Dear Sir,

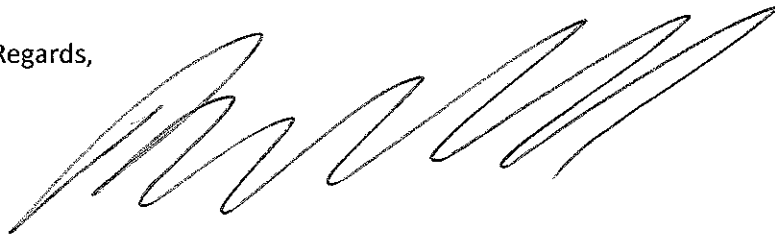

Per Sec. 18-325(d) of City Ordinance for mobile vendors, I request your recommendation for the transfer of my license to Assaf Azoulay of 32 Hilton Haven Road Unit 5 Key West.

I have personally experienced financial hardship as a result of some poor real estate investments made here in Key West that have left me with some huge tax liabilities.

I obtained this license in 1989 for \$35,000 while there was a brief period allowing transferability as a result of litigation by others with the City. Mr. Azoulay proposed use would be operating the license for both services and edibles. My investment would be the original cost of purchase as well as the cart for a total investment of \$37,000.

I am convinced that allowing this transfer would not be detrimental to the public welfare. Thank you for your assistance and consideration on this matter. Please contact me if any additional criteria for your recommendation is needed.

Regards,

Paul H. McGrail
Mobile Vendor License #11

This instrument was sworn to and subscribed before me this 18th day of October, 2012, by Paul H. McGrail, who is personally known by me.
