

COMMENDATION

It is with great pride that the City of Key West shall honor Sawyer Redding as the winner of the Key West High School Outstanding Achievement/Unsung Hero Award. Sawyer is a hard working student who maintains a 4.3 weighted GPA in a rigorous curriculum consisting of Advanced Placement and Honors courses. Amazingly, Sawyer works part-time and still has managed to amass over 400 hours of community service through volunteer work at his church and through his extracurricular involvement at KWHS as a member of Beta Club and the National Honors Society. He was nominated to attend Boys State this past summer at Florida State University. This prestigious camp is hosted by the American Legion and provides young men the opportunity to engage in the political process through mock campaigns and elections as they learn how government works from the city to the state level. Always willing to help other students, Sawyer has been described by a teacher as *a great student in all ways*. Following high school graduation he aspires to attend college in North Carolina or Florida to pursue a career in Pharmacy. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this Commendation to:

SAWYER REDDING
