RE: Performance Evaluation  
DATE: 15 July 2020

Mayor and Commissioners,

Please accept this correspondence requesting the Commission perform my evaluation for the past year. Unbelievably, September 1 will mark the one-year anniversary of my tenure as City Manager. I am asking that this item be placed on the August 4<sup>th</sup> agenda.

While this has been a most unusual year we have continued to move forward with the list of goals and objectives that the Commission provided. I have attached the aforementioned list along with several accomplishments staff and I have completed or are currently working on. I have also included an evaluation form approved by the Commission August 20, 2013 for my predecessor.

I thank you in advance for your attention to this matter and look forward to serving both the City Commission and the citizens of Key West in the upcoming year.
