## FLORIDA SHERIFFS ASSOCIATION

P. O. Box 12519 • Tallahassee, FL 32317-2519

PHONE (850) 877-2165 • FAX (850) 878-8665

WEB SITE: [www.flsheriffs.org](http://www.flsheriffs.org)

DATE: October 1, 2009

TO: **ALL PROSPECTIVE PARTICIPANTS**

FROM: Gary E. Perkins                      Lynn Meek                      Peggy Goff  
Executive Director                      Vehicle Bid Coordinator                      Vehicle Contract Manager

RE: **SHERIFFS' OFFICES & LOCAL GOVERNMENTAL AGENCIES  
OF THE STATE OF FLORIDA COOPERATIVE BID FOR  
PURSUIT, ADMINISTRATIVE NON-PURSUIT, UTILITY VEHICLES,  
TRUCK & VANS, & OTHER FLEET EQUIPMENT  
Bid No. 09-17-0908**

We are pleased to announce that the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association has successfully conducted its seventeenth statewide competitive bid for vehicles which includes police pursuit, administrative non-pursuit, utility vehicles, trucks & vans, backhoes, motorgraders, agriculture type tractors, skid steer loaders and regenerative air street sweepers. **This contract is effective beginning October 1, 2009 through September 30, 2010, as long as vehicles are available through fleet.**

Bids will be extended and guaranteed to any and all units of local governments and political subdivisions including, but not limited to, county, local county board of public instruction, municipalities and/or police agencies, other local public or public safety agencies or authorities within the State of Florida. Also, in accordance with the provisions of Chapter 287, F.S., and 60A, Florida Administrative Code, any state agency including the Division of Universities, Department of Children and Family Services, Department of Health, Department of Juvenile Justice and Department of Corrections which elects and is authorized to purchase from a source other than the State of Florida contract is eligible to purchase from this bid.

In addition to the eligible users referenced above and with the consent of the successful bidder(s), purchases may be made under the terms and conditions of this contract by governmental entities located outside the State of Florida. Appropriate governmental entities' purchasing laws, rules and regulations shall apply to purchases made under this contract.

This program is designed to provide participating agencies with the most economically priced patrol, administrative, utility vehicles, trucks & vans, and other fleet equipment tailored to their specific needs, in a prompt and timely manner. One of the unique characteristics of this program that distinguishes it from others is that this bid contract is awarded to the lowest responsible bidder by manufacturer by specification by zone for all vehicles, trucks, vans and other fleet equipment.

The Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association realize that Sheriffs' Offices, Police Agencies and other units of local governments must provide economically based maintenance and stocked parts for their fleets. They must consider overall operational cost of their vehicles instead of just considering "low bid" on the purchase of the vehicle. This program's bid award system not only provides the purchaser with the means to make sound

decisions on dedicated fleet needs, but also offers the convenience of shopping and purchasing from a single contract.

**All interested parties who wish to purchase from this contract may do so by following these simple procedures:**

## **ORDERING INSTRUCTIONS**

1. Contact the awarded dealership (see pages 67-74) listed in the zone from which you wish to purchase and advise them of your interest to purchase from **Bid No. 09-17-0908**. They will assist you with the placement of your order and answer any questions you may have regarding the vehicles purchased through this program. **You can only purchase from a dealer who is listed as a winner of one of the four zones for the vehicle you wish to purchase.**

Agencies ordering a FORD, GENERAL MOTORS, or CHRYSLER product, please be advised that you must use the appropriate FIN CODE/FAN CODE for the Florida Sheriffs Association in order to obtain the manufacturer's concessions. Also, you must use your FIN CODE/FAN CODE as a secondary number. For further assistance call the Fleet Customer Information Center for your appropriate manufacturer.

<b>Manufacturer</b>	<b>Type Code</b>	<b>FSA Code</b>	<b>Fleet Center Contact Numbers</b>	
FORD	FIN CODE	QE065	1-800-34-FLEET	(1-800-343-5338)
GENERAL MOTORS	FAN CODE	917872	1-800-FLEET OP	(1-800-353-3867)
CHRYSLER	FAN CODE	49313	1-800-999-FLEET	(1-800-999-3533)

2. **YOU MUST send a copy of the original purchase order (including FSA's Contract No. 09-17-0908) you submitted to the participating dealer to:**

**Florida Sheriffs Association**  
P. O. Box 12519  
Tallahassee, Florida 32317-2519  
ATTN: Lynn Meek, Cooperative Bid Coordinator

3. **Basic information required on all purchase orders** is listed on Page 76 of this Bid Award Announcement. Purchase orders lacking the required basic information listed may result in the delay of placement and/or confirmation of orders. The agency is responsible for obtaining a "Confirmation of Order" from the respective dealership. Dealers are required to complete a "Confirmation of Order" and send it to the purchaser within fourteen (14) calendar days after receipt of purchase order. Purchasers are encouraged to contact the dealer if a "Confirmation of Order" has not been received within a reasonable time frame and request its issuance.

**NOTE:** Purchasers are reminded that the issuance of a Purchase Order does not in itself guarantee the placement of an order.

4. Agencies which elect to purchase off this contract will incur the following Administrative Fees:
  - **Pursuit, Administrative Non-Pursuit, Utility Vehicles, Trucks & Vans (Specification #01 thru Specification #50)** – Dealers have included the administrative fee of \$75.00 per unit in their bid prices and made it a part of the base unit's purchase price.
  - **Trucks starting at with Tilt Cab and Chassis and all Heavy Equipment (Specification #51 thru Specification #87)** – Dealers have included the one-half percent (.005) administrative fee in the base price and all add options that are listed. The one-half percent (.005) will also be

included in any additional equipment (add options) which the dealers quote to the governmental agencies.

5. In order to ensure quality service for our user agencies, we are requesting each of you to notify the Florida Sheriffs Association regarding any problems encountered in working with the awarded dealers. Any issues, including but not limited to, receipt of confirmation of order, delivery problems and communication problems, should be reported to us by e-mail at lmeek@flsheriffs.org. This information will be considered in future bid awards in order to ensure that agencies are receiving the level of service required of dealers who wish to participate in this program.
6. Add/delete options might include a superscript listed by the Order Code. The purpose of the superscript is to identify which options correlate to a specific dealer. Superscripts will be a number between 1 and 4, and will correspond as follows:

- 1 = Western zone dealer
- 2 = Northern zone dealer
- 3 = Central zone dealer
- 4 = Southern zone dealer

If a dealer has been awarded more than one zone, they will only have one superscript number assigned, and it will be the lowest numerical number that applies to their awarded zones. For example, if a dealer is awarded the northern and southern zones, their add/delete options for both zones will be represented by a “2” superscript.

**IMPORTANT NOTE:** The manufacturers have announced that they will be producing limited quantities of pursuit vehicles this year and that orders would be processed on a first come first serve basis while quantities last. **To be on the safe side, we are advising all agencies to place their orders for pursuit vehicles as soon as possible to ensure delivery of product.**

The Florida Sheriffs Association’s, Florida Association of Counties’ and Florida Fire Chiefs’ Association’s bid award for full size (pursuit and administrative), mid size (pursuit and administrative), utility vehicles, trucks and vans, and other fleet equipment are as follows (zones indicated with a ★ = specification low bid for Bid 09-17-0908):

As an added feature to the Cooperative Bid Program, the **Florida Sheriffs Association** offers several financing programs. Please note that these financing programs are not part of the bid process, and therefore, do not constitute a formal bid award. Although these financing programs are recommended by the Florida Sheriffs Association, participating agencies have the ability to seek their own financing or leasing arrangement with other leasing/financing companies of their choice.

The **Florida Sheriffs Association Tax Exempt Installment Financing Program** is available to Sheriffs, Units of Local Governments, Municipalities and Police Agencies to finance vehicles and a variety of other types of equipment and projects. The program allows low tax exempt financing of equipment over its useful life which allows you to update your fleet, maintain proper fleet rotation, and control and lower maintenance costs. The program is offered in conjunction with **Mears Motor Leasing**. Any questions or requests for quotes should be directed to **Mears Motor Leasing**, at **(407) 253-4464**. Please see page 1995 for additional information on the lease/purchase program.

The **Florida Sheriffs Association Police Car Lease Program** is also available to finance vehicles. This plan is not a straight lease nor a straight finance program. It is the best of both. This plan takes advantage of the special low municipal finance rate (previously only available on a finance plan) and at the same time allows agencies to pay only for the useful life of the car. This program is also offered in conjunction with **Mears Motor Leasing**. Any questions or request for quotes should be directed to **Mears Motor Leasing** at **(407) 253-4464**. Please see page 1995 for additional information on this program.

The Florida Sheriffs Association also offers an **Operating Lease Program** for police vehicles and equipment through **Ontario Fleet Leasing**. This unique program is currently financed at our low interest rate of 5.2%. Program highlights are as follows:

- Lease patrol, sport utility, motorcycles, emergency, crime scene and unmarked vehicles;
- Unlimited mileage option is available;
- Eliminates the formal bidding process;
- The lease is recognized as an operating lease in accordance with FASB 13 standards;
- The County has the option to run the vehicles through their annual auction;
- The Sheriff's Office will share in the auction's proceeds.

Any questions or request for quotes should be directed to **Ontario Fleet Leasing** at **(315) 431-4676**.

We would like to thank you in advance for your time and interest in this program and ask that you feel free to contact **Peggy Goff** with the **Florida Sheriffs Association** at **(850) 877-2165** should you have any questions regarding these financing or leasing programs.

## **BASIC INFORMATION REQUIRED ON A VEHICLE PURCHASE ORDER**

When filling out a purchase order for a vehicle that is to be purchased under the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association Bid No. 09-17-0908, there are certain items of information that must be on the purchase order, or enclosed with the purchase order, so as to minimize the possibility of errors on the order.

