August 8, 2019

Dear Commissioner Lopez,

I am the owner of the Millionaire Gallery located at 608 Duval St. I have noticed a significant loss of sales on Friday and Saturday nights since the start of The Mall on Duval.

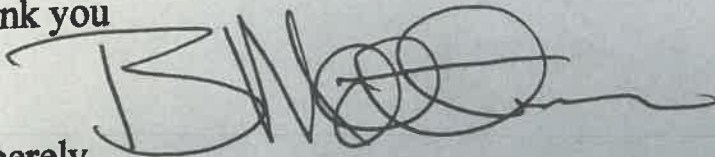

I am very concerned that the pilot program will get extended for another 6 months. The extension would be detrimental to my business.

I hope you will vote against this proposal for an extension and support cleaning up Duval Street.
We as business owners would all benefit from the revitalization of Duval Street.

Thank you

Sincerely,

Bruce Matthews

August 13, 2019

Dear Commissioner,

Being able to live on our island is a dream come true, one that any folk would work a lifetime of blood, sweat, and tears to grasp as their own. We are the team at Wyland Gallery on Duval, and most of us have moved to Key West to live this dream and build our future here.

We've been quite surprised at the shockingly slow foot traffic on weekends while mall on Duval is struggling to bring people to old town. Weekend business has declined drastically, thus we are petitioning to remove Mall on Duval entirely so we might again have the opportunity to make the livelihood we need to support ourselves and our families, contribute to our local economy, and live our best lives on this island of our dreams.

Please vote to remove Mall on Duval.

Re: Duval Promenade Pilot Program

Dear City Commission:

I am employed at Mangoes Restaurant located at 700 Duval Street in Key West. I am against extending the Duval Promenade Pilot Program also known as "Mall on Duval." It has negatively affected the business sales of my employer and therefore reflected less personal income for myself. Please vote against it.
