Dear Chief Brandenburg:

This letter is written to request your support in establishing a Drug and Crime Prevention Program at our church. We are aware of the disastrous and tragic consequences of drug use and abuse in our community and are excited about being able to partner with you in providing a resource to help curb this urgent societal problem.

We are requesting 2500.00 as seed funds to implement this program. We are looking forward to what this program will do in changing the lives of the youth who will be exposed to our programming and information. Thank you in advance for all that you are doing for the betterment of our Key West community.

Sincerely Yours,

Rev. Dr. Darryl Robinson