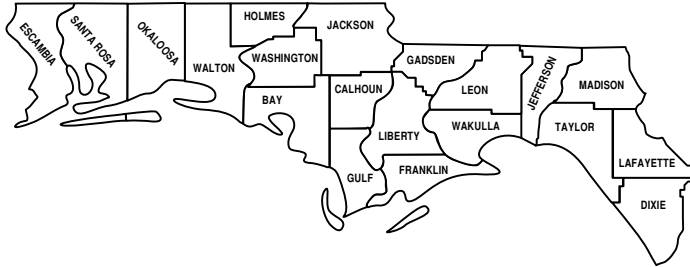

This information includes, but is not limited to, the following:

- Date of order
- Purchase order number
- Originator of purchase order
- Name and number (phone & fax) of contact person responsible for receiving "Confirmation of Order" and scheduling of delivery.
- Delivery date required
- Contract number (09-17-0908)
- Contract specification number of vehicle(s), number of vehicles ordered and base price of vehicles
- Type vehicle ordered (i.e. Ford F-150 4x2)
- FIN CODE for the Florida Sheriffs Association (QE065) and your agency's FIN CODE when ordering FORD products
- FAN CODE for the Florida Sheriffs Association (917872) and your agency's FAN CODE when ordering GENERAL MOTORS products
- FAN CODE for the Florida Sheriffs Association (49313) and your agency's FAN CODE when ordering CHRYSLER products
- Individual listing of each option ordered under the contract, along with each option cost
- Individual listing of each non-contract option ordered, along with each option cost
- Total cost of vehicle(s)
- Copy of dealer's quote for non-contract option(s)
- Copy of vehicle(s) specifications (if different from contract specifications)

Inclusion of the above mentioned items will help prevent possible misunderstanding of the order and will assist in any audit of the purchase orders, or vehicles, that may be deemed necessary in the future.

WPUMP – LED Whelen: Deluxe All LED Unmarked Patrol Package - Consist of Front and Rear Full-Width Interior LED System with LED Flashing /Takedown Lights, LED lights may be blue, red, amber or any combination – please specify color. Headlight Flasher; Combination Light Controller/Siren; Speaker and Bracket; Four Corner LED System, may be blue, red, amber, white or any combination – Please specify color.

**ECONOMIC UNMARKED PATROL PACKAGE:**

CEUMP – LED Code 3: Basic LED Unmarked Patrol Package - Consist of Interior Rearview Mirror (XT601-XX-SS), Grille (XT4-XX) and Rear Deck LED System XT6-02-XX; Headlight Flasher (900 series - specify vehicle); four HB915W Code 3 LED hide-a-blast corner lights Basic (6) Switch Controller: Siren & Light Controller: 3892L6 Master Com or 3997R-CC or Handheld H2 Covert 3599L5.; Speaker and Bracket(s) - LED lights may be blue, red, amber or any combination - specify color.

FEUMP – LED Federal Signal: Basic LED Unmarked Patrol Package - Consist of Interior Rearview Mirror, Grille and Rear Deck LED System (Minimum 2 Lights in Each Position); Headlight Flasher; Four Corner Strobe System (60 Watt Power Supply Minimum); Basic (6) Switch Controller; Siren, Speaker and Bracket(s) - LED lights may be blue, red, amber or any combination - specify color.

REUMP-LED Rontan mount consists of 3 LED Light head Visor Light, Mini-deck Light, and 2 1-Head Grill Lights, Compact, Ultra Slim LC4000 digital light controller

with soft-touch switches, user assign ability functionality, speaker, and brackets.

- SEUMP – LED                      Signal: Basic LED Unmarked Patrol Package - Consist of Interior Rearview Mirror, Grille and Rear Deck LED System (Minimum 2 Lights in Each Position); Headlight Flasher; Four Corner Strobe System (60 Watt Power Supply Minimum) SB4020 (6) Switch Controller; LCS670 100Watt Siren, Speaker and Brackets - LED lights may be blue, red, amber or any combination - specify color.
- SOEUMP – LED                     SoundOff Signal Basic LED Unmarked Patrol Package - Consist of Interior Rearview Mirror, Grille and Rear Deck LED System (Minimum 2 Lights in Each Position); Headlight and tail light flashers; Four Corner Strobe System (60 Watt Power Supply Minimum); Combination Light Controller/Siren, Speaker and Bracket(s) - LED lights may be blue, red, amber or any combination - specify color.
- WEUMP – LED                      Whelen: Basic All LED Unmarked Patrol Package - Consist of Interior Rearview Mirror, Grille and Rear Deck LED System (Minimum 2 Lights in Each Position) LED lights may be blue, red, amber or any combination – please specify color; Headlight Flasher; Basic (6) Switch Controller; 100 Watt, Full Function Siren, Speaker and Bracket; Four Corner LED System, may be blue, red, amber, white or any combination – please specify color.
- 911EUMP – LED                    911EP: Basic LED Unmarked Patrol Package - Consist of Interior Rearview Mirror, Grille and Rear Deck LED System (Minimum 2 Lights in Each Position); Headlight Flasher; Four Corner Strobe System (60 Watt Power Supply Minimum); Basic (6) Switch Controller; Siren, Speaker and Bracket(s) - LED lights may be blue, red, amber or any combination - specify color.

**ADMINISTRATIVE VEHICLE PACKAGE:**

- CAVP                                  Code 3: Administrative Vehicle Package - Consist of Interior Rearview Mirror LED Light: XT4-02XX; Rear Deck LED Lights (Minimum of 2) XT6-02XX; Headlight Flasher: Code 3 900 series (specify year, make, model); Four Corner LED Hide-a-blast HB915X lights; Combination Light Controller/Siren: H2 Covert hand-held 3599L5 siren; C3100 Speaker and Bracket - LED lights may be blue, red, amber or any combination - specify color.
- FAVP                                  Federal Signal: Administrative Vehicle Package - Consist of Interior Rearview Mirror LED Light; Rear Deck or Headliner LED Lights (Minimum of 2); Headlight Flasher; Four Corner Strobe System (60 Watt Power Supply Minimum); Combination Light Controller/Siren; Speaker and Bracket - LED lights may be blue, red, amber, or any combination - specify color.
- RAVP                                  Rontan interior front and rear mount, vehicle specific, low profile LED Scoutlight-S light assembly, one piece flash guard, field up-gradable to different color configurations. Interior or exterior mount, LED Slimlight-S light stick, available in 5, 9, 17, 25 or 33 inch lengths. Combination Light Controller / Siren, Speaker, and Bracket.
- SAVP                                  Signal: Administrative Vehicle Package - Consist of Interior Rearview Mirror LED Light; Rear Deck or Headliner LED Lights (Minimum of 2); Headlight Flasher; Four Corner Strobe System (60 Watt Power Supply Minimum); Choice

of LCS770 Combination Light Controller/Siren or LCS 880 Full Feature Handheld Light Controller/Siren, Speaker and Bracket - LED lights may be blue, red, amber or any combination - specify color.

SOAVP

SoundOff Signal Administrative Vehicle Package - Consist of Interior Rearview Mirror LED Light; Rear Deck or Headliner LED Lights (Minimum of 2); Headlight Flasher; Tail light flasher; Four Corner Strobe System (60 Watt Power Supply Minimum); Combination Light Controller/Siren; Speaker and Bracket - LED lights may be blue, red, amber or any combination - specify color.

WAVP

Whelen: All LED Administrative Vehicle Package - Consist of Interior Rearview Mirror LED Light; Rear Deck or Headliner LED Lights (Minimum of 2); LED lights may be blue, red, amber or any combination – please specify color. Headlight Flasher; Combination Light Controller/Siren; Speaker and Bracket; Four Corner LED System, may be blue, red, amber, white or any combination – please specify color.

## FULL SIZE PURSUIT VEHICLES - RWD (POLICE PACKAGE) SPECIFICATION #1

2010 Ford Crown Victoria (P7B/720A)

2010 Dodge Charger (LXDH48/29A)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard V8 engine, minimum 250 HP, oil cooler, alternator, battery, and cooling package.

2. TRANSMISSION:

- a. Manufacturer's standard automatic transmission.

3. AXLES:

- a. Manufacturer's standard axle ratio for pursuit vehicle.

4. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering designed for pursuit vehicle.
- b. Manufacturer's standard gauges and certified speedometer.
- c. 5" round dome lamp between sunvisors, independently switched.

5. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard trunk opener, electric, remote unit location.
- d. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).
- e. Manufacturer's standard AM/FM stereo.
- f. Heavy-duty rubber floor covering.
- g. Power door locks and power windows.
- h. Cloth front bucket seats and vinyl rear bench seat.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Speed rated blackwall tires with full size spare tire.
- b. Manufacturer's standard production wheel covers.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Factory front and rear door molding.

c. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**FULL SIZE PURSUIT VEHICLES - RWD (POLICE PACKAGE)  
SPECIFICATION #1**

**2010 Ford Crown Victoria (P7B/720A)**

The Ford Crown Victoria (P7B/720A) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$20,578.00	\$20,578.00	\$20,578.00	\$20,578.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**FULL SIZE PURSUIT VEHICLES - RWD (POLICE PACKAGE)  
SPECIFICATION #1**

**2010 Dodge Charger (LXDH48/29A)**

The Dodge Charger (LXDH48/29A) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★ Western	★ Northern	★ Central	★ Southern
BASE PRICE:	\$19,988.00	\$19,988.00	\$19,988.00	\$19,988.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FULL SIZE PURSUIT VEHICLES - FWD (POLICE PACKAGE)  
SPECIFICATION #2**

**2010 Chevrolet Impala (1WS19/9C1)**

The Chevrolet Impala (1WS19/9C1) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$18,406.00	\$18,406.00	\$18,406.00	\$18,406.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

### **ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

#### **1. ENGINE:**

a. Manufacturer's standard V8 engine, or minimum V6, alternator, battery, and cooling package.

#### **2. TRANSMISSION:**

a. Manufacturer's standard automatic transmission/transaxle.

#### **3. PERFORMANCE ITEMS:**

a. Manufacturer's standard power steering.  
b. Manufacturer's standard gauges.

