# 1. Project Description

---

The City of Key West is seeking proposals from parties interested in hosting activities consistent with the Key West World Championship Powerboat Race. The City will consider qualifications that include a broad range of business, financial, and organizational structures and relevant experience in event and facilities management. The winning bidder will be considered as the 'RACE PROMOTER'. Please see definitions for descriptions of 'Race Promoter', and 'event organizer', terms used throughout the RFP. (Please see Engineering Note on Page 23.)

## 1.1.1 Race Village at Truman Waterfront Park

The Truman Waterfront Park and Amphitheater is owned by the City of Key West and is located within the Truman Waterfront Park in Key West, Florida. The open-air covered stage measures 60 x 40 feet. Refer to attached site plan for facility layout. The "Amphitheater Site" generally includes the facility as well as the Grass Parking area located directly across the street (Quay Road), as identified on the TWP – Event Planning figure. Features include:

- On-site boat ramp
- Concrete staging area for cranes
- ADA accessible walkways and ramps
- Site utilities for electric power supply
- Small restroom with adequate space to accommodate temporary portable toilets based on size of event
- Support space for Race Village
- Vendor space including electrical service
- RV parking to accommodate boat crews
- Paved handicap parking and grass priority/VIP parking
- Grass area for bike/scooter parking
- Transit drop off

The Truman Waterfront property is zoned Historic Residential Commercial Core 4 (HRCC-4), under which the City noise ordinance requires that decibel levels at the property line must be equal to or below 85dBA or 94 dBA between hours of 11am and 2:59am. The CITY desires that the use of the Truman Waterfront Facility will strike a balance that allows for race enjoyment without unreasonable disturbance to the surrounding community, so some hours of use may be limited by the City.

## 1.1.2 Race Management Qualifications

The City of Key West seeks a strategic, creative and passionate association to provide management of Annual Power Boat Race. It is the goal of the City to retain an organization that will develop and implement a plan to best utilize the Truman Waterfront facilities to the benefit of the community and local businesses alike. The plan should include developing a schedule of events to include, but not limited to, Race Schedule, Boat Parade, Welcome Party, Boat Testing, etc. The City desires an association that has broad-based experience with race and event management to create entertaining, lively, safe, and lucrative experiences at the Annual Boat Races. The successful company will have the proven ability to manage a broad range of events, understand long-term planning, and have the ability

to identify and secure sponsorship funding while creating and marketing programs to attract attendance of the Annual Boat Races. Demonstrated experience in working with a public agency or governmental entity is a plus, especially with the United States Coast Guard, and United States Navy.

It is the intent of this RFP to identify an independent company that will organize and manage the overall annual Boat Race event. The City of Key West expects the managing company to work independently; however, the City will maintain a level of oversight in event activities. The City of Key West reserves the right to have input on the overall strategy and may assist in outreach to stakeholders to help events succeed. The selected association will have open and frequent communication with the City and will coordinate for City support services. Please provide a sample or previous 'Safety Plan' with RFP, and any Safety Reports provided to/received by the United States Coast Guard for previous races.

### **1.1.3 Anticipated Scope of Services**

The Race Management Company will work independently to ensure proper operation of the event while minimizing City involvement in event operations. The Race Promoter will be responsible for the administration, financial management, marketing/outreach, venue operations, and coordination with City services.

#### **Administration**

The Race Promoter will prepare and coordinate a master calendar of Boat Race activities, events, bookings and venue operations as reserved by event organizers, which shall be categorized by the type of use.

The categories of use may include Large, Medium and Small ticketed events, as well as community-based events. The calendar needs to incorporate annual City events that may impact use of the Amphitheater and surrounding Truman Waterfront Park grounds.

For each Event, the Race Promoter, in conjunction with event organizer, will determine all aspects of the venue set up and desired contracted services. A proposed plan addressing traffic, waste management, security, sound levels and desired City support services will be submitted to the City by the Race Promoter for compliance with pre-established parameters developed in conjunction with the City. The plan must include CITY coordination and any additional approvals that may be necessary.

