***** The Description of the Room *****

This large (10' X 10') private room has dark hardwood floors, ceiling fan, queen bed (brand new in November 2012) with 800 thread count sheets and a large closet. The house is professionally cleaned before each guest arrives because I like things clean too.

and rates before submitting a reservation request. The house is located 3 blocks from the largest beach in Key West (Smathers Beach) and a short bike ride to the world famous Duval Street. The home is only a year old and features a fully equipped kitchen (no microwave because fresh cooked food is way better) and a large bathroom with a wet bar in the shower (see picture). The shower is big enough for two and I encourage it to "save water" if you know what I mean:) I typically spend the night at my girlfriends place in old town so I may not even be home. I have a french press and provide coffee and tea. There is a coffee joint very close to the house.

The house is a conch style bungalow with a fenced in yard in a quiet neighborhood. The famous roosters roam through the streets and at some point will crow in the morning. The spot has heat and A/C which can come in handy if it gets below 75°F which is very seldom. The large living room is open and airy with 12ft ceilings, throughout the house, and a very comfortable "L" shaped couch. The bungalow has a 42" T.V. and cable with over 150 channels including many sports channels plus (website hidden) TV. There is a stereo for your iPod/iPhone. I can have bikes delivered to the house from the bike shop close by. It usually takes about 30 minutes to have them delivered. There are a few bars and restaurants around but you will most likely want to head down to Duval Street which is about a mile away. You can also have access to the beautiful city pool free of charge or you may want a bit more action, in that case may I suggest Dante's Pool Bar (see picture) or the the Souternmost mansion.

There are laundry facilities so you can pack light and do a load or two while you are here. I will even supply the detergent and Downey:)

***** Amenities *****

I like to have fun so I have many beach toys including paddle ball, Frisbee, golf clubs (Titleist DCIs \$50 to rent), wiffle ball and bat, cooler, noodles, beach chairs, shade cabana, professional box kite, 2 portable hammocks, kick ball, football, fishing pole, bocci ball set, etc... that you are welcome to use.

***** My Recommendations *****

Make sure you have a look at my guide book here on AirBnB for suggestions on where I like to go and where I did go when I was on vacation before I moved here. <https://www.airbnb.com/rooms/644722?preview=true#maps>

The house is a short walk to Salute on the Beach which is a great people watching bar/restaurant and one of the only beach bars on the island (see picture)

I have fast Wi-Fi (20mb down - 3mb up) and you always get my expert knowledge about the island such as where the best happy hours are; or how to get a discount on attractions. I also have access to a 27' WorldCat for sport fishing or snorkeling (Boat rental is extra and depends on the season) (see picture)

If you are around on a Sunday and want to hang out with the "locals" then join us for "church" (We don't go every Sunday). Our church consists of meeting up with 10-20 people at a bar and having a bloody mary then setting off on a 5 hour kayak tour to a deserted island for lunch and swimming, then a trip through the mangroves then to a bar to watch a little football before returning (see picture). Then its off the the Green Parrot for Sound Check. Kayak rental is extra and I can usually get you the local rate of \$20 per person.

I can also pick you up and return you to the airport if the times are acceptable to my sleep/cocktail schedule:)

FAQ:

-I have several strengths of sunscreen if you forget yours.

-Hank a.k.a. Beagle Juice, the beagle, is very quiet and is always with me so if I leave the house so does he. We go everywhere together including church:)

-I can help you with all sorts of activities including fishing and kayaking or even snorkeling or being a beach bum. Sailing is a favorite of mine. I can usually get you a discount too.

-Yes, there is a gas grill to use at the house. We can also have fresh fish delivered for a fish taco night or blackened fish with rice, black beans and grilled plantains.

-If you want to get a feel for the type of person Hank (the beagle) and I are, you can follow us on instagram @beagle_juice

-The bed is a brand new queen bed and is very comfortable with 800 thread count sheets.

-Shower and beach towels are provided.