#### **4. COMFORT ITEMS:**

a. Manufacturer's standard air conditioning with 134A system.  
b. Manufacturer's standard tinted glass all around.  
c. Manufacturer's standard trunk opener, electric, remote unit location.  
d. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).  
e. Manufacturer's standard AM/FM stereo.  
f. Carpet floor covering, with front and rear floor mats.  
g. Power door locks, power windows, cruise control and tilt steering wheel.  
h. Manufacturer's standard production seats. Purchaser will select color at time of order.

#### **5. BRAKES:**

a. Four wheel anti-lock brake ABS system.

#### **6. SAFETY ITEMS:**

a. Dual outside mirrors and inside rearview mirror.  
b. Interior dome light(s), with left and right door activated switches.  
c. Minimum 2-speed electric wipers and windshield washer.  
d. Manufacturer's standard air bags.

#### **7. TIRES AND WHEELS:**

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim.

8. CHASSIS, FRAME, CAB:

- a. Inside hood release.
- b. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- c. Manufacturer's standard door molding.
- d. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FULL SIZE 4-DOOR ADMINISTRATIVE VEHICLES  
SPECIFICATION #4**

**2010 Ford Crown Victoria (P7C)**

The Ford Crown Victoria (P7C) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,199.00	\$21,226.00	\$21,226.00	\$21,236.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**FULL SIZE 4-DOOR ADMINISTRATIVE VEHICLES  
SPECIFICATION #4**

**2010 Chevrolet Impala (1WB19)**

The Chevrolet Impala (1WB19) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$16,567.00	\$16,467.00	\$16,467.00	\$16,567.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

#### **ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **ENGINE:**

- a. Manufacturer's 6 cylinder gasoline engine, alternator, battery, and cooling package.

2. **TRANSMISSION:**

- a. Manufacturer's standard automatic transmission and axle ratio.

3. **PERFORMANCE ITEMS:**

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. **COMFORT ITEMS:**

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard trunk opener, electric, remote unit location.
- d. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).
- e. Manufacturer's standard AM/FM stereo.
- f. Manufacturer's standard floor covering, with front and rear floor mats.
- g. Power door locks, power windows, cruise control and tilt steering wheel.
- h. Manufacturer's standard production seats. Purchaser will select color at time of order.

5. **BRAKES:**

- a. Four wheel anti-lock brake ABS system.

6. **SAFETY ITEMS:**

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome light(s), with left and right door activated switches.
- c. Minimum 2-speed electric wipers and windshield washer.
- d. Manufacturer's standard air bags.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim.

8. CHASSIS, FRAME, CAB:

- a. Inside hood release.
- b. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- c. Manufacturer's standard door molding.
- d. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**MID SIZE 4-DOOR ADMINISTRATIVE VEHICLES  
SPECIFICATION #5**

**2010 Ford Fusion (P0H)**

The Ford Fusion (P0H) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$16,489.00	\$16,421.00	\$16,492.00	\$16,492.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**2010 Dodge Avenger (JSDH41)**

The Dodge Avenger (JSDH41) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$15,038.00	\$14,829.00	\$14,829.00	\$14,873.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **ENGINE:**

a. Manufacturer's 4 cylinder gasoline engine, alternator, battery, and cooling package.

2. **TRANSMISSION:**

a. Manufacturer's standard automatic transmission and axle ratio.

3. **PERFORMANCE ITEMS:**

a. Manufacturer's standard power steering.  
b. Manufacturer's standard gauges.

4. **COMFORT ITEMS:**

a. Manufacturer's standard air conditioning with 134A system.  
b. Manufacturer's standard tinted glass all around.  
c. Manufacturer's standard trunk opener.  
d. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).  
e. Manufacturer's standard AM/FM stereo.  
f. Manufacturer's standard floor covering, with front and rear floor mats.  
g. Manufacturer's standard production seats. Purchaser will select color at time of order.

5. **BRAKES:**

a. Four wheel anti-lock brake ABS system.

6. **SAFETY ITEMS:**

a. Dual outside mirrors and inside rearview mirror.  
b. Interior dome light(s), with left and right door activated switches.  
c. Minimum 2-speed electric wipers and windshield washer.

d. Manufacturer's standard air bags.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Inside hood release.
- b. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- c. Manufacturer's standard door molding.
- d. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**COMPACT 4-DOOR ADMINISTRATIVE VEHICLES  
SPECIFICATION #6**

**2010 Ford Focus (P3E)**

The Ford Focus (P3E) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$11,450.00	\$11,371.00	\$11,435.00	\$11,450.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$15,832.00	\$15,832.00	\$15,732.00	\$15,882.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**COMPACT 4-DOOR ADMINISTRATIVE VEHICLES  
SPECIFICATION #6**

**2010 Toyota Corolla (1832)**

The Toyota Corolla (1832) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$16,031.00	\$15,813.00	\$15,763.00	\$15,763.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **ENGINE:**

- a. Manufacturer's standard cooling system.
- b. Manufacturer's standard gasoline electric hybrid propulsion system.

2. **TRANSMISSION:**

- a. Manufacturer's automatic transmission, continuously variable.

3. **AXLE:**

- a. Manufacturer's standard drive axle ratio for specified engine and transmission combination.

4. **PERFORMANCE ITEMS:**

- a. Manufacturer's standard power steering.
- b. Parking brake warning light.

5. **COMFORT ITEMS:**

- a. Manufacturer's standard air conditioning system.
- b. Manufacturer's standard tinted glass all around.
- c. Power windows and power door locks.
- d. Cruise control, factory installed.
- e. Tilt steering wheel.
- f. Manufacturer's standard AM/FM stereo.
- g. Manufacturer's standard trunk opener, electric, remote unit location.
- h. Manufacturer's standard floor covering.
- i. Manufacturer's standard production seats. Purchaser will select color at time of order.
- j. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

6. **SAFETY ITEMS:**

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome light(s), with left and right door activated switches.
- c. Minimum 2-speed electric wipers and windshield washer.
- d. Manufacturer's standard air bags.

7. BRAKES:

- a. Four wheel anti-lock brake ABS system.

8. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

9. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.

10. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**2010 Honda Civic (FA3629EW)**

The Honda Civic (FA3629EW) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$23,820.00	\$23,745.00	\$23,670.00	\$23,745.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2010 Electro Neighbor Buddy (2P)  
2010 Global Electric Motors (e2)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. POWER:

- a. DC electric motor, 48 volt minimum
- b. On-board A C/DC charging system
- c. Regenerative braking system
- d. Manufacturer's heavy duty deep cycle batteries.

2. TRANSMISSION/AXLES:

- a. Enclosed internally lubricated differential/transaxle.
- b. Manufacturer's standard axle ratio.

3. CHASSIS/STEERING:

- a. 1100 lbs. GVWR minimum.
- b. Metal framework chassis
- c. Rack and pinion automotive type steering

4. TIRES AND WHEELS:

- a. D.O.T. rated tires for on-road use.
- b. D.O.T. on-road wheels.

5. PERFORMANCE ITEMS:

- a. Vehicle must be street legal on streets posted with 35 MPH or below.

6. BRAKES:

- a. 4-wheel hydraulic brake system with split system master cylinder.
- b. Disc or drum brakes with automatic adjusters acceptable.
- c. Manual parking brake

7. COMFORT ITEMS:

- a. Two passenger seating.
- b. Manufacturer's standard seating.
- c. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

8. SAFETY ITEMS:

- a. D.O.T. rated safety glass windshield

- b. Windshield wiper
- c. Outside rearview mirrors, left and right sides.
- d. Inside rearview mirror.
- e. D.O.T. rated rear and side reflectors.
- f. Manufacturer's standard headlights
- g. Horn
- h. D.O.T. rated seat belts.
- i. Vehicle must have a 17 digit VIN and be able to be licensed in the State of Florida as a LSV.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**STREET LEGAL GOLF CART  
SPECIFICATION #8**

**2010 Global Electric Motors (e2)**

The Global Electric Motors (e2) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$7,915.00	\$7,915.00	\$7,915.00	\$7,915.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **POWER:**

- a. DC electric motor, 48 volt minimum
- b. On-board A C/DC charging system
- c. Regenerative braking system
- d. Manufacturer's heavy duty deep cycle batteries.

2. **TRANSMISSION/AXLES:**

- a. Enclosed internally lubricated differential/transaxle.
- b. Manufacturer's standard axle ratio.

3. **CHASSIS/STEERING:**

- a. 1850 lbs. GVWR minimum.
- b. Metal framework chassis
- c. Rack and pinion automotive type steering

4. **TIRES AND WHEELS:**

- a. D.O.T. rated tires for on-road use.
- b. D.O.T. on-road wheels.

5. **PERFORMANCE ITEMS:**

- a. Vehicle must be street legal on streets posted with 35 MPH or below.

6. **BRAKES:**

- a. 4-wheel hydraulic brake system with split system master cylinder.
- b. Disc or drum brakes with automatic adjusters acceptable.
- c. Manual parking brake

7. **COMFORT ITEMS:**

- a. Two passenger seating.
- b. Manufacturer's standard seating.
- c. Rubber floor mats.
- d. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

8. **SAFETY ITEMS:**

- a. D.O.T. rated safety glass windshield
- b. Windshield wiper
- c. Outside rearview mirrors, left and right sides.
- d. Inside rearview mirror.
- e. D.O.T. rated rear and side reflectors.
- f. Manufacturer's standard headlights.
- g. Horn
- h. D.O.T. rated seat belts.
- i. Vehicle must have a 17 digit VIN and be able to be licensed in the State of Florida as a LSV.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **POWER:**

- a. DC electric motor, 48 volt minimum
- b. On-board A C/DC charging system
- c. Regenerative braking system
- d. Manufacturer's heavy duty deep cycle batteries.

2. **TRANSMISSION/AXLES:**

- a. Enclosed internally lubricated differential/transaxle.
- b. Manufacturer's standard axle ratio.

