Estimated Shipping costs on 1 scanners approx $18.00

Expenses. The Customer will be responsible for travel, lodging and meal expenses for API employees who, by agreement of the parties, are required to be present physically at the Customer's business location for installation of API software or equipment and training of Customer's employees. These costs are limited to those authorized by Florida Statute 112.061. The Customer will make the travel and lodging arrangements for the API personnel and the API personnel will be limited to the State of Florida limitations for meals based on the statutory per diem limitations.

Expiration: Friday, September 30, 2011
Currency: USD
Executed master customer agreement is due by the expiration date listed above along with initial
Professional services do not include expenses for shipping, travel and per diem. Hardware shipping is a separate cost at the time of order and is dependent on shipping specifications, dimensions, Training classes are restricted to a maximum of 10 participants. Additional training classes are required if more than 10 individuals need to be trained.
