-- Cornelius Anton Womble J Arrest Narrative:

On August 11, 2022, at approximately 2130 hours, I, Ofc. Lopez was traveling near the 2000 block N. Roosevelt Boulevard, (Inbound). I observed a red Kia SUV traveling near the 2000 block of N. Roosevelt Boulevard, (Outbound). The red kia SUV did not have the headlights on. I did a U-turn in an attempt to conduct a traffic stop.

I was in a Key West Police marked vehicle equipped with emergency lights and sirens. I activated my blue overhead emergency lights and sirens. I got behind the red Kia SUV and I conducted a traffic stop on the vehicle. The vehicle was bearing Florida registration MAV108. The vehicle came to a final stop in the parking lot of Owens Gas Station located at 2106 N. Roosevelt Boulevard. I walked towards the driver side door of the vehicle and the driver opened the driver side door. I instructed the driver to get back in the vehicle. The driver said there was an issue with the window. On contact with the driver, I introduced myself to the driver and I explained him the reason of the traffic stop. I requested the driver to provide me with his driver's license, registration, and proof of insurance. The driver provided me with his Florida driver's license. The driver was identified as Cornelius Womble, (dob:09/05/1995). Womble continued looking for the registration and he was unable to locate a current registration. Womble was unable to provide me with proof of insurance. Womble grabbed a cellphone, and he appeared as if he was going to make a phone call.

I instructed Womble to step out of the vehicle for his safety and my safety. Womble refused to step out of the vehicle. I continued instructing Womble to step out of the vehicle several times. However, Womble refused to step out the vehicle. Womble was making a phone call and Ofc. Andrade instructed Womble to put the cellphone down and Womble refused to put the cellphone down. I unbuckled Womble's seatbelt in an attempt to pull Womble out of his vehicle. I grabbed Womble's left arm and I attempted to pull him out of the vehicle. However, Womble continued resisting and Ofc. Andrade assisted me. Once Ofc. Andrade and I were able to pull Womble out of the vehicle, Womble continued pulling his arms away from us. Once we had Womble out of the vehicle, Womble was leaning his body towards the driver side of the vehicle. Womble was refusing to walk/move away from the vehicle. Ofc. Andrade and I escorted Womble to the rear side of his vehicle in an attempt to place handcuffs on him. (It should be noted we did not enough room to place handcuffs on Womble while Womble was refusing to walk/move away from the vehicle). I placed my right leg in front of Womble's left leg twice in an attempt to escort him to the ground and Womble continued pulling his arms away. I was able to escort Womble to the ground and I placed handcuffs on him. Ofc. Andrade and I placed Womble's body in a recovery position. Shortly after Womble calmed down and he was able to sit up on the ground.

K9 Ofc. T. Anglin responded on scene. K9 Ofc. T. Anglin walked K9 Jigsaw around the exterior of the vehicle. K9 Ofc. T. Anglin advised that K9 Jigsaw positively alerted to the odor or presence of narcotics coming from the vehicle (see supplemental). K9 Ofc. T. Anglin began searching the vehicle with me. I located an empty gum plastic container on the driver side door and the container had a white powdery substance inside. K9 Ofc. T. Anglin used a Cocaine field test wipe on the gum container, and it tested positive for Cocaine.

Ofc. Andrade located a blue bag behind the front passenger seat of the vehicle. The blue bag was laying down on the floor mat behind the front passenger seat. Ofc. Andrade located a clear glass pipe with a burnt green/brown leafy substance on it. The glass pipes are known to be used by several narcotic users. Ofc. Andrae located a red metal grinder. The metal grinder is known to be used by marijuana users. The red metal grinder had a green leafy substance inside. I later used a field test kit on the green leafy substance, (It tested positive for marijuana).

I later collected the red metal grinder and the clear glass pipe. I placed both items in an evidence bag. I later placed

both items in The key West Property Division as evidence.

I later checked the trunk of the vehicle. I located a wallet that contained a second Florida driver's license for Womble along with miscellaneous credit cards on his name. I located a white powdery residue inside one of the backpack's compartments. K9 Ofc. T. Anglin used a field multi test kit on the white powdery substance inside the backpack compartment. (The white powdery substance tested positive for Amphetamine). I located a clear baggie with brown/white powdery substance in this same backpack compartment. K9 Ofc. T. Anglin used a second field multi test kit on the brown/white powdery substance. (The brown/white powdery substance tested positive for Amphetamine).

