Dear Commissioner Johnston,

Monroe County has submitted to the City an application for a Major Development Plan for Higgs Beach Park. In the spirit of continued cooperation for the improvements of Higgs Beach and because Key West residents will directly benefit from its renovation, we are respectfully requesting the City Council waive the application fee for processing this request.

Monroe County appreciates the time and support you and the City staff have given to our efforts to date concerning the park. We look forward to your continued support and your attention to our request, thank you.

Sincerely,

Heather Carruthers, Mayor
