

2026

JANUARY

Legislative Conference

When: January 26-28, 2026

Where: The Westin DC Downtown, Washington, DC

What: Learn about the latest regulatory and policy developments impacting public pensions and gain the skills needed to effectively advocate on behalf of your fund. Then, head to the Hill to participate in targeted meetings with policymakers to ensure your voice is heard. [Sign up to learn more.](#)

MARCH

Communications & Member Services Summit

When: March 2-4, 2026

Where: The Westin San Diego Bayview, San Diego, CA

What: This event focuses on communication strategies, member engagement, and emerging tools to help public pension systems meet evolving needs. It's designed for professionals working in member services, benefits administration, communications, digital media, and technology. [Sign up to learn more.](#)

MAY

NCPERS Accredited Fiduciary (NAF) Program

When: May 16-17, 2026

Where: Caesars Palace, Las Vegas, NV

What: Earn your NCPERS Accredited Fiduciary (NAF) designation and become a nationally recognized expert in public pension governance. This two-day course (held in both the spring and the fall), is part of NCPERS University, educating public pension trustees and administrators about best practices for plan governance, oversight, and administration. [Sign up to learn more.](#)

Trustee Educational Seminar (TEDS)

When: May 16-17, 2026

Where: Caesars Palace, Las Vegas, NV

What: New to a pension plan board? This two-day program within NCPERS University will educate you on investing principles, actuarial science, board policies, and fundamental concepts that every trustee should know. [Sign up to learn more.](#)

Annual Conference & Exhibition (ACE)

When: May 17-20, 2026

Where: Caesars Palace, Las Vegas, NV

What: Bringing together more than 700 members of the public pension community, ACE offers an unparalleled educational experience for pension system professionals and service providers. With extensive programming, dynamic speakers, and plenty of networking opportunities, there is no better event for sharing ideas and connecting with your peers. [Sign up to learn more.](#)