The Race Promoter is responsible for but not limited to talent, advertising, sponsorships, cost of all contracted and City services and venue fees.

#### **Financial Management**

The Race Promoter will submit a financial management plan for the City's approval. The plan will include a five-year operational financial forecast/proforma, which will be updated annually. The Race Promoter will provide annual financial reports to the City. Key performance indicators will be established so that operations are financially stable and business plan goals are met. It is anticipated that all race events will be charged a fee based on a rate structure developed by the Race Promoter. The fee will be commensurate with the market rate for the various proposed uses, but will also consider overall benefit and contribution to the community. The Race Promoter will provide a competitively ranked proposal on venue use fees and ticket surcharges as the basis for payment for use

of the Truman Waterfront Facility. Additional revenue sharing, performance guaranties, and any other sources of revenue that will accrue to the financial benefit of the City of Key West may be considered; however, it is not the intent of the City to rely on percentage of the sale of food, beverages and merchandise for revenue. The Race Promoter will collect all up-front fees and settlement with event organizers following each event. The Race Promoter will provide a financial accounting of each event and submit payment to the City as required pursuant to the Race management agreement.

\*Unlike previous events, there will be no financial cap, or any City subsidy, for the Race Promoter in which the City will augment costs. The Race Promoter is responsible for all costs associated with the event.

The Race Promoter will be responsible for developing and implementing a plan to increase revenues over time, including, but not limited to, soliciting event sponsorship. Many race events have been able to obtain multi-year sponsors which can make up a large component of event income. Therefore, securing such long-term sponsorship will be an important responsibility of the Race Promoter.

### **Venue Operations**

The Race Promoter will coordinate with the City for the facility usage. The Race Promoter will develop Standard Operating Procedures for Venue reservations and operation and will work with the City to develop/modify agreements, establish insurance requirements and necessary forms for Event related services. The Race Promoter will assemble and maintain a listing of service providers which may be contracted to provide necessary services. The participating event organizer will be solely responsible for negotiating and contracting for such services, which may include but are not limited to:

- Ticketing/box office operations
- VIP Services
- Pre-post show VIP event
- Security/Race Control
- Event Staff
- Food and Beverage Vendors
- Merchandise Vendors
- Seating-set up and take down
- Transportation/wayfinding; Traffic/parking plan and control
- Site Control: barricades, gates, points of entry
- Portable Sanitation
- Cleanup on site and affected neighborhood areas
- Trash/ recycle on site and in neighborhood travel routes
- Perform an after-event review of City improvements to check for damages

The Race Promoter shall comply with all CITY rules, regulations, and procedures governing the operation of the VENUE and require all professional entertainment to comply with any noise ordinance enacted by the CITY. The Race Promoter shall ensure event organizers obtain a Special Events Permit, as necessary.

### **City Services**

The Race Promoter will act as liaison for event organizers to plan and coordinate with the City for

services which may include:

- Police
- Fire
- EMS/ First Aid
- Permits, Licenses
- Noise Exemption/Control/Monitoring

The CITY assumes no responsibility for errors or misinterpretations resulting from the use of incomplete sets of RFP Documentation. ## **1.2.8 Examination Site**

Proposers must satisfy themselves by personal examination of the Key West Truman Waterfront Facility and by thorough examination of related information identified in the Proposal Documents and all requirements of the Work to be performed. At no time after the submission of a proposal shall the Proposer dispute or complain of such estimate or the nature or the amount of Services to be furnished. Proposers shall be familiar with, and all work shall comply with, all federal, state and local laws, ordinances, codes, rules and regulations that in any way affect the cost, progress or provision of the Services. Failure on the part of Proposers to thoroughly familiarize themselves with applicable laws, ordinances, codes, rules and regulations will in no way relieve them from the responsibility included in the applicable laws, ordinances, codes, rules and regulations. Additionally, the Key West Truman Waterfront will be inspected before and after the event, by both the City and Promoter representatives, to ensure that any damage to the Truman Waterfront from the event participants is documented and repaired at the sole cost of the promoter. 2. The Proposer has visited the site and familiarized himself/herself with the local conditions under which the work is to be performed.

