Re: Mobile Vendor license #2019-000268

Please accept this as official notification that City of Key West Mobile Vendor license #2019-000268 is the only mobile vendor authorized to operate on United Street at the southwest corner of United and Duval Streets.

City of Key West Municipal Code currently indicates the following:

• **Sec. 18-324. - Conditions of use.**

Persons offering goods or services for business sale and holding a valid mobile vendor's license shall be situated, together with their vehicles, goods, displays, or other accoutrements, only upon public roads, and shall not:

(14) Operate from Truman Avenue east to the Atlantic Ocean (including along Truman, Julia, Virginia, Amelia, Catherine, Louisa, United and South Streets) as bounded by Simonton and Whitehead Streets; along Simonton, Duval and Whitehead Streets as bounded by Truman Avenue and the Atlantic Ocean, including the entire area known as the Southernmost Point (and Southernmost Monument). **Mobile vendor license holder #12777 is hereby grandfathered at a location on United Street at the southwest corner of United and Duval Streets.**

Mobile Vendor license #12777 was previously owned by Joe Sweeney. On March 21, 2019, the Key West City Commission approved a hardship transfer of Mobile Vendor license #12777 from Joe Sweeney to Keith Roberts. As is the process with all license transfers in the City of Key West, license #12777 was inactivated at that time, and new Mobile Vendor license #2019-000268 was created for Mr. Roberts. Upon completion of the licensing requirements for mobile vendors, Keith Roberts, license #2019-000268 will be the only mobile vendor authorized to operate on United Street at the southwest corner of United and Duval Streets.
