Subject: Nudity

To: jweekly@keywestcity.com

Hi Jimmy,

I do not favor nudity of any kind in Key West, Fantasy Fest or not! I feel a part of the beach might be cornered off to allow nude sunbathing, but elsewhere no. As you know, I am not a prude. However, our Island Paradise must remain a pleasant getaway for all. We need Fantasy Fest!! Just not at the expense of our reputation. Just saying.... Hope to see you soon.