The submission of proposals will constitute an incontrovertible representation that the Proposer has complied with every requirement of the Instructions to Proposers, that without exception the proposals are premised upon performing the Services required and that this RFP is sufficient; in scope and detail to indicate and convey an understanding of all terms and conditions for

performance of the services. Proposers shall not be entitled to any additional compensation based upon alleged differing conditions that in the opinion of the CITY shall have been reasonably anticipated at the time of preparation of the proposals.

### **1.2.9 Interpretations and Addenda**

Proposers shall carefully examine the Request for Proposal documents. Any ambiguities or inconsistencies shall be brought to the attention of the CITY in writing prior to the submittal deadline as stated in Section 1.2.13. Failure to do so on the part of the Proposer will constitute an acceptance by the Proposer of any subsequent decision.

In general, no answer will be given to prospective Proposers in reply to an oral question if the question involves an interpretation of the intent or meaning of the RFP. Any information given other than by means of the RFP, including Addenda as described below, is given informally for informational purposes and for the convenience of the Proposers only and is not guaranteed. The Proposer agrees that such information, interpretations, corrections, or changes will not be binding and shall not be used as the basis of, nor shall the giving of any such information entitle the Proposer to assert, any claim or demand against the CITY on account thereof.

When solicitation revisions to the RFP are deemed advisable or become necessary, including changes to the deadline for proposal submission, they shall be answered only in the form of written addenda posted on Demand Star and the City of Key West website (<http://www.cityofkeywest-fl.gov/>). Please contact Demand Star at <http://www.demandstar.com> or the City of Key West website <http://www.cityofkeywest-fl.gov/> or call 1-800-711-1712 to obtain addenda. All addenda so issued shall become a part of the Contract Documents.

All addenda issued must be acknowledged. Prospective Proposers are advised to contact the CITY prior to the solicitation deadline to ascertain the existence and number of any addenda issued. Failure of any Proposer to receive or to acknowledge receipt of any addenda shall not relieve such Proposer from any terms, conditions and obligations under its proposal as submitted.

Prior to submission of its proposal, the Proposer shall ascertain that it has received all addenda issued.

### **1.2.10 Preparation and Submission of Proposals**

Proposals on Proposer letterhead; or quotation forms will not be accepted. Proposals submitted by facsimile transmission shall not be accepted.

The proper delivery of the proposal to the CITY is solely and strictly the Proposer's responsibility. The CITY cautions Proposers to assure actual delivery of proposals either hand-delivered or mailed via U.S. mail or overnight courier, directly to the CITY prior to the deadline set for opening proposals. The CITY shall not be responsible for delays, caused by the United States Postal Service, other delivery companies or services, or any other occurrence. Proposals submitted by certified or registered mail, not received by CITY at the time of the Proposal Opening will not be honored.

Receipt of a proposal by any CITY office, receptionist, or personnel other than CITY CLERK does not constitute "delivery" as required by this solicitation.

The proposal delivery time will be scrupulously observed. Under no circumstances will proposals delivered after the specified delivery time be considered. Late proposals will be returned to the Proposer unopened with the notation: "This proposal was received after the delivery time designated for the receipt of proposals."

While Proposers are expected to provide proposals that fulfill the obligations and requirements imposed by this RFP, **the City encourages alternative proposals reflecting creativity (e.g., outside the box) of the Proposer.**

Oral or telephonic proposals or such modifications to proposals submitted will not be considered.

Nothing contained herein shall place a duty upon the CITY to reject proposals or award a contract based upon anything other than its sole discretion as described herein.