I later walked up to the Womble, and I searched him before placing him in the rear passenger seat of my patrol vehicle. I

This incident was recorded with my body worn camera, 3722.

I later transported Womble to The Monroe County Detention Center. My In-car Axon camera was activated during the transportation.

Ofc. Andrade had Womble's vehicle towed by Arnold's Towing.

Based on the facts and evidence, Womble did refuse to follow my verbal commands during a legal traffic stop. I instructed Womble to step out of the vehicle several times for his safety and my safety. I unbuckled Womble's seatbelt in an attempt to pull Womble out of his vehicle. I grabbed Womble's left arm and I attempted to pull him out of the vehicle. However, Womble continued resisting and Ofc. Andrade assisted me. Once Ofc. Andrade and I were able to pull Womble out of the vehicle, Womble continued pulling his arms away from us. Once we had Womble out of the vehicle, Womble was leaning his body towards the driver side of the vehicle. Womble was refusing to walk/move away from the vehicle. Ofc. Andrade and I escorted Womble to the rear side of his vehicle in an attempt to place handcuffs on him. Ofc. Andrade and I were wearing our class B uniform and we were recognizable as Police Officers. However, Womble refused to comply with our verbal commands during the traffic stop. Contrary to F.S.S. 843.02.

Wanton was the driver of this vehicle, and no other passengers were present at the time of the traffic stop. Ofc. Andrade located a blue bag behind the front passenger seat of the vehicle. The blue bag was laying down on the floor mat behind the front passenger seat. Ofc. Andrade located a clear glass pipe with a burnt green/brown leafy substance on it. Ofc. Andrae located a red metal grinder. The metal grinder is known to be used by marijuana users. The red metal grinder had a green leafy substance inside. I later used a field test kit on the green leafy substance, (It tested positive for marijuana). (It should be noted I advised Womble if he had any narcotics on his body that I did not locate, and any narcotic is found at the MCDC he will be charged with contraband). Womble said, "I only have a little bit of weed in the car". Since Womble was in constructive possession of a metal grinder with FTP Marijuana and a clear glass pipe. The above paraphernalia it is known to be used by individuals that inhale Marijuana and other, (Controlled substances) into the human body. Wonton did not have a medical Marijuana card. He is in violation of F.S.S. 893.147(1).

On 11AUG22 at 2133, I (Ofc. T. ANGLIN) responded to 2106 N. Roosevelt Blvd, at the request of Ofc. J. LOPEZ, who had conducted a traffic stop on a maroon 2014 Kia SUV, (FL Tag# MAV108). Upon my arrival to the traffic stop, I immediately observed Ofc. J. LOPEZ and the driver, CORNELIUS WOMBLE wrestling at the driver's door of the stopped Kia. I immediately affixed my six-foot nylon lead to the one-inch nylon collar K-9 JIGSAW was wearing and retrieved him from the rear of my patrol vehicle.

As I approached with K-9 JIGSAW, I observed both Ofc. J. LOPEZ and Ofc. E. ANDRADE attempting to gain control of WOMBLE'S arms as he appeared to be pulling away and shifting his body. I began giving loud verbal commands for WOMBLE to cease his resistance or the K-9 would be released. WOMBLE made direct eye contact with me and temporarily ceased his resistance, allowing both Officers to escorted WOMBLE to ground. Officers were able to place WOMBLE in handcuffs as he gave minimal resistance, (Flailing body and arms) as I provided overwatch with K-9 JIGSAW.

Once WOMBLE was secure and the scene was safe, I secured K-9 JIGSAW in the rear of my patrol vehicle. Moments later, Ofc. J. LOPEZ requested that K-9 JIGSAW conduct a sniff of the exterior of the stopped Kia.