3. **CHASSIS/STEERING:**

- a. 2100 lbs. GVWR minimum.
- b. Metal framework chassis
- c. Rack and pinion automotive type steering

4. **TIRES AND WHEELS:**

- a. D.O.T. rated tires for on-road use.
- b. D.O.T. on-road wheels.

5. **PERFORMANCE ITEMS:**

- a. Vehicle must be street legal on streets posted with 35 MPH or below.

6. **BRAKES:**

- a. 4-wheel hydraulic brake system with split system master cylinder.
- b. Disc or drum brakes with automatic adjusters acceptable.
- c. Manual parking brake

7. **COMFORT ITEMS:**

- a. Two passenger seating.
- b. Manufacturer's standard seating.
- c. Rubber floor mats.
- d. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

8. **SAFETY ITEMS:**

- a. D.O.T. rated safety glass windshield
- b. Windshield wiper
- c. Outside rearview mirrors, left and right sides.
- d. Inside rearview mirror.
- e. D.O.T. rated rear and side reflectors.
- f. Manufacturer's standard headlights
- g. Horn
- h. D.O.T. rated seat belts.
- i. Vehicle must have a 17 digit VIN and be able to be licensed in the State of Florida as a LSV.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**LOW SPEED ELECTRIC UTILITY VEHICLE  
SPECIFICATION #10**

**2010 Electro Bubble Buddy Deluxe**

The Electro Bubble Buddy Deluxe purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$10,595.00	\$10,595.00	\$10,595.00	\$10,595.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

## FOUR WHEELED ROBOTIC MOBILITY PLATFORM, ELECTRIC SPECIFICATION #13

2010 Segway RMP 400

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. POWER:

- a. Electric power with built-in charger, 100-240 VAC input
- b. Four Saphion? Lithium ION battery packs
- c. Max speed 18 mph
- d. Max range 10-15 miles
- e. Max Payload 400 pounds
- f. Operating Temperature range 14-122 degrees F.

2. CHASSIS:

- a. Aluminum plate
- b. Total weight 240 pounds

3. TIRES AND RIMS:

- a. 21" tire diameter
- b. Footprint 30" x 44" (

4. SAFETY ITEMS:

- a. Emergency stop switch

5. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**FOUR WHEELED ROBOTIC MOBILITY PLATFORM, ELECTRIC  
SPECIFICATION #13**

**2010 Segway RMP 400**

The Segway RMP 400 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★ Western	★ Northern	★ Central	★ Southern
BASE PRICE:	\$42,150.00	\$42,150.00	\$42,150.00	\$42,150.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**OFF-ROAD UTILITY VEHICLE - 4 WHEEL DRIVE  
SPECIFICATION #15**

**2010 John Deere Gator HPX**

The John Deere Gator HPX purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$8,145.00	\$8,145.00	\$8,145.00	\$8,145.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

# FLORIDA SHERIFFS ASSOCIATION, FLORIDA ASSOCIATION OF COUNTIES & FLORIDA FIRE CHIEFS' ASSOCIATION

## SPECIAL DUTY POLICE MOTORCYCLE SPECIFICATION #16

2010 Buell® Ulysses® (XB12XP)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

### 1. ENGINE:

- a. Thunderstorm® air / oil / fan-cooled 73.4 cubic inch (1203 CC) 45° V-Twin
- b. Overhead Valves
- c. Two Valves per Cylinder
- d. Self-Adjusting Hydraulic Lifters requiring no maintenance service adjustments
- e. Compression Ratio 10.0:1
- f. 49 mm down draft DDFI III fuel injection

### 2. CLUTCH/TRANSMISSION:

- a. Clutch shall be of the latest multiple plate design, wet.
- b. Transmission to be of latest design, manual type, with not less than five (5) forward speeds.
- c. Primary Drive-chain, 57/38 ratio.
- d. Gear Ratios: 1st: 2.648; 2nd: 1.892; 3rd: 1.407; 4th: 1.166; 5th: 1.000
- e. Final Drive-14mm pitch aramid-reinforced Veyance Hibrex® belt with Flexton® Plus technology

### 3. BRAKES:

- a. Disc brakes for both front and rear wheels.
- b. Front having ZTL™-type brake, 6-piston, fixed caliper, 375mm single –sided, inside out, stainless steel, floating rotor.
- c. Rear having a single-piston, floating caliper, 240mm stainless steel, fixed rotor.

### 4. SUSPENSION:

- a. Motorcycles shall be provided with a suspension system to permit optimum handling conditions as required in law enforcement.
- b. Front-47mm Showa® inverted forks with rearward offset axle, adjustable compression damping, rebound damping and spring preload.
- c. Rear-Showa® coil over monoshock with remote reservoir and remote spring preload adjustment, fully adjustable (compression damping, rebound damping and spring preload).

### 5. WHEELS/TIRES:

- a. Front and Rear Reinforced XB-type 6-spoke cast aluminum.
- b. Tubeless type tires Front and Rear

### 6. FUEL TANK:

- a. Fuel tank to have a capacity of 4.4 U.S. gallons (16.7 liters) with a 0.83 U.S. gallon (3.1 liter) reserve.
- b. Electric fuel pump.

7. ELECTRICAL SYSTEM:

- a. Battery. Sealed, maintenance-free, 12-volt, 12 amp / hour, 200 cca (per Battery Council International Rating)
- b. Charging System, 30-amp, permanent magnet, single phase alternator with solid-state regulator (405W @ 3000 rpm, 405W peak).
- c. Starting System. 1.2 kW electric with solenoid shift starter motor engagement.
- d. Horn. Sound level audible above motorcycle and traffic-generated noise.

8. LIGHTING SYSTEM:

- a. Twin Quartz Halogen Headlight, (H7), 55-watt low beam, 55-watt high beam.
- b. Tail light.
- c. Turn Signals, manual cancelling

9. VISUAL DISPLAYS:

- a. Electronic Speedometer
- b. Tachometer
- c. Odometer
- d. Dual Tripmeters
- e. High beam, neutral, low fuel (plus odometer shows miles traveled on reserve), turn signal and engine diagnostic indicator lamps, clock.

10. FEATURE REQUIREMENTS:

- a. Narrow saddlebags (stock with motorcycle)
- b. Pursuit Lamps - "Plug and Play" Emergency Response Kit provides siren, Tour Pak and LED lighting package, front-two forward facing TIR 3 LED lamps. Two forward facing PAR 36 LED lamps. Two lateral facing TIR 3 LED lamps, one on each side. Rear-four lateral facing TIR 3 LED lamps, two on each side. Four rearward facing TIR 3 LED lamps. Kits offered in three different color configurations with integrated hand controls.
- c. Tour Pak with Emergency / Pursuit Lighting System, siren, and amp (pick one part number)
- d. C1160.1AU (Red & Blue LED lights)
- e. C1161.1AU (Red & Red LED lights)
- f. C1162.1AU (Blue & Blue LED lights)
- g. OE Heated Grips
- h. Wheelbase. 54.4 inches (1382 mm)
- i. Laden Seat Height. 31.8 in. (808 mm)
- j. Gross Vehicle Weight Rating. 950 lbs. (431 kg.)
- k. Dry Weight. 480 lbs. (218 kg.)
- l. Color: solid black or solid white.

11. WARRANTY:

- a. Service Intervals. 1st 1000 miles and then every 5000 miles thereafter.
- b. Warranty. 24 months, unlimited mileage.

12. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**SPECIAL DUTY POLICE MOTORCYCLE  
SPECIFICATION #16**

**2010 Buell® Ulysses® (XB12XP)**

The Buell® Ulysses® (XB12XP) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$13,750.00	\$13,750.00	\$13,750.00	\$13,750.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

## **POLICE MOTORCYCLE SPECIFICATION #17**

2010 Harley Davidson Road King (FLHP)  
2010 Harley Davidson Electra Glide (FLHTP)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

### **1. ENGINE:**

- a. Piston displacement of not less than 1690cc OHV Twin Cam 103® Vibration Isolated V-Twin, air-cooled with two cylinders equipped with overhead valves and featuring EITMS (Engine Idle Temperature Management System), producing minimal vibration frequencies and magnitudes. Engine and transmission isolated from motorcycle frame utilizing a rubber mounting system.
- b. Powertrain deluxe chrome group designed for low maintenance; black powder coat finish on engine; chrome rocker boxes, timer cover, outer primary housing & transmission covers.
- c. Compression ratio: 9:6:1
- d. Electronic Sequential Port Fuel Injection System (ESPFI)
- e. Chain Drive Twin Cams
- f. Hydraulic Lifters requiring no maintenance service adjustments

### **2. CLUTCH/TRANSMISSION:**

- a. Clutch shall be of the latest multiple nine (9) plate design, wet.
- b. Transmission to be of latest design, manual type, with not less than six (6) forward speeds.
- c. Clutch disengage for starter motor operation.
- d. Primary Drive, double-row chain, 34/46 ratio.
- e. Greaseless shifter shaft with "anti-vibration" rubber spacers.
- f. Gear Ratios: 1st: 9.593; 2nd: 6.650; 3rd: 4.938; 4th: 4.000; 5th: 3.407; 6th: 2.875

### **3. BRAKES:**

- a. Hydraulic disc brakes for both front and rear wheels. Front brake having dual 11.81-inch diameter drilled discs; rear brake shall be single disc. Brakes shall be relatively free of heat fade, with four (4) piston calipers and uniform expanding rotors. Note: Optional Anti-Lock Braking System available (Independent Anti-Lock System).

### **4. SUSPENSION:**

- a. Motorcycles shall be provided with a suspension system to permit optimum handling conditions as required in law enforcement.
- b. 41.3 mm telescopic front forks. Rear air-adjustable shocks.
- c. Rear suspension swing arm bearings shall require no lubrication for life of the motorcycle.

### **5. WHEELS/TIRES:**

- a. Black Slotted Disc Cast Aluminum wheels, rim material to be impermeable to compressed air.
- b. Tubeless type tires to have non-skid tread, designed to operate on paved highways and shall have a full, four-ply fabric reinforcement. Bead-retention tires designed to remain on wheel during sudden loss of pressure.