### **1.2.14 Acceptance/Rejection of Proposals**

Selection shall be in accordance with F.S. 287.055. The CITY may reject proposals for any and/or all of the following reasons:

1. For budgetary reasons,
2. If the proposer misstates or conceals a material fact in its proposal,
3. If the proposal does not strictly conform to the law or is non-responsive to the proposal requirements,
4. If the proposal is conditional, or
5. If a change of circumstances occurs making the purpose of the proposal unnecessary to the CITY.

The CITY further reserves the right to reject the proposal of any Proposer that previously failed in the proper performance of an award, or to deliver on time a contract of a similar nature, or who has been suspended or debarred from doing business with the CITY, or who is not in a position to perform properly under this award. The CITY reserves the right to inspect all facilities of Proposers in order to make a determination as to the foregoing.

Reasonable efforts will be made to either award the Contract or reject all proposals within 90 calendar days after proposal opening date. A Proposer may not withdraw its proposal unilaterally before the expiration of 90 calendar days from the date of proposal opening. A Proposer may withdraw its proposal after the expiration of 90 calendar days from the date of proposal opening by delivering written notice of withdrawal to the City Clerk prior to award of the Contract by the City Commission.

If the CITY believes that collusion exists amongst the Proposers, all such collusive proposals will be rejected.

The CITY reserves the right to award to that Proposer which, in the opinion of the CITY, will be in the best interest of and/or the most advantageous to the CITY. Minor irregularities, informalities and technicalities in a proposal may be waived by the CITY. A minor irregularity or informality is a variation from the solicitation that does not affect the Proposal or does not give a Proposer an advantage or benefit not enjoyed by other Proposers, and does not adversely impact the interests of the CITY.

Proposers claiming exemptions to disclosure provided by law must provide at the time of the proposal submittal the specific statutory authority for the claimed exemption, identifying the specific data or other materials to be protected, and stating the reasons why such exclusion from public disclosure is necessary. This disclosure shall not apply to any person or entity that is a stockholder owning less than 20% of the outstanding shares of a Proposer whose stock is publicly owned and traded.

Proposer shall also disclose any civil conviction or pending civil litigation involving contract performance during the last three years anywhere in the United States against the Proposer or any business controlled by or affiliated with Proposer.

The CITY may reject, at its sole discretion, any Proposer it finds to lack honesty, integrity or moral responsibility, or whose present or former executive employees, officers, directors, stockholders, or partners are found to lack honesty, integrity or moral responsibility. The CITY's finding may be based on the disclosure required herein, the CITY's own investigation, public records, or any other reliable source of information. The CITY may also reject any Proposer failing to make the disclosure required herein. By submitting a proposal, Proposer recognizes and accepts that the CITY may reject any proposal at its sole discretion. The Proposer waives any claim it might have for damages or other relief arising from the rejection of its proposal, or resulting directly or indirectly from the rejection of its proposal based on these grounds, or from the disclosure of any pertinent information relating to the reasons for rejection of its proposal. Please also see F.S. Section 287.133 referenced in Section 1.2.22 of this document.

### **1.2.17 Award and Execution of Contract**

Proposers acknowledge that this solicitation or the proposal does not constitute a contract with the CITY. No contract is binding or official until the CITY and its funding agents approve a contract. The CITY intends to enter into contract agreements with one Proposer, based on the selected proposal and the agreements attached to the RFP.

Where applicable, discrepancies in the Proposal shall be resolved as follows:

1. Discrepancies between prices written in words and prices written in numbers will be resolved in favor of prices written in words.
2. Where proposals have erasures or corrections, each erasure or correction must be in ink and initialed in ink by the Proposer.

The CITY may conduct such investigations as it deems necessary to assist in the evaluation of any proposal and to establish the responsibility, qualifications and financial ability of the Proposers, and other persons and organizations to perform and furnish the Work in accordance with the Contract Documents.

