RE: **Extension of Bid 10-09-0907  
Fire Rescue Vehicles & Other Fleet Equipment**

The Florida Sheriffs Association will extend Bid 10-09-0907 for an additional three months, and will be effective through December 31, 2011.

Due to price increases for chassis, the Florida Sheriffs Association will allow an increase of three percent (3%) on the base price of the vehicles offered through this contract, as allowed in Part B, item thirteen (13) from Bid 10-09-0907.

Purchase orders should start at the base price for the vehicle being purchased and show the allowed increase. The end user should request documentation from the manufacturers in order to substantiate the increase.

A new bid will be effective as of January 1, 2012 and posted on our website ([www.flsheriffs.org](http://www.flsheriffs.org)). We appreciate your loyalty and continued support.