- c. Sealed automotive style wheel bearings requiring no end play adjustment and service interval of 100,000 miles (160,000 km).

6. FUEL TANK:

- a. Fuel tank to have a capacity of six (6) U.S. gallons (or 22.71 liters). Must provide a minimum of 1 gal (3.8 L) reserve fuel capacity when main supply is exhausted.
- b. Electric fuel pump.

7. ELECTRICAL SYSTEM:

- a. Battery. Sealed, heavy-duty maintenance-free, 12-volt, minimum rated capacity – 28 ampere hours (Battery Council International rating), 270 cold cranking amps.
- b. Ignition. Non-waste spark, alpha control.
- c. Charging System. Three-phase, 50-amp high output alternator, solid state regulator.
- d. Connectors. Industrial grade throughout, provided with electrical accessory connection.
- e. Hand Controls. Water-resistant, integrated switches.
- f. Starting System. 12-volt starter, solenoid operated engagement, relay required.
- g. Horn. Sound level audible above motorcycle and traffic-generated noise.

8. LIGHTING SYSTEM:

- a. Quartz Halogen Headlight, 55 watt low beam and 60 watt high beam.
- b. Pursuit lamps front mounted PAR-36, one red and one blue (incandescent).
- c. Tail light.
- d. Turn Signals, self-canceling system.
- e. Flashers, four-way, integrated into turn signal switches.
- f. License plate lighting, two blue indicator lamps.
- g. Fender tip running lights, amber in front, red in the rear.

9. VISUAL DISPLAYS:

- a. Speedometer. Analog speedometer, range 0-120mph (or kph equivalent), (2) re-settable trip meters.
- b. Odometer. Calibrated, cumulative.
- c. Tachometer. Analog.
- d. Fuel level gauge.
- e. Emergency Light Activation Indicator.
- f. Sight glass on brake master cylinders.
- g. Fuel Mileage countdown till empty displayed in odometer window when Low fuel indicator lamp is lit.
- h. Turn Signal Indicators
- i. Neutral Indicator
- j. High beam Indicator
- k. Low Oil pressure Indicator
- l. Engine diagnostic light
- m. ABS indicator lamp (if equipped with optional ABS)
- n. Security Lamp (if equipped with optional security system)

10. FEATURE REQUIREMENTS:

- a. Seat. Deluxe solo air saddle, special police type, breathable material covering, single air bladder suspension with reservoir and integral gauge.
- b. Side Stand. Jiffy stand with electronic disengage to prevent drive off with jiffy stand deployed.
- c. Foot Boards. pivoting type with non-skid rubber pads.
- d. Guards. Front engine guard bar and rear saddlebag guard bars.
- e. Saddlebags. Factory installed, law enforcement type Injection Molded GTX saddlebags, approximately 2000 cubic inches of storage space per bag, water-resistant, utilizing police style speed latches.
- f. Drive. Final belt drive with a rubber isolated 68 tooth rear drive sprocket.
- g. Chrome, two into one into two exhaust system
- h. Windshield
- i. FLHP - Constructed of Lexan or clear polycarbonate, designed to break away with minimal force.
- j. FLHTP – Fork mounted fairing with windshield of Lexan or clear polycarbonate, designed to break away with minimal force.
- k. Mirrors. Two (2) long stem true image mirrors.
- l. Key. One key fits all locks.

- m. Wheelbase. 63.5 inches (1613.9 mm).
- n. Laden Seat Height. 27.3 in. (693.4 mm).
- o. Gross Vehicle Weight Rating. 1360 lbs. (616.8 kg.)
- p. Dry Weight. 791 lbs. (358.7 kg.)
- q. Running Order. 828 lbs. (375.5 kg.)

11. WARRANTY:

- a. Warranty: 24 months (unlimited mileage)
- b. Service Interval: First 1000 miles; every 5000 miles thereafter – both models.

12. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

## MOTORCYCLE SPECIFICATION #18

2010 Harley Davidson Sportster (XL883L)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Piston displacement of not less than 883cc Electronic Sequential Port Fuel Injection V-Twin, air-cooled, with two cylinders equipped with overhead valves, producing minimal vibration frequencies and magnitudes. Engine and transmission isolated from motorcycle frame through a rubber mounting system.
- b. Powertrain silver powder coated engine with polished treatment.
- c. Chrome, staggered dual exhausts

2. CLUTCH/TRANSMISSION:

- a. Clutch shall be of the latest multiple plate design, wet.
- b. Transmission to be of latest design, manual type, with not less than five (5) forward speeds.
- c. Primary Drive, chain.
- d. Final belt drive.
- e. Gear Ratios: 1st: 2.65; 2nd: 1.89; 3rd: 1.41; 4th: 1.17; 5th: 1.00

3. BRAKES:

- a. Disc brakes for both front and rear wheels. Front brake having dual 11.5-inch diameter drilled discs; rear brake shall be single disc. Brakes shall be relatively free of heat fade, with dual piston front and single piston rear, featuring patented, uniform expanding rotors.

4. SUSPENSION:

- a. System permitting optimum handling as required in law enforcement.
- b. Front forks, 39 mm.
- c. Rear shocks, coil over type, dual adjustable preload.
- d. Rear suspension shall have swing arms having mild steel, rectangular tube sections, stamped junctions, MIG welded.

5. WHEELS/TIRES:

- a. Silver, Aluminum Cast Alloy wheels required; rim material shall be impermeable to compressed air.
- b. Tubeless type tires to have non-skid tread, designed to operate on paved roads.
- c. Manufacturer, Dunlop front D401F MH100/90-19, rear D401 MH150/80B -16 blackwall tires.

6. FUEL TANK:

- a. Fuel tank to have a capacity of not less than three and three tenths (3.3) U.S. gallons (or 12.5 liters). Must provide reserve fuel capacity of 0.8 gallon (or 3.0 liters) when main supply is exhausted.

7. ELECTRICAL SYSTEM:

- a. Battery. Sealed, heavy-duty maintenance-free, 12-volt, minimum rated capacity – 12 ampere hours per Battery Council International (BCI) rating, 200 cold cranking amps.
- b. Ignition. Non-waste spark, alpha control.
- c. Charging System. Single-phase 30-amp high output alternator and solid state regulator.
- d. Connectors. Industrial grade throughout.
- e. Hand Controls. Water-resistant switches.
- f. Starting System. 1.2 kW electric with solenoid shift starter motor engagement required.
- g. Horn. Sound level audible above motorcycle and traffic-generated noise.
- h. Lighting. Each motorcycle shall be provided with the following lighting equipment:
  - i. Quartz Halogen Headlight.
  - j. Tail light.
  - k. Turn Signals, self-canceling system.
  - l. Headlamp. Quartz halogen 55-watt low beam and a 60-watt high beam.

8. VISUAL DISPLAYS:

- a. Speedometer. Analog speedometer, to indicate 0-220 Kph
- b. Odometer. Calibrated, cumulative.
- c. Re-settable trip meter and diagnostic readout.
- d. Neutral
- e. Turn signals.
- f. High beam indicator.

9. FEATURE REQUIREMENTS:

- a. Seat. Latest solo saddle.
- b. Handlebars. Stainless steel, low-rise handlebars.
- c. Side Stand. Jiffy stand, rubber bumper design.
- d. Drive. Final belt drive, Gates Aramid fiber, reinforced Poly Chain®.
- e. Mirrors. Two (2) standard mirrors.
- f. Wheelbase. 1520.0 mm
- g. Dry Weight. 251 Kg.
- h. Gross Vehicle Weight Rating. 454 Kg

10. WARRANTY:

- a. Warranty: 24 months, unlimited mileage
- b. Service Interval: First 1000 miles; every 5000 miles thereafter

11. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**MOTORCYCLE  
SPECIFICATION #18**

**2010 Harley Davidson Sportster (XL883L)**

The Harley Davidson Sportster (XL883L) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$7,500.00	\$7,500.00	\$7,500.00	\$7,500.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**2010 Ford Flex (K5B)**

The Ford Flex (K5B) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$24,606.00	\$24,606.00	\$24,606.00	\$24,606.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

# **FLORIDA SHERIFFS ASSOCIATION, FLORIDA ASSOCIATION OF COUNTIES & FLORIDA FIRE CHIEFS' ASSOCIATION**

## **CROSSOVER VEHICLES - FWD SPECIFICATION #19**

### **2010 Dodge Journey (JCDH49)**

The Dodge Journey (JCDH49) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$16,746.00	\$16,549.00	\$16,549.00	\$16,619.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

## **CROSSOVER VEHICLES - FWD SPECIFICATION #19**

### **2010 Toyota Venza (2810)**

The Toyota Venza (2810) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$24,337.00	\$24,087.00	\$23,997.00	\$23,997.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

a. Manufacturer's standard gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/TRANSAXLE:

- a. Four wheel drive to include automatic locking hubs, all required options included.
- b. Limited slip differential on 4-wheel drive, if available (except AWD).
- c. Manufacturer's standard automatic transmission/transaxle.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Manufacturer's standard floor covering.
- f. Manufacturer's standard production seats. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**CROSSOVER VEHICLES - 4X4 OR AWD  
SPECIFICATION #20**

**2010 Chevrolet Traverse (CV14526)**

The Chevrolet Traverse (CV14526) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$25,235.00	\$25,135.00	\$25,085.00	\$25,135.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**CROSSOVER VEHICLES - 4X4 OR AWD  
SPECIFICATION #20**

**2010 Jeep Compass (MKJH49)**

The Jeep Compass (MKJH49) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$18,963.00	\$18,803.00	\$18,803.00	\$18,838.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **ENGINE:**

- a. Manufacturer's standard gasoline electric hybrid propulsion system.
- b. Manufacturer's standard cooling system.

2. **TRANSMISSION:**

- a. Manufacturer's standard automatic transmission.

3. **AXLES:**

- a. Manufacturer's standard drive axle ratio for specified engine and transmission combination.

4. **PERFORMANCE ITEMS:**

- a. Manufacturer's standard power steering.

