Subject: [EXTERNAL] Removing Gregory Llyod

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

I am opposed to removing Gregory Llyod from the board for his letter to the editor. Is unacceptable to not be able to speak up for what you feel is right in the community. No one will ever speak up if they're in fear of losing their positions.

Thank you
