Good afternoon Alex,

I received an email from our Police Fleet rep Rob Grimsley requesting a quote for 2 Harley-Davidson FLHP and equipment.

I have attached the quote as requested. To keep it simple for us to build a quote for the bike, parts and labor, I did it as one unit. The attached quote is for one FLHP with the equipment and labor to upfit one bike. Below would be the totals for two units and upfit of parts and labor.

2 FLHP = \$42,455(includes dealer fee, freight and setup. No tax or tag fee)
Parts list provided for 2 FLHP \$26,322.63
Labor for install of all listed parts for 2 FLHP \$7450

Total for 2 FLHP fully upfitted: **\$76,227.63**

My contact information is listed below. Please feel free to contact me with any questions.

Thank you,