5. **COMFORT ITEMS:**

- a. Manufacturer's standard air conditioning system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows and power door locks.
- e. Cruise control, factory installed.
- f. Tilt steering wheel.
- g. Manufacturer's standard floor covering.
- h. Manufacturer's standard production seats. Purchaser will select color at time of order.
- i. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

6. **SAFETY ITEMS:**

- a. Dual outside mirrors and inside rearview mirror.
- b. Safety belt reminder.
- c. Minimum 2-speed electric wipers and windshield washer.
- d. Manufacturer's standard air bags.

7. **BRAKES:**

- a. Power disc brakes with 4-wheel ABS.

b. Regenerative braking.

8. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

9. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.

10. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**2010 Ford Escape (U4K)**

The Ford Escape (U4K) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$26,903.00	\$26,891.00	\$26,903.00	\$26,903.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard gasoline electric hybrid propulsion system.
- b. Manufacturer's standard cooling system.

2. TRANSMISSION:

- a. Manufacturer's standard automatic transmission.

3. AXLES:

- a. Manufacturer's standard drive axle ratio for specified engine and transmission combination.

4. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.

5. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows and power door locks.
- e. Cruise control, factory installed.
- f. Tilt steering wheel.
- g. Manufacturer's standard floor covering.
- h. Manufacturer's standard production seats. Purchaser will select color at time of order.
- i. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

6. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Safety belt reminder.
- c. Minimum 2-speed electric wipers and windshield washer.
- d. Manufacturer's standard air bags.

7. BRAKES:

- a. Power disc brakes with 4-wheel ABS.
- b. Regenerative braking.

8. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

9. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.

10. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**HYBRID 4-DOOR UTILITY VEHICLES - 4X4 OR AWD  
SPECIFICATION #22**

**2010 Ford Escape (U5K)**

The Ford Escape (U5K) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$28,412.00	\$28,412.00	\$28,412.00	\$28,412.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

FLORIDA FIRE CHIEFS' ASSOCIATION**

**HYBRID 4-DOOR UTILITY VEHICLES - 4X4 OR AWD  
SPECIFICATION #22**

**2010 GMC Yukon (TK10706/4HY)**

The GMC Yukon (TK10706/4HY) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	-- No bid --	-- No bid --	-- No bid --	\$46,670.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **ENGINE:**

a. Manufacturer's standard gasoline engine, alternator, battery and cooling package.

2. **TRANSMISSION/TRANSAXLE:**

a. Manufacturer's standard automatic transmission/transaxle.

3. **PERFORMANCE ITEMS:**

a. Manufacturer's standard power steering.  
b. Manufacturer's standard gauges.

4. **COMFORT ITEMS:**

a. Manufacturer's standard air conditioning with 134A system.  
b. Manufacturer's standard tinted glass all around.  
c. Manufacturer's standard AM/FM stereo.  
d. Power windows, power door locks, cruise control and tilt steering wheel.  
e. Manufacturer's standard floor covering.  
f. Manufacturer's standard production seats. Purchaser will select color at time of order.  
g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. **SAFETY ITEMS:**

a. Dual outside mirrors and inside rearview mirror.  
b. Interior dome lights with left and right door activated switches.  
c. Manufacturer's standard air bags.

6. **BRAKES:**

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**SMALL SIZE 4-DOOR UTILITY VEHICLES - 4X2  
SPECIFICATION #23**

**2010 Mercury Mariner (N8B)**

The Mercury Mariner (N8B) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$16,424.00	\$16,399.00	\$16,298.00	\$16,399.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**SMALL SIZE 4-DOOR UTILITY VEHICLES - 4X2  
SPECIFICATION #23**

**2010 Chevrolet HHR Panel (1AT26)**

The Chevrolet HHR Panel (1AT26) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$16,322.00	\$16,222.00	\$16,122.00	\$16,322.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$17,159.00	\$17,004.00	\$17,004.00	\$17,004.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**SMALL SIZE 4-DOOR UTILITY VEHICLES - 4X2  
SPECIFICATION #23**

**2010 Toyota Rav4 (4430)**

The Toyota Rav4 (4430) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$20,497.00	\$20,297.00	\$20,197.00	\$20,197.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/TRANSAXLE:

- a. Four wheel drive to include automatic locking hubs, all required options included.
- b. Limited slip differential on 4-wheel drive, if available (except AWD).
- c. Manufacturer's standard automatic transmission/transaxle.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Manufacturer's standard floor covering.
- f. Manufacturer's standard production seats. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

The Ford Escape (U9C) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$16,800.00	\$16,841.00	\$16,841.00	\$16,870.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

The Chevrolet Equinox (1LG26) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$20,071.00	\$20,071.00	\$20,022.00	\$20,172.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**SMALL SIZE 4-DOOR UTILITY VEHICLES - 4X4 OR AWD  
SPECIFICATION #24**

**2010 Dodge Nitro (KA5L74)**

The Dodge Nitro (KA5L74) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$18,221.00	\$18,036.00	\$18,036.00	\$18,111.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**SMALL SIZE 4-DOOR UTILITY VEHICLES - 4X4 OR AWD  
SPECIFICATION #24**

**2010 Toyota Rav4 (4432)**

The Toyota Rav4 (4432) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,716.00	\$21,516.00	\$21,416.00	\$21,416.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **ENGINE:**

a. Manufacturer's standard gasoline engine, alternator, battery and cooling package.

2. **TRANSMISSION/TRANSAXLE:**

a. Manufacturer's standard automatic transmission/transaxle.

3. **PERFORMANCE ITEMS:**

a. Manufacturer's standard power steering.  
b. Manufacturer's standard gauges.

4. **COMFORT ITEMS:**

a. Manufacturer's standard air conditioning with 134A system.  
b. Manufacturer's standard tinted glass all around.  
c. Manufacturer's standard AM/FM stereo.  
d. Power windows, power door locks, cruise control and tilt steering wheel.  
e. Manufacturer's standard floor covering.  
f. Manufacturer's standard production seats. Purchaser will select color at time of order.  
g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. **SAFETY ITEMS:**

a. Dual outside mirrors and inside rearview mirror.  
b. Interior dome lights with left and right door activated switches.  
c. Manufacturer's standard air bags.

6. **BRAKES:**

a. Four wheel anti-lock brake ABS system.

7. **TIRES AND WHEELS:**

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
 FLORIDA ASSOCIATION OF COUNTIES &  
 FLORIDA FIRE CHIEFS' ASSOCIATION**

**MID SIZE 4-DOOR UTILITY VEHICLES - 4X2  
 SPECIFICATION #25**

**2010 Jeep Grand Cherokee Laredo (WKTH74)**

The Jeep Grand Cherokee Laredo (WKTH74) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$18,834.00	\$18,674.00	\$18,674.00	\$18,709.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**MID SIZE 4-DOOR UTILITY VEHICLES - 4X2  
SPECIFICATION #25**

**2010 Nissan Pathfinder (25110)**

The Nissan Pathfinder (25110) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,059.00	\$21,059.00	\$21,259.00	\$21,259.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **ENGINE:**

a. Manufacturer's standard gasoline engine, alternator, battery and cooling package.

2. **TRANSMISSION/TRANSAXLE:**

- a. Four wheel drive to include automatic locking hubs, includes all required options.
- b. Limited slip differential on 4-wheel drive.
- c. Manufacturer's standard automatic transmission/transaxle.

3. **PERFORMANCE ITEMS:**

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. **COMFORT ITEMS:**

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Manufacturer's standard floor covering.
- f. Manufacturer's standard production seats. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. **SAFETY ITEMS:**

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. **BRAKES:**

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**MID SIZE 4-DOOR UTILITY VEHICLES - 4X4  
SPECIFICATION #26**

**2010 Ford Explorer (U7D)**

The Ford Explorer (U7D) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,099.00	\$21,121.00	\$21,171.00	\$21,191.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
 FLORIDA ASSOCIATION OF COUNTIES &  
 FLORIDA FIRE CHIEFS' ASSOCIATION**

**MID SIZE 4-DOOR UTILITY VEHICLES - 4X4  
 SPECIFICATION #26**

**2010 Ford Explorer Sport Trac (U5B)**

The Ford Explorer Sport Trac (U5B) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,899.00	\$21,921.00	\$21,921.00	\$21,921.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**MID SIZE 4-DOOR UTILITY VEHICLES - 4X4  
SPECIFICATION #26**

**2010 Mercury Mountainer (N4H)**

The Mercury Mountainer (N4H) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,674.00	\$21,624.00	\$21,599.00	\$21,624.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
 FLORIDA ASSOCIATION OF COUNTIES &  
 FLORIDA FIRE CHIEFS' ASSOCIATION**

**MID SIZE 4-DOOR UTILITY VEHICLES - 4X4  
 SPECIFICATION #26**

**2010 Nissan Xterra (24210)**

The Nissan Xterra (24210) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$19,897.00	\$19,897.00	\$20,097.00	\$20,097.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **ENGINE:**

a. Manufacturer's standard V8 gasoline engine, alternator, battery and cooling package.

2. **TRANSMISSION/TRANSAXLE:**

a. Manufacturer's standard automatic transmission/transaxle.

3. **PERFORMANCE ITEMS:**

a. Manufacturer's standard power steering.  
b. Manufacturer's standard gauges.

4. **COMFORT ITEMS:**

a. Manufacturer's standard air conditioning with 134A system.  
b. Manufacturer's standard tinted glass all around.  
c. Manufacturer's standard AM/FM stereo.  
d. Power windows, power door locks, cruise control and tilt steering wheel.  
e. Heavy duty rubber floor covering, if available.  
f. Seating: cloth front seats with vinyl rear seat, if available. Purchaser will select color at time of order.  
g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. **SAFETY ITEMS:**

a. Dual outside mirrors and inside rearview mirror.  
b. Interior dome lights with left and right door activated switches.  
c. Manufacturer's standard air bags.

6. **BRAKES:**

a. Four wheel anti-lock brake ABS system.

