Please provide any additional comments you may have regarding Bayview Park.

There is no reason to change the park. This seems like a part-time resident's dream at the expense of working people. This city needs to stop solely catering to the rich.

I really enjoy the park exactly how it is. I think this is a waste of time and makes me think that the city probably has too many specialized boards.

I love Bay View park and hope that at the least, the area is maintained for folks to picnic and such. Right now, it is so very run down and dusty.
