

TREE COMMISSION TREE REMOVAL REPORT  
CITY of KEY WEST

PROPERTY: 1421 White St

APPLICATION NUMBER: T2025-0175

REQUEST: Property owner is seeking removal of (1) Seagrape tree

APPLICATION SUMMARY: An application was submitted for tree commission approval to remove (1) Seagrape tree.

TREE ASSESSMENT and PHOTOS

Photo of base of tree growing or actually crowding the Mahogany tree.

Two photos of upper portion. Photo one shows it tied to the Mahogany tree possibly to keep it upright?

Seagrape is clearly crowding the Mahogany as it volunteered itself for this awkward position.

Diameter: 6"

Condition: 40% (the tree has poor growth form)

Location: 40% (growing under a true canopy tree)

Species: 100% (on City of KW protected tree list)

Tree Value: 60%

Required Mitigation: 3.6 caliper inches

RECOMMENDATION/NOTES: The seagrape tree is a volunteer probably not more than a few years old. It is not contributing to the city's canopy nor does it provide esthetic value.