7. **TIRES AND WHEELS:**

a. Manufacturer's standard tires and wheels.  
b. Manufacturer's standard spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.
- c. Full perimeter frame, ladder type.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

SPECIFICATION #27**

**2010 Ford Expedition (U1F))**

The Ford Expedition (U1F)) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$22,899.00	\$22,881.00	\$22,917.00	\$22,917.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

BASE PRICE:	\$26,596.00	\$26,596.00	\$26,596.00	\$26,535.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**FULL SIZE 4-DOOR UTILITY VEHICLES - 4X2  
SPECIFICATION #27**

**2010 Jeep Commander (XKTH74)**

The Jeep Commander (XKTH74) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$23,571.00	\$23,446.00	\$23,481.00	\$23,446.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
 FLORIDA ASSOCIATION OF COUNTIES &  
 FLORIDA FIRE CHIEFS' ASSOCIATION**

**FULL SIZE 4-DOOR UTILITY VEHICLES - 4X2  
 SPECIFICATION #27**

**2010 Nissan Armada (26110)**

The Nissan Armada (26110) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$28,195.00	\$28,195.00	\$28,395.00	\$28,395.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. **ENGINE:**

- a. Manufacturer's standard V8 gasoline engine, alternator, battery and cooling package.

2. **TRANSMISSION/TRANSAXLE:**

- a. Four wheel drive to include automatic locking hubs, includes all required options.
- b. Limited slip differential or traction control on 4-wheel drive.
- c. Manufacturer's standard automatic transmission/transaxle.

3. **PERFORMANCE ITEMS:**

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. **COMFORT ITEMS:**

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Heavy duty rubber floor covering, if available.
- f. Seating: cloth front seats with vinyl rear seat, if available. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. **SAFETY ITEMS:**

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. **BRAKES:**

- a. Four wheel anti-lock brake ABS system.

7. **TIRES AND WHEELS:**

- a. Manufacturer's standard tires and wheels.

b. Manufacturer's standard spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.
- c. Full perimeter frame, ladder type.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**FULL SIZE 4-DOOR UTILITY VEHICLES - 4X4  
SPECIFICATION #28**

**2010 Chevrolet Tahoe 1500 (CK10706/1FL)**

The Chevrolet Tahoe 1500 (CK10706/1FL) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$26,448.00	\$26,298.00	\$26,248.00	\$26,273.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**FULL SIZE 4-DOOR UTILITY VEHICLES - 4X4  
SPECIFICATION #28**

**2010 Jeep Commander (XKJH74)**

The Jeep Commander (XKJH74) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$25,870.00	\$25,745.00	\$25,780.00	\$25,745.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**1/2 TON 4-DOOR EXTENDED WHEELBASE 6 PASSENGER UTILITY  
VEHICLES - 4X2  
SPECIFICATION #29**

**2010 Chevrolet Suburban 1500 (CC10906/1FL)**

The Chevrolet Suburban 1500 (CC10906/1FL) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$29,276.00	\$29,276.00	\$29,194.00	\$29,219.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**2010 GMC Yukon XL 1500 (TC10906/1SA)**

The GMC Yukon XL 1500 (TC10906/1SA) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$29,459.00	\$29,309.00	\$29,259.00	\$29,284.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2010 GMC Yukon 1500 XL (TK10906/1SA)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard V8 gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/TRANSAXLE:

- a. Manufacturer's standard automatic transmission/transaxle.
- b. Four wheel drive to include automatic locking hubs, includes all required options.
- c. Limited slip differential or traction control on 4-wheel drive.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Heavy duty rubber floor covering, if available.
- f. Seating: cloth front seats with vinyl rear seat, if available. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Full size spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.
- c. Full perimeter frame, ladder type.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

VEHICLES - 4X4  
SPECIFICATION #30**

**2010 Ford Expedition EL (K1G)**

The Ford Expedition EL (K1G) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$29,319.00	\$29,319.00	\$29,319.00	\$29,319.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

VEHICLES - 4X4  
SPECIFICATION #30**

**2010 GMC Yukon 1500 XL (TK10906/1SA)**

The GMC Yukon 1500 XL (TK10906/1SA) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$31,937.00	\$31,787.00	\$31,737.00	\$31,762.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2010 GMC Yukon XL 2500 (TC20906/1SA)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard V8 gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/TRANSAXLE:

- a. Manufacturer's standard automatic transmission/transaxle.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Heavy duty rubber floor covering, if available.
- f. Seating: cloth front seats with vinyl rear seat, if available. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Full size spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.
- c. Full perimeter frame, ladder type.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

SPECIFICATION #31**

**2010 Chevrolet Suburban 2500 (CC20906/1FL)**

The Chevrolet Suburban 2500 (CC20906/1FL) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$30,466.00	\$30,466.00	\$30,466.00	\$30,466.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

- a. Manufacturer's standard V8 gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/TRANSAXLE:

- a. Manufacturer's standard automatic transmission/transaxle.
- b. Four wheel drive to include automatic locking hubs, includes all required options.
- c. Limited slip differential or traction control on 4-wheel drive.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Heavy duty rubber floor covering, if available.
- f. Seating: cloth front seats with vinyl rear seat, if available. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Full size spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.
- c. Full perimeter frame, ladder type.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**3/4 TON 4-DOOR EXTENDED WHEELBASE 6 PASSENGER UTILITY  
VEHICLES - 4X4  
SPECIFICATION #32**

**2010 Chevrolet Suburban 2500 (CK20906/1FL)**

The Chevrolet Suburban 2500 (CK20906/1FL) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$33,086.00	\$33,086.00	\$32,984.00	\$33,086.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**2010 GMC Yukon XL 2500 (TK20906/1SA)**

The GMC Yukon XL 2500 (TK20906/1SA) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$33,372.00	\$33,222.00	\$33,172.00	\$33,197.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard 6 cylinder gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/AXLE:

- a. Manufacturer's standard automatic transmission.
- b. Manufacturer's standard axle.
- c. Manufacturer's standard suspension system.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Manufacturer's standard floor covering.
- f. Manufacturer's standard production seats. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard door arrangements with standard glass placement.
- b. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- c. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**7 PASSENGER MINI VAN - FWD  
SPECIFICATION #33**

**2010 Chrysler Town & Country (RTYH53)**

The Chrysler Town & Country (RTYH53) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$20,148.00	\$19,997.00	\$19,997.00	\$20,038.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

## CARGO MINI VAN - FWD SPECIFICATION #34

2010 Ford Transit Connect (S6A)  
2010 Dodge Grand Caravan C/V (RTKE53)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard 4 cylinder gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/AXLE:

- a. Manufacturer's standard automatic transmission.
- b. Manufacturer's standard axle.
- c. Manufacturer's standard suspension system.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Manufacturer's standard floor covering.
- e. Manufacturer's standard production seats. Purchaser will select color at time of order.
- f. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard door arrangement with standard glass placement.

- b. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- c. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**CARGO MINI VAN - FWD  
SPECIFICATION #34**

**2010 Ford Transit Connect (S6A)**

The Ford Transit Connect (S6A) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$18,380.00	\$18,380.00	\$18,380.00	\$18,380.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**8 PASSENGER VAN - RWD  
SPECIFICATION #35**

**2010 Ford E-150 Club Wagon (E1B)**

The Ford E-150 Club Wagon (E1B) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	Northern	Central	Southern
BASE PRICE:	\$18,745.00	\$18,745.00	\$18,745.00	\$18,745.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

## 12 PASSENGER VAN SPECIFICATION #36

2010 Ford E-350 Club Wagon (E3B)  
2010 Chevrolet Express 2500 (CG23406)  
2010 GMC Savana 2500 (TG23406)  
2010 Freightliner Sprinter (VB6L53)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard engine, alternator, battery and cooling package.

2. TRANSMISSION/AXLE:

- a. Manufacturer's standard automatic transmission.
- b. Manufacturer's standard axle.
- c. Manufacturer's standard suspension system.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system, front and rear.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel, if available.
- e. Manufacturer's standard floor covering.
- f. Manufacturer's standard production seats. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard size spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard door arrangements with standard glass placement.
- b. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- c. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

FLORIDA FIRE CHIEFS' ASSOCIATION**

**12 PASSENGER VAN  
SPECIFICATION #36**

**2010 Ford E-350 Club Wagon (E3B)**

The Ford E-350 Club Wagon (E3B) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$20,299.00	\$20,332.00	\$20,324.00	\$20,338.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**12 PASSENGER VAN  
SPECIFICATION #36**

**2010 Chevrolet Express 2500 (CG23406)**

The Chevrolet Express 2500 (CG23406) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,118.00	\$20,961.00	\$20,828.00	\$20,978.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**12 PASSENGER VAN  
SPECIFICATION #36**

**2010 GMC Savana 2500 (TG23406)**

The GMC Savana 2500 (TG23406) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,118.00	\$20,993.00	\$20,893.00	\$20,993.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**12 PASSENGER VAN  
SPECIFICATION #36**

**2010 Freightliner Sprinter (VB6L53)**

The Freightliner Sprinter (VB6L53) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$39,134.00	\$39,134.00	\$39,134.00	\$39,134.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2010 GMC Savana 3500 (TG33706)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard 8 cylinder gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/AXLE:

- a. Manufacturer's standard automatic transmission.
- b. Manufacturer's standard axle.
- c. Manufacturer's standard suspension system (must support 15 passenger payload).

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system, front and rear.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Manufacturer's standard floor covering.
- f. Manufacturer's standard production seats. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard size spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard front and rear bumpers.
- b. Manufacturer's standard door arrangements with standard glass placement.
- c. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- d. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**15 PASSENGER VAN  
SPECIFICATION #37**

**2010 Chevrolet Express 3500 (CG33706)**

The Chevrolet Express 3500 (CG33706) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$23,657.00	\$23,507.00	\$23,357.00	\$23,457.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

# **FLORIDA SHERIFFS ASSOCIATION, FLORIDA ASSOCIATION OF COUNTIES & FLORIDA FIRE CHIEFS' ASSOCIATION**

## **15 PASSENGER VAN SPECIFICATION #37**

### **2010 GMC Savana 3500 (TG33706)**

The GMC Savana 3500 (TG33706) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$23,657.00	\$23,607.00	\$23,357.00	\$23,432.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard 8 cylinder gasoline engine or 5 cylinder turbo diesel, alternator, battery and cooling package.

