Jason -

We are already quoting 2025's. Ford decided to skip 2024 order entry and move directly on to 2025. We should be able to order them around the end of October and would anticipate April arrival.

I know one of the other Florida dealers claims to have stock, but I have also heard his install shop is light years behind.

Let me know if you would like a quote.

Regards,

SW

Jason -

Good afternoon. I received your request for vehicle quote, do you have a detailed specification that you can send for us to quote with?

Please let me know if you have any questions.

Regards,

Scott Wilson
