ADDENDUM NO. 1
Building and Structural Repairs for City Facilities
ITB 25-021

This addendum is issued as supplemental information to the Request for Proposal package for clarification of certain matters of both a general and a technical nature. The referenced Request for Proposal package is hereby amended in accordance with the following items:

1. **Clarification:** The City of Key West hereby issues this clarification regarding payment terms and quantity estimates within the bid documents for this solicitation.

The City acknowledges that due to the nature of spalling repair work, it is difficult to accurately quantify the extent of required repairs prior to construction. Accordingly, payment for work performed under this Contract will be **based on actual quantities of work completed and accepted by the City in the field**, as measured and verified by the City's representative, rather than on the estimated quantities provided in the Proposal Form.

The **Proposal Form** quantities are intended **solely for bidding purposes and as estimates for comparison of bids**. The City makes no representation or warranty as to the accuracy of these estimated quantities. The Contractor shall be compensated for actual quantities of work performed and accepted, calculated by multiplying the **unit price bid for each pay item** by the **measured quantity completed**, in accordance with the applicable specifications and Contract Documents.

This clarification supersedes any conflicting language in the bid documents suggesting otherwise.

To allow adequate time for all prospective bidders to review and adjust their bids in light of this clarification, the City will issue **Addendum No. 1 to extend the bid due date to December 3, 2025 @ 3:00 PM**.

2. **Changes to Submission Requirements:** [No Changes]

3. **Updates to Project Timeline:** New Bid Due Date is December 3, 2025 @ 3:00 PM Local Time.
4. **Responses to Questions:** [No Changes]
5. **Additional Resources:** [No Changes]