The Proposer to whom the award is made shall, within fifteen (15) calendar days, not including Sundays, and legal holidays, after receiving notice of award, provide evidence of any required insurance and, if determined applicable by the CITY, negotiate any remaining items for consideration in the contract documents. Failure to execute the contract and/or to provide evidence of any required insurance shall be just cause for annulment of the award. Award may then be made to the next highest ranked Proposer, or the RFP may be re-advertised, at the CITY's discretion.

If within fifteen (15) calendar days, not including Sundays and legal holidays, after issuance of Notice of Contract Award, the successful Proposer refuses or otherwise neglects to execute the required written contract, the Proposer's Proposal may be rejected and negotiations commenced with the next highest ranked firm.

No plea of mistake in the proposal or misunderstanding of the conditions of forfeiture shall be available to the Proposer or as a defense to any action.

### **1.2.18 Tax Exempt Status**

The CITY is a political subdivision of the state of Florida. The CITY is the governing authority and, as such, is exempt from paying sales and use taxes imposed by the state, and federal and state taxes for tangible personal property. Proposers must note that they will be responsible for the payment of all taxes and that the costs thereof are included in the prices stated in the Proposal.

### **1.2.19 Laws, Codes, and Regulations**

Proposers are notified that all applicable federal and state laws, municipal and County ordinances, and the rules, regulations, resolutions, policies, and procedures of the CITY, and any other authority having jurisdiction over any part of the project shall apply to the solicitation and the contract throughout, and are deemed to be included in this solicitation/contract the same as though herein written.

If any discrepancy or inconsistency shall be discovered between the Request for Proposal and any law, code, ordinance, regulation, order of decree, Proposer shall immediately report the same in writing to the CITY who will issue such instructions as may be necessary. However, it shall not be grounds for a Change Order that the Proposer was unaware of or failed to investigate the rules, codes, regulations, statutes, and ordinances of all applicable governmental agencies having jurisdiction over the proposed services.

### **1.2.20 Conflict of Interest**

All Proposers must disclose with their Qualifications Proposal the name of any officer, director, or agent who is also an employee of the CITY. Further, all Proposers must disclose the name of any CITY employee who owns, directly or indirectly, an interest in the Proposer's firm or any of its branches.

### **1.2.21 Public Entity Crimes Statement (F.S. 287.133)**

As provided in Florida Statute 287.132-133, by submitting a proposal, or entering into a contract, or performing any work in furtherance thereof, the Proposer certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the convicted vendor list maintained by the state of Florida Department of Management Services within the 36 months immediately preceding the date hereof. This notice is required by Florida Statute 287.133 (3) (a). This certification shall be included as part of Package No. 1 Qualifications Proposal. See Attachment H.

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a proposal on a contract to provide any goods or services to a public entity, may not submit a proposal on a contract with a public entity for the construction or repair of a public building or public work, may not submit proposals on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of \$25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list.

The Proposer further understands and accepts that any contract issued as a result of this solicitation shall be either voided or subject to immediate termination by the CITY, in the event there is any misrepresentation or lack of compliance with the mandates of Section 287.133, Florida Statutes. The CITY, in the event of such termination, shall not incur any liability to the Proposer for any work or materials furnished.

### **1.2.22 Subcontractor and Supplier Information**

Proposers shall list proposed major subcontractors (and/or subconsultants) and suppliers to be used, to include name, mailing address, phone number, fax number, web-site address (if available), e-mail address (if available), type of work subcontracted. The Proposer shall provide an experience statement with pertinent information regarding similar projects and other evidence of qualification for each subcontractor, person or organization. If after due investigation the CITY has reasonable objection to any proposed subcontractor, supplier, person or organization, the CITY may, before Notice of Award, request the successful Proposer to submit an acceptable substitute. The CITY reserves the right to make a determination as to the foregoing.