I retrieved K-9 JIGSAW from the rear of my patrol vehicle, (Six-foot nylon lead and one-inch nylon collar) and approached the passenger's side front bumper on the stopped Kia. I gave K-9 JIGSAW the command to sniff for narcotics and moved counter-clockwise around the exterior of the stopped Kia. K-9 JIGSAW had a distinct change in normal behavior as we approached the driver's door. K-9 JIGSAW'S body became rigid and his respiratory effort increased as he abruptly stopped at the door, scanned his nose up the face of the door, took in several deep breaths and sat. I gave K-9 JIGSAW his reward and secured him in the rear of my patrol vehicle.

Ofc. J. LOPEZ, Ofc. E. ANDRADE and I began manually searching the interior of the stopped Kia. Ofc. J. LOPEZ located a plastic gum container in the pocket of the driver's door. Ofc. J. LOPEZ looked inside and observed trace amounts of a white powdery substance. I conducted a field test on the white powdery substance and the result was F.T.P. Cocaine. Ofc. J. LOPEZ later located a black backpack in the trunk area and observed a small Zip Loc type baggy with a light-colored powdery residue. I conducted a field test and the result was F.T.P. MDMA, (See original report for details). Ofc. E. ANDRADE located Marijuana drug paraphernalia in a bag, which was located in the back seat area, (See Ofc. E. ANDRADE'S report for details). I gathered information for my report and departed the scene.

Both my AXON BWC and fleet cameras were active and uploaded into the server.

On Thursday, August 11, 2022, at approximately 2132 hours, I (Ofc Andrade) responded to 2106 N Roosevelt Blvd, to assist Ofc Lopez on a traffic stop he conducted on a Maroon in color Kia SUV bearing FL tag MAV108.

On arrival I witnessed Ofc Lopez speaking to the driver of the vehicle (Womble) on the driver's side. I approached the vehicle on the passenger side. The passenger window was up; I could see and only partially hear the conversation.

A few moments went by, and I saw Ofc Lopez opening the driver's side door. I immediately went to the driver's side of the vehicle with Ofc Lopez. Ofc Lopez instructed Womble to turn off the vehicle. Womble did not comply. Ofc Lopez explained to Womble that this was a legal traffic stop and he was giving him lawful orders; still Womble did not comply. Ofc Lopez informed Womble that he would not ask again. Womble again failed to comply, instead grabbed his cell phone, and attempted to place a call..

I instructed Womble to put his phone down and he did not. Ofc Lopez grabbed Womble's left wrist and reached into the vehicle and released Womble's safety belt. Ofc Lopez then ordered Womble out of the vehicle as he pulled Womble's left arm. Womble did not comply, instead resisted Ofc Lopez's efforts, and pulled himself away from Ofc Lopez and back in the vehicle. I then reached in the vehicle and pulled Womble's head toward his left arm as Ofc Lopez pulled on Womble's left arm. Womble tensed his body in an effort to defeat our actions. Ofc Lopez and I told Womble repeatedly to stop resisting to no avail.

Ofc Lopez and I managed to get Womble out of the vehicle; Ofc Lopez had Womble by the left arm, and I had him by the right. Ofc Lopez and I placed Womble's hands behind his back; Womble resisted the entire time tensing and attempting to pull his arms away. Ofc Lopez communicated to me to walk Womble behind the vehicle, and we did, albeit not having Womble under complete control due to his tensing and pulling away.

At that point K-9 Ofc T. Anglin arrived on scene with K-9 Jigsaw. Once Womble saw K-9 Jigsaw he immediately stopped tensing and Ofc Lopez and I directed Womble to the ground, where Womble laid on his stomach. Ofc Lopez placed Womble in handcuffs holding Womble's left arms and I held his right. I placed Womble in the recovery position, then helped him to his feet. I walked Womble over to a nearby curb and sat him down. I checked for weapons on Womble's person but did not find any. Ofc Rojas and Ofc Malak arrived on scene. I left Womble in the care of Ofc Rojas and then walked back to the vehicle that Womble had been driving.

I joined K-9 Ofc T. Anglin and Ofc Lopez, who were in the process of searching the vehicle. I located a blue bag behind the front passenger seat of the vehicle. The blue bag was laying down on the floor mat behind the front passenger seat. In the bag was a clear glass pipe with a burnt green/brown leafy substance on it, consistent with narcotics use. I also located a red metal grinder. The metal grinder is known to be used by marijuana users. The red
