Subject: Parking in Casa Marina Area

Good afternoon,

I am writing in reference to the addition of parking pay stations on Reynolds Street. I think this is a great idea. Many Casa Marina guests use Reynolds Street, and other nearby streets, to avoid paying for valet parking at the Casa.

I live on Flagler and Grinnell and sometimes cars are parked in front of our building for several days, and I figure that it is a guest of the Casa. I hope that by charging for parking on Reynolds, this doesn't become a more frequent occurrence. If it does, maybe the City would consider adding Residential Only parking spots.

Thanks for your consideration.

Best regards,
Caroline Horn