If the apparent successful Proposer declines to make any such substitution, the CITY may award the Contract to the next highest-ranking Proposer that proposes to use subcontractors, suppliers and other persons and organizations acceptable to the CITY. Failure to make requested substitutions does not constitute grounds for forfeiting the Proposal Security of any Proposer. Any subcontractor, supplier, other person or organization listed and to whom the CITY does not make a written objection prior to issuing the Notice of Award will be deemed acceptable to the CITY, subject to revocation. No acceptance by the CITY of any such subcontractor, supplier or other person or organization shall constitute a waiver of any right of the CITY to reject defective work/services, materials or equipment not conforming to the Contract Documents.

Proposer shall not change any subcontractors without just cause and approval by the CITY. No Proposer shall be required to employ any subcontractor supplier, other person or organization against whom the Proposer has a reasonable objection.

### **1.2.23 Insurance**

The successful Proposer shall, at its sole expense, provide and maintain in full force and effect

throughout the term of the Contract, all insurance coverage as set forth in Attachment D and with insurers and under forms of policies acceptable to the CITY. Evidence of appropriate insurance coverage shall be provided as an attachment to the Proposal. Proposers may fulfill this requirement by having their insurance agent either:

- Complete and sign an insurance certificate which meets all of the requirements as provided in this RFP; or,
- Issue a letter on the insurance agency's stationery stating the Proposer qualifies for the required insurance coverage levels and that an insurance certificate will be submitted before final execution or issuance of the contract.

All insurers must be qualified to lawfully conduct business in the state of Florida. Failure of the CITY to notify the Proposer that the certificate of insurance provided does not meet the contract requirements shall not constitute a waiver of the Proposer's responsibility to meet the stated requirements. In addition, receipt and acceptance of the certificate of insurance shall not constitute approval of the amounts or types of coverage listed on the certificate. The successful Proposer shall provide evidence certifying that all insurance is in full force and effect; and such evidence shall include provisions that the insurance shall not be canceled, expire or be materially changed without giving the CITY at least thirty (30) days advance notice by registered mail.

Misrepresentation of any material fact, whether intentional or not, regarding the Proposer's insurance coverage, policies or capabilities, may be grounds for rejection of the proposal and rescinding of any ensuing contract.

### **1.2.24 Non-discrimination Clause**

No officer, employee or agent of the CITY acting within the scope of his/her employment or function shall be held personally liable in tort or named as a defendant in any action for any damage suffered as a result of any act, event, or failure to act.

The CITY shall not be liable in tort for the acts or omissions of an officer, employee, or agent committed while acting outside the course and scope of his/her employment. However, the ranking of Qualifications of the local Proposer would also need to result in the highest score in order to be considered for the contract award.

### **1.2.29 Domestic Partner Benefits**

Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States after the effective date of the required Memorandum of Understanding (MOU); the responsibilities and elections of federal contractors, however, may vary, as stated in Article II.D.1.c. of the MOU. There is no charge to employers to use E-Verify. The Dept. of Homeland Security's E-Verify system can be found at: <https://www.uscis.gov/e-verify>

3. Contact Person - serves as an information conduit between CITY staff, the Proposers and the Evaluation Panel.
4. Legal Representative - advises the Evaluation Panel on questions of law that may arise and ensures that the Panel, its members, and the actions and decisions of the panel do not violate existing law or CITY rules, regulations, policies and procedures.

Evaluation of the Proposal which includes qualifications and experience from each Proposer shall be based on evaluation criteria and procedures established within this document. The Evaluation Panel shall evaluate and score the two parts of the proposal from each Proposer and establish the final ranking of submittals received.

#### **1.5.1 Qualifications Presentation**

The Proposal and required attachments shall be submitted to the CITY on or before the due date stated in the RFP solicitation. The Proposer must identify any portions of the submittal that are proprietary. The contact person will review the submittals and make provisions for withholding proprietary documents from public record.

Each member of the Evaluation Panel will receive a packet containing the Qualifications Proposal of each Proposer. The Evaluation Panel will review and score the Qualifications Proposals according to the scoring criteria which follows. The Proposer shall ensure that the required elements of the

similar project descriptions and personnel experience are adequately explained in the text with emphasis on how the particular element was performed in conjunction with the overall project. The mere listing of elements without specific details in the body of the description will negatively impact the scoring for the project.

