Dear Chief Brandenburg,

The mission of Wesley House Family Services is promoting and enhancing the safety, well-being, and development of children by educating, supporting, and meeting the needs of the families.

We respectfully ask for assistance for our crime prevention program from the Key West Police Department in the amount of \$3000.00.

These funds will supply our foster youth with bike lights, bike locks, and padlocks to keep their possessions safe. In addition, we will use these funds to provide our staff with some personal safety training. Our staff from Full Case Management and Strengthening Families, which is our prevention arm, are often at the forefront of a crisis when they enter a family's home for the first time. It is essential they are able to recognize the danger signs and know the best way to protect themselves and/or deescalate the situation.

On behalf of all the children and families we serve, we thank you for your consideration and keeping our community safe.

With gratitude,

Aleida Jacobo
