**RE: Professional Services Agreement – White Street and Eaton Street Storm
Structure/Pipe Replacement (East Side Schematic)
Task Order 24-02**

Dear Ian:

Perez Engineering & Development, Inc. is pleased to submit this proposal to assist the City with professional civil engineering services for the intersection of White Street and Eaton Street. We understand our scope of work for this proposal will be to provide some initial/preliminary research and due diligence into the existing utilities located on the east side of the intersection of White and Eaton. We shall also prepare a schematic plan depicting recommendations for removal/replacement of storm pipe and/or storm inlets for the two storm structures on the east side of the intersection. The recommendations will be coordinated and reviewed by City staff. The purpose of the recommendations/schematic plan is for pricing purposes.

This scope of work does not include construction drawings, hydraulic/hydrologic evaluation, geotechnical/subsurface evaluation, or survey.

Compensation shall be billed as a lump sum fee of \$6,210. Below is a summary of the fee:

• Principal (22 hrs @ \$225)	\$4,950
• CAD Designer (14 hrs @ \$90)	<u>\$1,260</u>
Total	\$6,210

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and approved as of the date written below, by their duly authorized officers and/or representatives.
