2.6 METHOD OF AWARD

The City will open all submittals received prior to the stated deadline in a public forum and will announce the name of the Proposers. In order to be deemed responsive the proposals must meet or exceed the minimum requirements established in Section 2.2 and contain all required forms listed and provided in Section 4 of this solicitation. The City of Key West shall be the sole judge in determining Proposer's qualifications.

The City anticipates awarding a single contract but reserves the right to award multiple contracts if it is determined to be in the best interest of the City.

The Proposer understands that this RFP does not constitute an offer or a contract with the City. A contract shall not be deemed to exist and is not binding until proposals are reviewed and accepted by appointed staff, the best proposal has been identified, negotiations with the Proposers have been authorized by the appropriate level of authority within the City, and an agreement has been executed by both parties and approved by the appropriate level of authority within the City.

The City reserves the right, at its sole discretion, to inspect any or all of the Proposer's facilities to assess their ability to meet the contract requirements. Additionally, factors such as the Proposer's responsibility, responsiveness, financial stability, experience, staffing, equipment, materials, references, and past leasing history with the City or other state and local government agencies in Florida, or comparable private entities, will be considered during the evaluation and award process for the Agreement.

In the event the parties are unable to negotiate terms acceptable to the City, the City may determine to accept the offer of the next highest ranked Proposer determined by the Selection Committee, or it may re-solicit.

The City reserves the right to reject all proposals, to waive non-material, technical variances, or infirmities in the proposal, to abandon the project or to solicit and re-advertise for other proposals.

The City may, in its discretion, waive any informalities and irregularities contained in a proposal or in the manner of its submittal and award a contract thereafter.

The City's Selection Committee will evaluate proposals and will select the Proposer/proposal which meets the best interests of the City. The City shall be the sole judge of its own best interests, the proposals, and the resulting negotiated agreement. The City's decisions will be final.

The Evaluation Process aims to assess the proposals submitted in response to this Request for Proposal and identify the most advantageous Proposer/proposal, designated as the highest-ranked firm or individual (No. 1). Each proposal will be evaluated by the Selection Committee members following the procedures outlined in this document.

PHASE I – EVALUATION

In a publicly noticed meeting, a Selection Committee, appointed by the City Manager or designee, will meet to evaluate all responsive submittals received in accordance with the requirements set forth in the solicitation. The City may request additional information of a clarifying nature if deemed necessary for this evaluation. Additional information may be requested via written submissions or oral presentations to the Selection Committee to allow each Proposer an opportunity to provide the Selection Committee with additional insight regarding their proposal and that of the qualifications of the firm/individual.

Each Selection Committee member shall evaluate and award points in accordance with the Scoring Criteria specified for each of the Categories listed below. The points awarded for each Category will be totaled, ranked, and tabulated to determine the top ranked Proposer to provide the City Commission. Should the number of Proposers exceed three (3), the Selection Committee will provide the City Commission with a ranking of the "shortlisted" firms/individuals.

PHASE II – SELECTION

The Selection Committee will submit their tabulated scores and Proposer's ranking to the City Commission for their consideration to award the contract. The City Commission may accept the ranking recommendations of the Selection Committee and may request firms to give a presentation and/or answer questions, amend rankings, or reject all proposals. The City Commission will make the final selection. The City shall not be responsible for any costs of preparation or costs incurred in relation to any opportunities for an interview.

Subject to approval by the City Commission, a contract may be awarded to one or more Proposer deemed the most responsible and responsive, based on the selection criteria. Any award will be contingent upon the execution of a contract, which must be in a form and substance approved by the City Attorney. The City of Key West reserves the right to reject proposals from vendors currently involved in litigation with the City or those with a history of prior lawsuits against the City.

SECTION 3

SCOPE OF SERVICES

3.1 BACKGROUND/HISTORY OF THE SITE

Key West is an island city measuring approximately 4 miles in length and 1.5 miles in width. Located at the southernmost point of U.S. Highway 1, it is situated 153 miles southwest of Miami, Florida, and 93 miles northwest of Havana, Cuba. Key West serves as the county seat of Monroe County and encompasses the entire island, along with a portion of neighboring Stock Island to the northeast. The city's economy is primarily driven by tourism and commercial/charter boat fishing. A significant portion of the workforce is employed in the service industry, along with positions in government agencies and schools.

The City's estimated permanent population in 2023 was 25,000. In addition to its residents, Key West is a world-renowned tourist destination and a favored location for second homes. On any given day, the total population in Key West—including permanent residents, seasonal residents, the maritime population, overnight tourists, day-trippers, cruise ship visitors, commuters, and shoppers—is estimated to exceed 50,000. This number can surge significantly during major events such as Fantasy Fest or New Year's Eve.

Mallory Square

Mallory Square is the most iconic waterfront public space in Key West, where visitors and locals gather for Sunset Celebration, the evening hours with performers, artists, and food make the square a one-of-a-kind vibrant experience for all. Located in the northwest end of the island, the square is surrounded by significant and outstanding buildings that narrate the history of the mercantile and maritime activities that once drove the island's economy. No other waterfront space on the island still retains as many historic buildings within its adjacent surroundings.

The square as it is conformed today dates to 1881, when three plotted lots were combined to establish a working private port developed by Asa F. Tift. Before the three lots were used to store and sell shipwrecked salvage artifacts. By 1906 the port was sold to the Mallory Steamship Company, presided over by Henry Rogers Mallory, a third-generation shipbuilding and freight transportation entrepreneur. With the construction of the Florida East Coast Railway by Henry Morison Flagler, Key West consolidated its operations as a major port due to its geographical location.

