I am writing to replay my support for the applicants to remedy the derelict and long abandoned structure noted above. I previously lived next door to them at 625 Elizabeth Street. Upon retiring and moving full time to 629 Elizabeth Street, I wanted to remain in this same neighborhood and continue to have them as neighbors, based on the renovation work they did at their home at 627 Elizabeth and the previously abandoned structure behind their home.

The proposed work at 703 will take the current eyesore and make yet another improvement to our neighborhood and continue the unique character of it and all of the historic core.

I can be reached at 901-299-5684, if additional thoughts are requested. Unfortunately, I am at my summer home in Asheville and will not be able to attend the meeting in person.
