

## COMMENDATION

It is with great pride that the City of Key West shall honor Kevin Florez Bernal for the award he received from Key West High School for Excellence in the Visual, Performing, and Vocational Arts. Kevin is an outstanding, ambitious artist and athlete who is never satisfied with mediocrity. He has played four varsity sports at KWHS, including football this year and he has accumulated a 4.6 weighted GPA in a rigorous curriculum. Kevin painted the "Conch Pride" mural on the side of the gym and designed conch pride shirts to raise money for the athletic department. He won the Hard Rock Fantasy Fest pin design and the pin is currently being produced and sold. Kevin is the president of the National Art Honor Society and member of the National Honor Society. Following graduation Kevin plans to attend college and major in 3D Animation in hopes of one day becoming an animation director. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this
