Emergency Education Institute appreciates the opportunity to place this bid. We will have to apply for satellite approval by the state of Florida, Bureau of EMS for providing EMS Education at your Facility.

This bid is for a MINIMUM of 15 students. There will be an additional \$10000.00 fee for travel and lodging for the instructor for the entirety program.

**Objective:** It is the goal of this program to prepare the students for the NREMT Paramedic exam and licensure in the State of Florida.

**Description:** The Paramedic Program will teach the required skills for advanced patient care that meets the requirements set forth by the National Highway and Traffic Administration. A current Florida EMT certification is required or must be obtained before the 10th week of Paramedic Program.

We will provide Key West Fire Department with a shift based Paramedic Program..

**Scope of Services:**

1. Training
  - a. Per Florida Department of Health Bureau of EMS
  - b. Lecture, clinical, ride times and skill testing
  - c. Written exams
  - d. Certificate of completion
  - e. Each classes will be per requirements of the state of Florida, NREMT and CoAEMSP

Thank you for the courtesy of reviewing this proposal if you have any questions please feel free to call:
