Re: 512 Eaton Street – Major Development Approval
City Commission Resolution No. 10-026

Dear Mrs. Kimball Murley:

Please accept this letter as a Petition for a one (1) year extension (12 months) authorized pursuant to Chapter 108, Division 6, Section 108-203(b) of the Land Development Regulations. The development of this property has been hindered by problems with the associated conditional use on the same property. The developer is handicapped in the ability to plan for construction until the approvals necessary to carry out the conditional use are obtained.

This extension would not adversely impact the surrounding neighborhood. The current approval shall expire on January 10, 2011.

Thank you for your kind assistance.

Sincerely,

Adele V. Stones
