the recipient of funding from the **US Department of Housing and Urban Development**, the **Florida Department of Children and Families**, the **Monroe County Sheriff's Department**, the **Monroe County Board of County Commissioners**, the **Klaus Murphy Foundation**, other family and private foundations as well as numerous businesses and individuals whose generous support continues to make it possible for these critically important services to directly assist children and families in need throughout Monroe County every day.
