# Collision Data Presented by Signal Four Analytics

s4.geoplan.ufl.edu

This dashboard and analytics system receives data from Florida's statutory custodian of records, the Florida Department of Highway Safety and Motor Vehicles (FLHSMV). Every effort is made to ensure that all data, information, and results posted on this website are accurate and complete. However, all data is considered preliminary until the year is reconciled and closed out by the FLHSMV, and thus certain adjustments may be made to verify the data where clerical errors are noted. For further inquiries on Florida traffic crash and citation reports along with additional statistics please visit: <https://www.flhsmv.gov/resources/crash-citation-reports/>