### **1.5.2 Evaluation Panel Process**

The Evaluation Panel is subject to the state law and CITY rules and regulations. Florida Statute Section 286-011 (“Government in Sunshine Law”) requires that any meeting (including telephone conversations) between two or more members of a public board or commission, for the purpose of discussing any matter on which foreseeable action may be taken by the board or commission, must be publicly noticed and open to attendance by the general public.

Meetings of the Evaluation Panel shall be as follows:

- Initial Orientation Meeting: Within two (2) weeks of the date of receipt of Proposals (following Public Noticing), the Panel members will receive a copy of each Qualifications Proposal. The Panel members will select a Chairman. If retained, the Reference Verifier, Contact Person, Financial/Security Adviser, and Legal Representative will be identified.

After the initial meeting, each Panel member will have one (1) week to independently review the Qualifications Proposals for scoring in accordance with the established evaluation criteria. Questions or comments a Panel member has relative to any Proposal shall be directed to the Contact Person. Additional meetings of the Panel may be convened to initiate discussions or to develop and direct requests for information to one or more of the Proposers, the Legal Consultant, the Reference Verifier, the Financial and Security Advisor(s), or CITY staff.

- Ranking Meeting(s): After the Panel members have completed their individual evaluations, the Panel will reconvene following Public Noticing to score and conduct a ranking of the Qualifications Proposals. The Chairman will total and average the scores of each Panel member and calculate the score for each Proposer. This will establish a numeric ranking for each Proposer based on the Qualifications Proposal and attachments.
- Final Ranking: The Evaluation Panel shall recommend contract award to the Proposer with the highest total score. This action will end the duties of the Evaluation Panel.

### **1.5.3 Basis of Scoring**

Evaluation of a Proposal will be based on a competitive selection process. The qualification and experience of the proposing Race Promoter and key personnel, approach the broker will take in providing the services being requested, and the proposed financial management plan will be considered in the selection process. The City reserves the right to award the contract to a Proposer who will provide the best overall match to the RFP requirements and who will best serve the City’s interests. Proposals received by City will be reviewed by the evaluation committee, evaluated, and ranked based upon the following criteria. Final award will be made by the City Commission.

A ranking of Proposers submitting, with higher point totals being desirable, shall be based on weighted scoring criteria for the Proposals below. Proposals are encouraged to address each selection criteria with documents such as; safety plan, financial management plan, reference letters, etc.