Through the years Key West became an active freight and passenger port that connected New York City, Boston, Galveston, and Philadelphia to Havana, Cuba. In 1932 the Mallory family sold the property to The Clyde Steamship Company. In the next twenty years, the wharf and its buildings were sold to two different companies, the last one being the Gulf Atlantic Transportation Company. On August 30, 1952, the City of Key West purchased the property and on February 16, 1962, the city held a formal dedication of Mallory Square.

402 Wall Street; Ship's Chandlery

This warehouse structure is the oldest remaining commercial building in the City of Key West, built by Amos C. Tift and Co. between 1837-1841 as a ship's chandlery. The building is one of three adjacent structures that include an icehouse to the south and a large cistern to the west. The warehouse was constructed of 1'- 7" thick, rough dressed load-bearing limestone rubble walls which were parged with a cementitious coating. Metal tie-rods, required to resist lateral thrust remain evident at the tops of the masonry walls. Original arched door openings on the north and east side were closed with heavy timber doors and shutters with iron strap hinges, as were two smaller openings on the north side. These openings were infilled with modern windows as part of the 1962 renovation campaign. There is photographic evidence (ca1880) that the original hip-roof was constructed of timber framing members with wood plank roofing. The structure was severely damaged in the fire of 1886 and was reconstructed on the original walls in 1889. In 1962 it was fully remodeled for use by the Key West Chamber of Commerce. All existing partitions, ceilings, wiring and plumbing were done at that time. While no original drawings have been found of the ship's chandlery, the building was documented by the Historic American Building Survey in 1967. Documents are held in the Library of Congress under the title HABS FLA 44-KEY, Tift & Company, Ships Chandlery & Icehouse, Mallory Square, Key West, Monroe County, FL.

MINIMUM INSURANCE REQUIREMENTS

INSURANCE REQUIREMENTS

1.0 GENERAL INSURANCE REQUIREMENTS:

- 1.01 During the Term of the Agreement, Proposer shall provide, pay for, and maintain with insurance companies satisfactory to the City of Key West, Florida ("City"), the types of insurance described herein.
- 1.02 All insurance shall be from responsible insurance companies eligible to do business in the State of Florida. The required policies of insurance shall be performable in Monroe County, Florida, and shall be construed in accordance with the laws of the State of Florida.
- 1.03 The City shall be specifically included as an additional insured on Proposer's Liability policies with the exception of Proposer's Professional Liability policies (if required) and shall also provide the "Severability of Interest" provision (a/k/a "Separation of Insured's" provision). The City's additional insured status should be extended to all Completed Operations coverages.
- 1.04 Proposer shall deliver to the City, prior to commencing work/activities under the Agreement, properly executed "Certificate(s) of Insurance" setting forth the insurance coverage and limits required herein. The Certificates must be signed by the authorized representative of the insurance company(s) shown on the Certificate of Insurance. In addition, certified, true, and exact copies of the insurance policies required herein shall be provided to the City, on a timely basis, if requested by the City.
- 1.05 If Proposer fails to provide or maintain the insurance coverages required in this Agreement at any time during the Term of the Agreement and if Proposer refuses or otherwise neglects to deliver the required Certificate(s) of Insurance signed by the authorized representative of the insurance company(s) to the City, the City may, at the City's sole discretion, terminate or suspend this Agreement and seize the amount of Contractor's performance bond, letter of credit, or other security acceptable to the City.
- 1.06 Proposer shall take immediate steps to make up any impairment to any Aggregate Policy Limit upon notification of the impairment. If at any time the City requests a written statement from the insurance company(s) as to any impairment to the Aggregate Limit, Proposer shall promptly authorize and have delivered such statement to the City.
- 1.07 Proposer authorizes the City and/or its insurance Proposer to confirm all information furnished to the City, as to its compliance with its Bonds and Insurance Requirements, with Proposer's insurance agents, brokers, surety, and insurance carriers.

- 1.08 All insurance coverage of Proposer shall be primary to any insurance or self-insurance program carried by the City. The City's insurance or self-insurance programs or coverage shall not be contributory with any insurance required of Proposer in this Agreement.
- 1.09 The acceptance of delivery to the City of any Certificate of Insurance evidencing the insurance coverage and limits required in the Agreement does not constitute approval or agreement by the City that the insurance requirements in the Agreement have been met or that the insurance policies shown in the Certificates of Insurance are in compliance with the Agreement requirements.
- 1.10 No work/activity under this Agreement shall commence or continue unless and until the required Certificate(s) of Insurance are in effect and the written Notice to Proceed is issued by the City.
- 1.11 The insurance coverage and limits required of Proposer under this Agreement are designed to meet the minimum requirements of the City. They are not designed as a recommended insurance program for Proposer. The Proposer alone shall be responsible for the sufficiency of its own insurance program. Should the Proposer have any question concerning its exposures to loss under this Agreement or the possible insurance coverage needed therefore, it should seek professional assistance.
- 1.12 During the Term of this Agreement, the City and its agents and contractors may continue to engage in necessary business activities during the operations of Proposer. No personal property owned by City used in connection with these business activities shall be considered by Proposer's insurance company as being in the care, custody, or control of Proposer.
- 1.13 Should any of the required insurances specified in this Agreement provide for a deductible, self-insured retention, self-insured amount, or any scheme other than a fully insured program, Proposer shall be responsible for all deductibles and self-insured retentions.

1.17 If Proposer utilizes contractors or sub-contractors to perform any operations or activities governed by this Agreement, Proposer will ensure all contractors and sub-contractors to maintain the same types and amounts of insurance required of Proposer. In addition, Proposer will ensure that the contractor and sub-contractor insurances comply with all of the Insurance Requirements specified for Proposer contained within this Agreement. Proposer shall obtain Certificates of Insurance comparable to those required of Proposer from all contractors and sub-contractors.