-I do have a job! I am an entrepreneur and own several web related businesses, so I appear not to have a job. I rent my extra room as a way to meet interesting and dynamic people from around the world.

-NO ONE UNDER 21

-There is NO curfew - I have had this question many times so I thought I would address it. Go out and have fun. Just be respectful when you get home:)

-Generally there will be a tropical welcome drink or beer waiting for you when you arrive. I typically like to make something with fresh mangos picked from the tree when they are in season or a Pusser's Pain Killer. If you have a preference, please let me know in advance so I can source the ingredients.

Slow down and have fun:) We move pretty slow around here at this latitude. Coming to Key West is special and I like to help you feel like I did on my first trip to this paradise.

No one under 21 years old are allowed in the house. Should you forget your toiletries there is a convient store on my block to pick up anything you may need.

Please remove your shoes when entering the house because the coral dust and rocks on your shoes ruins my hard wood floors.

Please do not sleep on my couch. It is a public area and used by everyone.

If there is a hurricane approaching and the hotels on the island are evacuated you must leave too. Things get pretty crazy around here when there is a hurricane and i'm not talking about the weather. The parties are legendary but I can't

be responsible for any guests if the local authorities require a tourist evacuation. You will be refunded the remaining time you have left less any AirBnB fees which you may be able to recoup from them.

Staying with Todd at his Bungalow was extremely pleasant. He did a great job at setting it up just like a luxury hotel. The place is clean and comfortable and he's really easy going. He was also very helpful and friendly calling us a cab when we needed it and setting us up with whatever we needed. Had a great time staying here, it was the perfect combination of privacy and enjoyable company. Would definitely recommend for anyone staying in KW.

Response from Todd: Thanks for the review Adrien! Since you are only a short boat ride away I hope to see you guys again sometime soon. Cheers!

I can never imagine a room that is cleaner than Todd's!!! His house is so simple but comfortable. His dog Hank is very kind and never interfere us. My husband and I really had a good time in Key West living in Todd's home. We will highly recommend you to live there!
Thanks Todd!

We had a wonderful trip to Key West staying with Todd. He invited us to a friend's party and even let us know when he was heading out to some of his favorite bars. We rented bikes, which was necessary as he is not that close to Duval, but we had so much fun exploring the whole island on bikes. Smathers beach was right around the corner which was perfect for us. We did 2 different sailing tours with Danger tours which he recommended to us, and we would definitely recommend to anybody else.

Response from Todd: Thanks for the kind review Jillian! I hope to see you back down here in paradise!

Todd is a very relaxing and amazing host with his cute dog hank. He helped us out with information and bikes and what ever we needed he could've helped us. It is super nice house in a comfortable steal and the location was perfect. With a bike you could reach everything in max 15 min.
Key west is beautiful and I can't wait to come back as soon as possible.
Thanks Todd for the awesome 2 days we had. We come back promise

My girlfriend and I made a quick weekend trip to Key West and couldn't have been happier with our chose of accommodations. Todd's apartment is very clean and he is an organized and thoughtful host. Staying with him was a real pleasure. He gave us great recommendations about where to eat, what to do and what to see.

Response from Todd: Chris, Thanks for the kind words. I am glad you had a great time at my place and I hope to see you again here in paradise:) Cheers!

Response from Todd: Thanks Chris! You and your girlfriend are welcome anytime.

Great experience staying with Todd! His place is spotless, welcoming and comfortable. His suggestions on where to dine/drink/swim were perfect. Throw out your tour book and ask him to mark up a map for you. You'll have a blast! And, of course, everyone loves Beagle Juice! Thanks, Todd!

Todd is an awesome host for your Key West adventure. The house is really new, clean, and so convenient. I've know Todd for several years and he is a great addition to our Key West community; intelligent, funny, adventurous, and laid back, oh yeah, he can cook too. Todd will definitely elevate your experience in Key West by letting you see how the locals do it as your host/guide or by providing you with everything you need to explore the layers of this tropical island all by yourself. I highly recommend Todd and his abode for your stay at the southernmost point!