2. TRANSMISSION/AXLE:

- a. Manufacturer's standard automatic transmission.
- b. Manufacturer's standard axle.
- c. Manufacturer's standard suspension system.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Console engine cover.
- b. Manufacturer's standard air conditioning with 134A system.
- c. Manufacturer's standard tinted glass all around.
- d. Manufacturer's standard AM/FM stereo.
- e. Manufacturer's standard floor covering.
- f. Manufacturer's standard production seats. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Manufacturer's standard size spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard front and rear bumpers.
- b. Manufacturer's standard door arrangements with side and rear glass placement.
- c. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- d. Manufacturer's standard fuel tank.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**UTILITY CARGO VAN  
SPECIFICATION #38**

**2010 Chevrolet Express Cargo Van (CG23405)**

The Chevrolet Express Cargo Van (CG23405) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$15,149.00	\$15,099.00	\$15,049.00	\$15,099.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**UTILITY CARGO VAN  
SPECIFICATION #38**

**2010 GMC Savana Cargo Van (TG23405)**

The GMC Savana Cargo Van (TG23405) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$16,202.00	\$16,072.00	\$16,022.00	\$16,047.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's minimum 4 cylinder gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/AXLE:

- a. Manufacturer's standard axle.
- b. Manufacturer's standard automatic transmission.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Manufacturer's standard floor covering.
- e. Manufacturer's standard production seats. Purchaser will select color at time of order.
- f. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Full size spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard front and rear bumpers.
- b. Manufacturer's standard fuel tank.
- c. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**COMPACT PICKUP TRUCK - 4X2  
SPECIFICATION #39**

**2010 Ford Ranger (R1A)**

The Ford Ranger (R1A) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$11,498.00	\$11,441.00	\$11,445.00	\$11,498.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**COMPACT PICKUP TRUCK - 4X2  
SPECIFICATION #39**

**2010 Chevrolet Colorado (CS15403)**

The Chevrolet Colorado (CS15403) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$12,497.00	\$12,377.00	\$12,327.00	\$12,352.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

# **FLORIDA SHERIFFS ASSOCIATION, FLORIDA ASSOCIATION OF COUNTIES & FLORIDA FIRE CHIEFS' ASSOCIATION**

## **COMPACT PICKUP TRUCK - 4X2 SPECIFICATION #39**

### **2010 Nissan Frontier I4 King Cab (31010)**

The Nissan Frontier I4 King Cab (31010) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$13,524.00	\$13,524.00	\$13,724.00	\$13,724.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

### **ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

#### 1. ENGINE:

- a. Manufacturer's minimum 5 cylinder gasoline engine, alternator, battery and cooling package.

#### 2. TRANSMISSION/AXLE:

- a. Manufacturer's standard automatic transmission.
- b. Manufacturer's standard axle.
- c. Four wheel drive with automatic locking hubs, includes all required options.
- d. Limited slip differential on 4-wheel drive, or equivalent.

#### 3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

#### 4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Manufacturer's standard floor covering.
- e. Manufacturer's standard production seats. Purchaser will select color at time of order.
- f. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

#### 5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

#### 6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

#### 7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Full size spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard front and rear bumpers.
- b. Manufacturer's standard fuel tank.
- c. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**COMPACT PICKUP TRUCK - 4X4  
SPECIFICATION #40**

**2010 Chevrolet Colorado (CT15403)**

The Chevrolet Colorado (CT15403) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$16,300.00	\$16,198.00	\$16,174.00	\$16,694.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**COMPACT PICKUP TRUCK - 4X4  
SPECIFICATION #40**

**2010 Dodge Dakota Club Cab (ND5L33)**

The Dodge Dakota Club Cab (ND5L33) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$17,406.00	\$17,406.00	\$17,406.00	\$17,406.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2010 Chevrolet Silverado 1500 (CC10543)  
2010 GMC Sierra 1500 (TC10543)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's standard cooling package.
- b. Manufacturer's gasoline engine electric hybrid propulsion system.

2. TRANSMISSION/AXLES:

- a. Manufacturer's standard drive axle ratio
- b. Electrically variable transmission.

3. PERFORMANCE ITEMS:

- a. Electronic power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Power windows, power door locks, cruise control and tilt steering wheel.
- e. Manufacturer's standard floor covering.
- f. Manufacturer's standard seating with cloth upholstery. Purchaser will select color at time of order.
- g. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Driver and passenger front air bags.
- c. Safety belt reminder.

6. BRAKES:

- a. Regenerative braking system.
- b. Power disc brakes with 4-wheel ABS.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.
- b. Conventional spare tire.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.
- c. Manufacturer's standard front and rear bumpers.
- d. Manufacturer's standard short bed.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**HYBRID 1/2 TON CREW CAB PICKUP TRUCK - 4X2  
SPECIFICATION #41**

**2010 Chevrolet Silverado 1500 (CC10543)**

The Chevrolet Silverado 1500 (CC10543) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$32,726.00	\$32,677.00	\$32,677.00	\$32,777.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**HYBRID 1/2 TON CREW CAB PICKUP TRUCK - 4X4  
SPECIFICATION #42**

**2010 Chevrolet Silverado 1500 (CK10543)**

The Chevrolet Silverado 1500 (CK10543) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$35,743.00	\$35,693.00	\$35,643.00	\$35,642.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**1/2 TON PICKUP TRUCK - 4X2  
SPECIFICATION #43**

**2010 Chevrolet Silverado 1500 (CC10703/1WT)**

The Chevrolet Silverado 1500 (CC10703/1WT) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$14,876.00	\$14,876.00	\$14,872.00	\$14,876.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**1/2 TON PICKUP TRUCK - 4X2  
SPECIFICATION #43**

**2010 GMC Sierra 1500 (TC10703/1SA)**

The GMC Sierra 1500 (TC10703/1SA) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$15,037.00	\$14,922.00	\$14,872.00	\$14,897.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**1/2 TON PICKUP TRUCK - 4X2  
SPECIFICATION #43**

**2010 Nissan Titan XE King Cab (34110)**

The Nissan Titan XE King Cab (34110) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$17,836.00	\$17,836.00	\$18,036.00	\$18,036.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

2010 Toyota Tundra (8322)

**ALL ITEMS FACTORY INSTALLED UNLESS OTHERWISE INDICATED**

**INSTRUCTIONS:** Listed above, you will find the model numbers of the vehicles that will be included in this year's contract.

1. ENGINE:

- a. Manufacturer's minimum 6 cylinder gasoline engine, alternator, battery and cooling package.

2. TRANSMISSION/AXLES:

- a. Manufacturer's standard automatic transmission and axles.
- b. Four wheel drive with automatic locking hubs, includes all required options.
- c. Limited slip differential on 4-wheel drive.

3. PERFORMANCE ITEMS:

- a. Manufacturer's standard power steering.
- b. Manufacturer's standard gauges.

4. COMFORT ITEMS:

- a. Manufacturer's standard air conditioning with 134A system.
- b. Manufacturer's standard tinted glass all around.
- c. Manufacturer's standard AM/FM stereo.
- d. Heavy duty rubber floor covering instead of carpet.
- e. Manufacturer's standard production seats. Purchaser will select color at time of order.
- f. Keys: two (2) per vehicle, single key locking system, (each vehicle keyed differently).

5. SAFETY ITEMS:

- a. Dual outside mirrors and inside rearview mirror.
- b. Interior dome lights with left and right door activated switches.
- c. Manufacturer's standard air bags.

6. BRAKES:

- a. Four wheel anti-lock brake ABS system.

7. TIRES AND WHEELS:

- a. Manufacturer's standard tires and wheels.

b. Manufacturer's standard size spare tire and rim, if available.

8. CHASSIS, FRAME, CAB:

- a. Manufacturer's standard colors, factory painted. Colors to be determined by individual agencies.
- b. Manufacturer's standard fuel tank.
- c. Manufacturer's standard front and rear bumpers.
- d. Manufacturer's standard short bed.

9. CONDITIONS

In addition to equipment specified, vehicle shall be equipped with all standard equipment as specified by the manufacturer for this model and shall comply with all EPA Emission Standards and all Motor Vehicle Safety Standards as established by the U.S. Department of Transportation regarding the manufacture of motor vehicles.

The successful bidder shall be responsible for delivering vehicles that are properly serviced, clean and in first class operating condition. Pre-delivery service, at a minimum, shall include the following:

- a. Complete lubrication.
- b. Check all fluid levels to assure proper fill.
- c. Adjustment of engine to proper operating condition.
- d. Inflate tires to proper pressure.
- e. Check to assure proper operation of all accessories, gauges, lights, and mechanical features.
- f. Focusing of headlights.
- g. Cleaning of vehicles, if necessary, and removal of all unnecessary tags, stickers, papers, etc. **DO NOT** remove window price sticker or supplied line sheet.

**1/2 TON PICKUP TRUCK - 4X4  
SPECIFICATION #44**

**2010 Ford F-150 (F1E)**

The Ford F-150 (F1E) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$17,302.00	\$17,291.00	\$17,284.00	\$17,302.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

**FLORIDA SHERIFFS ASSOCIATION,  
FLORIDA ASSOCIATION OF COUNTIES &  
FLORIDA FIRE CHIEFS' ASSOCIATION**

**1/2 TON PICKUP TRUCK - 4X4  
SPECIFICATION #44**

**2010 Chevrolet Silverado 1500 (CK10703/1WT)**

The Chevrolet Silverado 1500 (CK10703/1WT) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	★Western	★Northern	★Central	★Southern
BASE PRICE:	\$17,146.00	\$17,146.00	\$17,146.00	\$17,146.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.