## INSURANCE REQUIREMENTS

### 1.0 GENERAL INSURANCE REQUIREMENTS:

- 1.01 During the Term of the Agreement, the Promoter shall provide, pay for, and maintain with insurance companies satisfactory to the City, the types of insurance described herein.
- 1.02 All insurance shall be from responsible insurance companies eligible to do business in the State of Florida. The required policies of insurance shall be performable in Monroe County, Florida, and shall be construed in accordance with the laws of the State of Florida.
- 1.03 The City shall be specifically included as an additional insured on the Promoter's policies with the exception of the Promoter's Workers' Compensation policy and shall also provide the "Severability of Interest" provision (a/k/a "Separation of Insured's" provision).
- 1.04 With the exception of the required "Special Events" policy the Promoter shall deliver to City, prior to commencing work/activities under the Agreement, properly executed "Certificate(s) of Insurance" setting forth the insurance coverage and limits required herein. The Certificates must be signed by the authorized representative of the insurance company(s) shown on the Certificate of Insurance.
- No later than 14 days prior to the event, the Promoter shall provide the City with a complete sample of the required "Special Events" policy for review. The City must approve the sample policy before the Promoter can proceed.
- Prior to the commencement of any events associated with this Agreement, the Promoter shall provide the City with a certified and true copy of the required "Special Events" policy.
- 1.05 If the Promoter fails to provide or maintain the insurance coverages required in this Agreement at any time during the Term of the Agreement and if the Promoter refuses or otherwise neglects to deliver the required Certificate(s) of Insurance signed by the authorized representative of the insurance company(s) to the City, the City may, at the City's sole discretion, terminate or suspend this Agreement.
- 1.06 The Promoter authorizes the City and/or its insurance consultant to confirm all information furnished to the City, as to its compliance with its Insurance Requirements, with the Promoter's insurance agents, brokers, surety, and insurance carriers.
- 1.07 All insurance coverage of the Promoter shall be primary to any insurance or self-insurance program carried by the City. The City's insurance or self-insurance programs or coverage shall not be contributory with any insurance required of the Promoter in this Agreement.
- 1.08 The acceptance of delivery to the City of any Certificate of Insurance or policies evidencing the insurance coverage and limits required in the Agreement does not constitute approval or agreement by the City that the insurance requirements in the Agreement have been met or that the insurance policies shown on the Certificates of Insurance or policies are in compliance with the Agreement requirements.
- 1.09 No work/activity under this Agreement shall commence or continue unless and until the required Certificate(s) of Insurance or policies are in effect and the written Notice to Proceed is issued by the City.
- 1.10 The insurance coverage and limits required of the Promoter under this Agreement are designed to meet the minimum requirements of the City. They are not designed as a recommended insurance program for the Promoter. The Promoter alone shall be responsible for the sufficiency of its own insurance program. Should the Promoter have any question concerning its exposures to loss under this Agreement or the possible insurance coverage needed therefore, it should seek professional assistance.

- 1.11 Should any of the required insurances specified in this Agreement provide for a deductible, self-insured retention, self-insured amount, or any scheme other than a fully insured program, and the insurance company providing the coverage will not agree in writing to pay the deductible or retention, including the costs of defense as provided for in its policy without consideration of the deductible or retention in the settlement of insured claims, then the Promoter agrees, if required by the City, to provide, pay for, and maintain a surety bond acceptable to the City from an insurance company acceptable to the City (or a standby irrevocable Letter of Credit acceptable to the City) in the amount of the deductible or retention, guaranteeing payment of the deductible or retention. Said guarantee is to continue for four (4) years following expiration or termination of the Agreement.
- 1.12 All of the required insurance coverages shall be issued as required by law and shall be endorsed, where necessary, to comply with the minimum requirements contained herein.
- 1.13 All policies of insurance required herein shall require that the insurer give the City thirty (30) days advance written notice of any cancellation, intent not to renew any policy and/or any change that will reduce the insurance coverage required in this Agreement, except for the application of the Aggregate Limits Provisions.

2.0 **SPECIFIC INSURANCE COVERAGES AND LIMITS:**

- 2.01 All requirements in this Insurance Section shall be complied with in full by the Promoter unless excused from compliance in writing by the City.
- 2.02 The amounts and types of insurance must conform to the following minimum requirements. Current Insurance Service Office (ISO) or National Council on Compensation Insurance (NCCI) policies, forms, and endorsements or broader shall be used where applicable. Notwithstanding the foregoing, the wording of all policies, forms, and endorsements must be acceptable to the City.

**Workers' Compensation and Employers' Liability Insurance** shall be maintained in force during the Term of this Agreement for all employees engaged in this work under this Agreement, in accordance with the laws of the State of Florida. The minimum acceptable limits shall be:

Workers' Compensation	Florida Statutory Requirements
Employer's Liability	\$1,000,000.00 Limit Each Accident
	\$1,000,000.00 Limit Disease Aggregate
	\$1,000,000.00 Limit Disease Each

This exception does **not** apply to firms engaged in construction activities.

**Special Events Policy** specifically designed for each annual event shall be maintained by the Promoter and shall include the City as an Additional Insured. The term of such policy shall be from the 1<sup>st</sup> day of the event (to include the prestaging of materials and supplies) thru the last day of the event (to include the striking of material and supplies). Such policy shall include the following coverages:
